REPORT OF THE ASSOCIATIONAL MISSIONARY

1971 has been a year of adjustment to the changes in organization, grading, and curriculum materials in our churches, as the year began with the installation of the 70's Onward changes. Early in the year we frequently met with workers in the churches to help them work out these adjustments.

The World Missions Conference in February and March was the only Association-wide simultaneous program during the year. Twenty five churches participated, with uniformly good results. The report of the Missions Committee gives some statistical results.

I have been blessed with many opportunities to serve you in your churches as you have called on me. I have filled 105 appointments in 38 churches. I have helped to plan, and participated in, 50 Associational meetings, and the 4-day camp at Chowan College, a 2-day R. A. Camp at Camp Contentnea, and the Girls In Action Day Camp at Camp Contentnea. I have filled appointments at Hamilton Home, WNCT-TV, and at a Free Will Baptist Church. I have met 47 times with committees, and with 1,593 individuals. We have mailed 24,278 copies of the Baptist Review, 5,538 pieces of third class bulk mail, and used 1,894 6¢ and 8¢ stamps and post cards.

Outside the Association, I have led R. A. Leadership Courses in the Chowan Association, and the North Roanoke Association, and assisted in an Associational Missions Research Project in the Yates Association which required me to be away four days. I represented State Missions in a World Missions Conference in the South Mountain Association.

I have attended the meetings of the Baptist State Convention, the state Evangelism Conference, 2 state Conferences on Associational Missions, the state V.B.S. Clinic, the State Training Meeting for Brotherhood Leadership, Sunday School Week at Ft. Caswell, 2 Cooperative Program promotion meetings, a Regional Stewardship Seminar, and Regional Planning Meetings for Sunday School and Church Training.

Thank you for your assistance on the mission trip that Mrs. Moore and I made to South America in August. We visited churches, missions, Missionaries, and national leaders in Bogota, Colombia, Guayaquil, Quito, and Cuenca, Ecuador, and in Panama City, Balboa, and Colon, in Panama. We had opportunity to speak in Bogota and Cuenca, and to discover something of the effectiveness of the program of World Missions which we support in these countries through the Cooperative Program and the special Lottie Moon Offering for Foreign Missions, and the Annie Armstrong Offering for Home Missions.

I want to thank the staff of Associational Officers, Organization Officers, and Committees whom we have had opportunity to help, and through whom much of our actual work of Missions in our area must be done. We feel a special debt to six workers who have served five years and are being rotated out of office on the limitation that the Constitution puts on their length of service: Max Patterson, Leslie Wickham, Mrs. Albert Bell, Walter B. Jones, Leslie P. Yelverton, and H. J. McCracken.

Respectfully submitted,

JOHN A. MOORE, Associational Missionary

SUNDAY SCHOOL REPORT

During 1970-1971 the Associational Sunday School organization held a Group Training School for four nights at Second Baptist Church, Wash-

ington. The Guiding Series was used in these sessions.

Three Clinics for Vacation Bible School workers were held at Memorial in Williamston, Arlington Street in Greenville, and Five Points in Wilson.

In September, we participated in Sunday School Preparation Week by conducting Associational Age-Group Conferences in three churches that invited us for these one-night programs for Sunday School Leadership. The theme for these conferences was "People To People". These were well received among the churches in the areas where we were able to go.

Believing that the two most important ingredients in every good Sunday School are the leadership of the Holy Spirit, and committed Christians, your Associational Sunday School workers desire to help you, upon your request.

J. LEONARD GERRALD, Sunday School Director

REPORT OF THE CHURCH TRAINING PROGRAM

1970-71 was a year of transition for the Church Training Program. Many of our churches simply did not take advantage of the opportunities presented to them to learn new approaches and methods of work. As strange as it may seem, many people in our Association still have the old concepts of Baptist Training Union.

How can we stimulate a greater interest in the Church Training Program? The answer to this question is simple, yet complex. Simply stated, our people must become convinced of the need for training in today's church. Many still have the idea that you enlist someone for a job, give him a book, and tell him to do the best he can. If, indeed, this was ever adequate, it is certainly inadequate today. Such an approach will continue to lead to decline and decay. Men and women who are called and elected to particular tasks must be trained to do the job to which they have been called. This is both the duty and opportunity of the Christian Training Program. Your Associational Officers are ready to help you, but must be made aware by your invitation of how they best can serve you.

"M"-Night offers you a place to begin. This year's "M"-Night program will be held November 1, 1971, at First Baptist Church, in Tarboro. Plan to have a good representation from your church.

Respectfully submitted,

J. MONTE BISHOP, Director

BROTHERHOOD REPORT

The basic task a church assigns to its Brotherhood is to teach missions to men and boys. This task is fundamental to all of the experiences of Brotherhood.

To teach missions means to lead persons to develop new concepts, understandings, and appreciations of the total mission of the Church. We will have new attitudes about the mission of the Church. We will enroll the non-committed person in the church's programs, thus developing new skills while taking part in the church's mission.

Brotherhood will help men perform specific tasks that only men can do in the church.

Our Workshop in October, 1970, was led by our own Associational

Leaders, and our Baptist Men's Rally was led by "one of our own Missionaries", Ray Frye of Malaysia. In late summer, our Man-Boy Round-Up was held with a good response by the boys. We need to have more response from the men.

In special tasks performed by the men we did the following:

- (1) Raised money for Camp Contentnea improvements;
- (2) Helped with Camp Caraway Fund Drive now going on;
- (3) Held several Work Days at Camp Contentnea.

Mildred Baptist Church has organized a Baptist Men's unit and is meeting monthly.

We plan the following Associational activities during the coming year:

- (1) Brotherhood Workshop in Farmville, on October 26;
- (2) Baptist Men's Rally in January;
- (3) Brotherhood Round-Up in early fall;
- (4) Cooperative effort in behalf of improvements at the Associational Camp Ground;
- (5) Financial promotion for Camp Caraway.

Respectfully submitted,
J. R. JONES, Brotherhood Director

REPORT OF THE ASSOCIATIONAL MUSIC MINISTRY

Our Associational Music Ministry has had a good response this year from many of our churches. We had a very good "Associational Youth Choir" to rehearse and sing for Baptist Youth Night in March. Also during March, we had two choir workshops, one in Washington, and one in Wilson, under the leadership of our own workers. Chocowinity had a one-church Workshop for their Adult Choir. Charles Gatwood, Associate in the Music Department of the Baptist State Convention, conducted two Choral Workshops in our Association in September which were well attended and received.

All churches are urged to participate in the Associational Music meetings, and the Regional Choir Festivals.

Musically yours,
JOHN B. THOMPSON, Director

REPORT OF THE MISSIONS COMMITTEE

This is the age of rebellion. People everywhere are rebelling against the constituted authority. Rioting mobs fill the streets at night in our large cities, firing guns at random and throwing fire bombs with precision. Lawlessness seems to be the order of the day. Man is bewildered and doped with despair. He searches for the answer, but it seems to elude him.

Do we have the answer? God's answer is the New Testament Churches, preaching the Gospel of Jesus Christ, preaching by both word and example. We must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit. We can positively say that we do have the answer.

By any description of duty the mission of the New Testament Church is to spread the Good News. That is to present Jesus Christ in the power of the Holy Spirit, so that men shall come to trust in God, accept Him as Saviour, and follow Him as Lord in the Church. Simply stated, it is the aim of the church to introduce people to Jesus, the Jesus who effectively aids men in their fight with suffering, and sin, and death,

and the Devil. Needless to say, this kind of missions reaches into every nook and corner of a man's life, and for that matter, into the entire social structure. It is most effectively realized in the daily witness of the pastoral ministry, and in the institutional services of the Christian home.

How have we presented the Good News in the South Roanoke Baptist Association during the past year? We are real pleased with the encouraging reports from the individual churches, but we must realize the fact that we are far from the realization of what Christ expected us to do.

The Riverside (Bible) Baptist Church of Plymouth which was admitted into our Association two years ago continues to show progress. They have purchased a lot on which to build a new church, and have called a full-time pastor, Rev. James Lochridge, formerly a missionary to the Philippines. He and Mrs. Lochridge live at 501 East Third St., Plymouth. This church adopted its new name after purchasing the building site.

The Second Baptist Church, Washington, conducted a Mission Vacation Bible School in the Public Housing Project in Washington where they maintain a branch Sunday School.

The World Missions Conference held in our Association February 28 through March 5 was very successful. Churches participating were: Arlington Street, Ayden, Chocowinity, Grifton, Immanuel, Oakmont, Winterville, Bible, Oak City, Pactolus, Robersonville, Washington First, Washington Second, Williamston West End, Farmville, Fountain, Pinetops, Elm City, Stantonsburg, Trinity, Tarboro First, Webb's Chapel, Wilson First, Five Points, and Grace.

The Missionary Speakers were: John Kasa, Language Missions; Ray Frue, Malaysia; H. A. Privette, State Missions; Jorge Alberto Martinez, Language Missions; Luther Osment, State Missions; Charles Wiggs, Korea; W. Lowrey Cooper, Argentina; Henry W. Stough, Associational Missions; Charles Etheridge, Pioneer Missions; Miss Carol Lee Humphries, Nigeria; Ben W. Tomlinson, Taiwan; Alex L. Booth, State Missions; Charles Oakes Brazil; Thomas Baird, Home Missions; Charles E. Beckett, East Pakistan; Mrs. John Sylvester, Language Missions; A. R. Waisner, Associational Missions; John B. Hill, Nigeria; Paul Nevells, Home Missions; E. C. Wilkie, State Missions; Cletus Wilch, Army Chaplain; James Y. Green, State Missions; Curtis L. Dixon, Brazil; Roger Knapton, Home Missions.

Grand total attendance - 12,573

Average Daily Attendance - 2,095

7 Adult Classes studied "The Diakonic Task"

6 Youth Classes studied "New Day On The Hudson"

6 Children's Classes studied "The Red Brick Friend"

5 Preschool Classes studied "Tony's Triumph"

The churches reported 6 conversions, 10 volunteers for special Christian service, 79 subscriptions to The Commission and Home Missions, and 185 rededications. Two morning meetings were held: on Tuesday at Oakmont, and Friday at Farmville. These inspirational and report sessions proved to be a highlight of the week.

Surely, this is the time for total dedication to Christ in His great purpose of winning the lost to faith in God.

CHRISTIAN EDUCATION REPORT

The experience of learning begins with birth and continues to the grave with persons. Fortunate, indeed, is everyone who is born in a Christian home and becomes the recipient of Christian nurture and training in family life. This training is strengthened in the church, in its religious education program and its emphasis on the meaning of life. Formal education begins with the public school and continues through college and university life. Then one becomes engaged in some definite area in the broad activities of life's school to mature in character and concepts of life. Thus the home, the church, and the school and society at large make their impact upon our lives.

At the heart of all our efforts in human growth and development is the urgency for Christian education, for society comes to a happy status, or to misfortune, as people are Christian or non-Christian in their purposes and goals.

Fortunate are our Baptist people, and our nation in general, that in North Carolina we have in focus Christian education in seven Baptist colleges in which about 13,000 students are enrolled. These schools are Chowan Junior College, Wingate Junior College, and Gardner-Webb Junior College, which soon will have senior college status along with Mars Hill College, Campbell College, Meredith College, and Wake Forest University.

Parallel with these institutions, our North Carolina Baptist State Convention supports Fruitland Bible Institute for special training of ministers who are limited in formal education, or with whom seminary training is an impossibility, a summer religious assembly at Caswell, a year-round program of assemblies, retreats, and camping at Camp Caraway and Mundo Vista. Two other facets of particular interest are our Baptist Youth Corps summer program, and our Baptist Student Union program on college campuses across the state.

Furthermore, Baptists of the Southern Convention have 43 Baptist colleges and universities, and 11 Junior colleges, all of which are making a tremendous contribution to the training of lay leaders and vocational Christian workers. We have 6 theological seminaries performing multiple ministries of training pastors, ministers of religious education, musicians, and missionaries. Enrolled in these Southern Baptist schools are more than 100,000 students, and more than 14,000 vocational Christian workers.

An ever-recurring problem for our schools is the question of money. Aside from other sources of income, our Baptist churches afford support for these educational institutions in North Carolina by giving through our Cooperative Program 25.6% of each dollar. Allocations go to the schools as follows:

Campbell	4.11%	amounting to	\$302,350
Chowan	2.51%	amounting to	\$184,360
Gardner-Webb	2.63%	amounting to	\$193,578
Mars Hill	3.56%	amounting to	\$261,791
Meredith	3.56%	amounting to	\$261,791
Wake Forest	6.10%	amounting to	\$441,995
Wingate	2.61%	amounting to	\$191,735
Education Council	.52%	amounting to	\$ 38,000
TOTAL	25.6%		\$1,881,600

In addition, "Father's Day" is designated in our North Carolina Baptist denominational calendar as "Christian Education Day", at which time our people are informed about our Baptist schools and are called

on for special gifts for their support.

All in all, we have a great program of Christian education which involves the lives of many people and demands the giving of large sums of money by our people. Your prayers and financial support are strongly solicited.

IRBY B. JACKSON, Representative

CHRISTIAN LITERATURE REPORT

In "one picture is worth a thousand words, and could reach TEN THOUSAND PEOPLE", why should I hesitate? I'll show you one.

As you look at it, you see a man reading a paper (in this instance the News And Observer). The top of his head has been lifted so you can see "the works". Do you get the picture?

The human brain is the finest of all computers, and it doesn't cost you a dime. God has given you a computer to use. Who programs this computer? Each human being is responsible to God for the use he makes of the brain he has. Can you, as your church's representative, convince others of this? Try!

A certain group - RIF - uses as its slogan, "If America is to grow up thinking, READING IS FUNDAMENTAL".

If you doubt this, turn in your Bible to Second Timothy 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth".

Does this apply only to Timothy? I think not. So, begin the new Associational Year by majoring on Christian literature, and in encouraging others to do so. It may not be as hard as you think, since we are blessed with excellent publications.

I. SUNDAY SCHOOL LESSONS.

These are available to all age groups, plus the lessons you may find each week in the Biblical Recorder and the News and Observer.

II. WOMAN'S MISSIONARY UNION.

The W. M. U. has literature for mission study for each age group. Who reads it? We wish each member did. Let's find out what we can do to keep these computers from gathering dust.

III. The BROTHERHOOD and the ROYAL AMBASSADORS have excellent magazines for reading and for program resources.

IV. THE COMMISSION and HOME MISSIONS are available at a nominal cost. If "reading is the fastest way to program the human brain", why not find out what is happening both at home and abroad? You can.

V. THE BIBLICAL RECORDER is a "MUST" for every Tar Heel Baptist. If you don't already have it in your home, you should do something to remedy that. There are many other publications available. Look around and see what you can discover, even in your church library.

VI. MISSION STUDY - CHURCH-WIDE.

This includes each person in the church family. It is good for all ages to get together for study and fellowship. But, how many actually read these books?

We have the people, we have the literature, so get those computers busy - working for God.

BUILDER'S CLUB REPORT

The South Roanoke Builders' Club has been a going organization for about twenty years now. It was organized with the sole purpose of helping small churches to get started, or helping them secure a lot, or helping them to build, or to assist in some phase of completing some much needed construction.

There was a balance on hand on October 1, 1970 of \$2,421.24.

The Bible Baptist Church Plymouth, was given \$1,000.00 to help them secure a very desirable lot for their new church building.

Since there were no calls sent out to the members during the year (at the suggestion of The Executive Committee) we have only had the accrued interest of \$101.81, and a small deposit brought over from last year of \$4.00 to add to our balance, leaving us a net balance of \$1,527.05 at the end of the year.

We covet your prayers that the South Roanoke Builders' Club will be able to continue its efforts in helping small churches get started in carrying out the work of our Master.

LESLIE P. YELVERTON, Chairman

ASSOCIATIONAL EVANGELISM REPORT

Perhaps the most significant event in evangelism for our State Convention was the Youth Evangelism Night this past February. There were some 20,000 youth and adults who attended at the Greensboro Coliseum and War Memorial Auditorium. A total of 1,519 decisions were made by young people.

Evangelism is receiving a new impetus throughout the Southern Baptist Convention through the constructive use of the new W I N (Witness Involvement Now) materials. Lay Evangelism Schools are being sponsored by the Division of Evangelism of our State Convention. This past February, a Conference On Evangelism in our Association was held at the First Church, Tarboro, in which Bill Lamm shared the future plans of the Lay Witnessing Schools and introduced the witnessing materials. We plan to schedule a school on lay witnessing for our Association in 1972.

On February 7, 1972, the annual State-wide Evangelism Conference will be held at the Cumberland County Memorial Auditorium in Fayetteville. The next statewide Youth Evangelism Night will be held August 18, 1972, in Greensboro at the Coliseum.

Respectfully submitted,
JIM HERRON, Chairman Of Evangelism

STEWARDSHIP REPORT

An August Presidential press conference signaled the need for our country to take some positive steps toward solving our present economic crises. With our steadily increasing responsibilities we Baptists have also recognized the need to develop a stronger program of stewardship or else we shall have to curtail some of our operations. The costs involved in our School of Nursing have already made it necessary to terminate this program. The meetings held in recent months at our Baptist Colleges have further served to pinpoint the need for more funds, just to maintain the programs as they are now. Some of our fellow denominations, themselves faced with a shortage of income, have had to cut back on their foreign mission personnel, leaving serious gaps in the Christian witness around

the world.

For several years now we Baptists, along with all other Americans, have been privileged to enjoy an abundance of God's blessings; and yet, our record of giving in many instances has fallen far short of our potential. Now, when many are saying that the "times are bad", we may well be faced with the call to sacrifice and then sacrifice some more so that the cause of our Lord and Saviour will not have to retreat but will be able to go onward to new heights of service and accomplishment. As it was said of the British nation during the dark days of World War II, may this be "our finest hour" as we are subjected to the fires of sacrifice and are found faithful and true to the trust that is ours.

What can we do? May we suggest the following. Fourteen of our Associational churches were listed as having given no offerings to the Cooperative Program this past year. If you are in one of these churches, would you not return to your church and encourage your people to join with our other churches in the support of this worthy program of Christian missions and service? We would also ask the rest of you to give serious consideration to the suggestion of our State Convention to increase your allocation to the Cooperative Program by the small sum of 6%.

The challenges we have in today's world are many; the responsibilities are great; but let's together strive to be found faithful as stewards of the manifold grace of God.

Respectfully submitted,
JACK HOLT, Representative

REPORT ON OUR BAPTIST HOMES FOR AGING

In March of this year we celebrated the 20th anniversary of the work of our Homes For The Aging. During these two decades, our ministry to older people has been enlarged and strengthened. Today, we have five homes and a nursing care unit. We are proud of the work done by this agency of our denomination in North Carolina.

While the financial support of our N. C. Baptist Homes has increased in recent years, the annual income has been insufficient to meet operating expenses. An increase in the amount received from the Cooperative Program and in the Special Day Offering is needed to meet expenses and to begin operating in the black. At least 80% of the people who live in our Baptist Homes are financially needy persons. The Homes could not be operated without the generous support of N. C. Baptists.

A new addition to the Nursing Care Unit in Winston Salem was scheduled to be completed this year. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. The five Homes can accommodate 160 persons.

Our ministry to the aging deserves the prayers and liberal support of every North Carolina Baptist.

REPORT ON BAPTIST HOSPITAL

With strictures placed on the economy by the government which have frozen wages, the temptation for most of us is to do less than we have before in the matter of our support for our Baptist Hospital. However, during the period January through September, your gifts exceeded your gifts last year by \$50,52. If those churches that have not yet sent in an offering would do so, it would be a small thing for us to go over the

record amount for this offering! Of course, we respect every church's right to contribute or not contribute. Nonetheless, no one can successfully argue against the support of our Baptist Hospital. Our Baptist Hospital is a mission of Christian compassion as well as any mission which we support as Baptists! The whole man is ministered to; body, mind, and soul. All of this is done in the name of Christ Jesus, who makes men whole! Salvation comes when the whole man is made whole! Thus, who can deny our Baptist Hospital its rightful place alongside evangelism, foreign missions, and church enlargement? For the purpose of organization and administration we form separate agencies and organizations, well fitted for the tasks of their services; but all of these go together to fulfill the mission of Christ.

Our Baptist Hospital is in every way an important part of the ongoing ministry of our Lord Jesus Christ. Thus, we once again underline our need for its sacrificial support, and heartily thank all our churches which have been generous by supporting its ministry through the Mother's Day Offering of 1971.

Below, is a table tabulating the gifts from our churches from January, 1971, through Sept. 1971, and its comparison with the previous year.

BAPTIST CHILDREN'S HOMES REPORT

The child care and family service ministry of North Carolina Baptists has undergone many new and thrilling experiences during the past year. Since the Association last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. The first two cottages on the Broyhill Home campus near Waynesville have been completed, providing for twenty five additional children in group care. Also during the past year, a maternity home has been opened in Asheville.

The Ten Star Builders Program, designed to inform Baptists and other friends of the Children's Homes in Eastern North Carolina of the services we are rendering to children and their families, was launched last fall. The initial response has been encouraging. Funds are being raised in Lenoir County for the W. C. Reed Memorial Gymnasium and plans are to have the dedication of this building on Sunday, Nov. 7, 1971.

Foster homes in Eastern North Carolina now number sixteen with spaces for 25 children. Five years ago we had only one foster home in the Eastern area. This is encouraging growth. Additional foster homes are needed. This affords opportunity for a meaningful and rewarding ministry for children and foster parents alike.

The purpose of the Children's Homes is to provide children loving care in the spirit of Christ. The pursuit of this basic goal has led the Homes to develop a variety of services, all family centered. Some children need resident care. For those we have group homes and foster homes. Some families can remain together with outside help and for these we have family services in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, nursery school, and kindergarten, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina; in the East at Kinston, Pembroke, Fayetteville, and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Trustees, staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we share with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts, and a 1970 Thanksgiving Offering of \$380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing, and we pledge ourselves to translate your investment into quality Christian child care.

WOMAN'S MISSIONARY UNION

MINUTES OF THE SIXTEENTH ANNUAL SESSION

FIRST BAPTIST CHURCH, GRIFTON, N. C.

The Sixteenth Annual Session of the Woman's Missionary Union of the South Roanoke Baptist Association met at the First Baptist Church, Grifton, N. C., on March 23, 1971, at 9:30 A. M.

Mrs. Ernest Wells, Associate W. M. U. Director, presided.

Following the singing of "The Woman's Hymn" Mrs. Wells introduced Mrs. Calhoun Johnson, who led us in an inspiring devotion.

 Place And Preacher Committee: C. C. Burris, Wilson First
 James T. Lochridge, Riverside
 Cecil Baughman, Webb's Chapel

7. The Moderator introduced two Fraternal Messengers: Bill Malone from Gardner-Webb College, and Dr. Hargus Taylor, from Chowan College.

8. John Moore introduced new Pastors and Church Staff Members who have moved to our Association since the last Annual Session: Russell Myers, from Elm City to Arlington Street; Ernest Bass, from Chocowinity to Elm City; Larry Hedrick, Chocowinity; John Allen, Fountain; Harvey Rumpfelt, Hamilton; Harold Mitchell, Five Points; and David Burns, Minister of Music and Education, Washington First.

9. Russell Myers gave the report of the Executive Committee, adding an Item 14 to the report as originally prepared. The report was adopted.

10. The Moderator called for the report of the Treasurer, Ralph C. Crawford. He was not present, so the report was given by Paul Weaver, Chairman of the Finance Committee. John Moore announced that the Treasurer's records had been audited by W. L. Howell, Associational Auditor, and that the books were on the Clerk's desk for the Messengers' inspection. The report was adopted.

11. Paul Weaver gave the report of the Finance Committee and moved the adoption of the Proposed Budget for 1973. He called attention to the Three Months Budget for October, November, December, 1972, which was adopted by the Executive Committee during the year on the instruction of the Association at the 1971 Annual Fall Session. The report was adopted.

12. The Moderator introduced Gary Thompson to give a brief statement of the history of the First Baptist Church, Washington, which is celebrating its 150th anniversary on November 5.

13. David Burns led in singing "To God Be The Glory".

14. H. C. Moss, Jr., introduced William S. Brown, Grifton, to preach the Annual Sermon, and Russell Myers, Alternate Preacher, to read the scripture and lead in prayer. Mr. Myers read Matthew 24:42-44 and led in prayer.

15. William S. Brown used as his subject, "Our Great Salvation In Jesus Christ". He said that Jesus Christ is a complete and adequate Savior. This salvation is a full and complete salvation in a perfect Savior. This great salvation, made possible by a great Savior, has saved us from the penalty of sin. Jesus is alive in the presence of God, and because he is alive, we are being saved from the power of sin. One day, Jesus is coming again, and then we will be saved from the presence of sin. There is a renewed emphasis today on the second coming of Jesus. Early Christians believed in the imminent return of Jesus. "The Lord Is Coming" was an often repeated statement of early Christians. Paul thought Jesus would come during his lifetime. We should be working in expectation, "for in such an hour as ye think not the Son of Man cometh". This same Jesus who was taken from you shall come in like manner as ye have seen him go, and I respond with John the beloved, "Even so, Come, Lord Jesus".

16. William S. Brown led the closing prayer.

17. Following adjournment, the Messengers gathered in the fellowship hall for a period of fellowship and refreshments served by the host church.

Wednesday Morning, October 18, 1972

MEMORIAL BAPTIST CHURCH, WILLIAMSTON, N. C.

18. Moderator H. C. Moss, Jr., called the session to order and asked David Burns to lead in singing "Holy, Holy, Holy".

19. Harvey Rumpfelt, Hamilton, led the opening devotion. He read Hebrews 2:1-9 and led in prayer.

20. Jack Holt, pastor of the host church, welcomed the Messengers to Williamston and to Memorial Baptist Church, and made announcements about the arrangements for the day.

21. Leonard Gerrald, Washington Second, called attention to the Sunday School Report in the Book Of Reports. He made a brief statement offering the assistance of the Associational Sunday School Staff to help any church with training programs for their Sunday School workers, on their invitation, and moved the adoption of the report. The motion carried.

22. J. Monte Bishop, Tarboro First, gave the report on Church Training, and spoke on the forms of church training that is going on in the churches. We have more church training that is unrecognized than we have Church Training that is recognized. This includes training workers in Sunday School, W M U, Music, Brotherhood, Royal Ambassadors, Etc. Church Training includes three primary areas: New Member Orientation; Membership Training; and Leadership Training. He announced "M"-Night. He moved the adoption of the report. It was seconded and carried.

23. Mrs. W. O. Abbitt, Williamston Memorial, read the W M U Report for Mrs. Ruth Garner who is in Toronto attending the meeting of the North American Baptist Women. Mrs. Abbitt announced that the Associational W M U had qualified as Distinguished, the highest Achievement level in the Achievement Guide for Associational W M U. She read the report which outlined the W M U activities for the year. The report was adopted.

24. Willard Finch, Winterville, gave the Brotherhood Report for J. R. Jones. Mr. Finch is the nominee for the office of Associational Brotherhood Director for the coming year. He called attention to five things that the report lists as Brotherhood emphases for the coming year, and then added two additional things that Associational Brotherhood will emphasize. (1) We will try to expand Brotherhood work by beginning Brotherhoods in churches that do not have them, and by enlarging the enrolment of Brotherhood in churches that do have them; (2) We want to work on new projects in Brotherhood, Mission Action projects, in the church and in the community. He moved the adoption of the report. The motion carried.

25. William S. Brown, Grifton, gave the Report On Evangelism. The Digest of Letters shows an increase in Baptisms. He announced the Pastors Retreat in November to be led by Bill Lamb to train pastors in the WIN materials. He spoke briefly on the challenge of the task of evangelism and moved the adoption of the report. The report was adopted.

26. John A. Moore, Arlington Street, gave the report of the Associational Missionary. He pointed out the change in trend that is seen in the Digest of Letters, as Baptisms, Sunday School Enrolment, and other statistics are up this year from 1971. The financial support by the churches this year has been consistent through the year. The combined Missions Committees of the churches in Wilson continue to explore the possibility for a new work in southwest Wilson. He spoke of the successful activities of the Church Program Organizations, and moved that the report be adopted. The motion carried.

27. Moderator H. C. Moss, Jr., called for any Fraternal Messengers or Visitors present to introduce themselves. There were none present.

28. The Moderator then called for Miscellaneous Business and announce-

ments. Monte Bishop asked that the Church Training Officers meet with him during the noon hour. John Moore asked that the members of the Nominating Committee meet at the beginning of the noon hour.

29. Clyde Patterson, Wilson First, led the congregation in singing "Thou Whose Almighty Word".

30. Jack Holt, host pastor, announced the arrangements for serving the noon meal.

31. Then Mr. Holt read the report of the Stewardship Committee and moved its adoption. The motion was seconded and carried.

32. Dr. Nathan Brooks, Director of the Church Programs Division of the Baptist State Convention, addressed the Messengers on the Cooperative Program through which the members of our churches support Southern Baptist's program of World Missions. Baptists at Associational Meetings talk about the Cooperative Program, but we have a lot of Baptists that don't know what it is all about. He said, "The Cooperative Program is a plan for sharing the whole gospel for the whole man in the whole world". In human terms, my offering in my church can help support all the missionaries that Southern Baptists send to the countries of the world. It is a plan that provides a way for me to share in meeting the needs of people through Children's Homes, Colleges, Old People's Homes, new churches, and thousands of missionaries that minister all the way from our own Association out to the other side of the world".

He spoke of the suggested goals of the "Together We Advance" program of North Carolina Baptists, and what 10% increases in baptisms, Sunday School enrolment, Cooperative Program, and Associational Missions would mean to our churches and to World Missions.

"And so the Cooperative Program is people, it is advance, it is moving out with the whole gospel for the whole man for the whole world."

33. Horace G. Thompson, Winterville, called attention to the Report Of The Missions Committee in the Book Of Reports and spoke of the progress by the churches in Wilson toward beginning a new Baptist work there, and of the plans for another World Missions Conference in our Association. The report was adopted.

34. The Moderator called for the registration cards of the Messengers and Visitors to be passed to the aisles and picked up.

35. Ben Hopkins made the report of the Builders' Club Committee. He spoke of new churches being started by other denominations and of new buildings being erected, and made an appeal for more people to become Builders' Club Members to help establish new Baptist work and to help strengthen needy churches. The report was adopted.

36. Clyde Patterson led the Messengers in singing "Trust And Obey".

37. The Ushers received the offering, and H. C. Moss, Jr., offered the prayer of dedication. \$87.21 was received in the offering.

38. Mrs. Lewis Lee, Wilson First, sang "Shall We Gather By The River?"

39. The Moderator announced that Max Patterson, Stantonsburg, who was scheduled to preach the doctrinal sermon could not be present. He introduced Gene Raymer, Belhaven, who was named last year as the Alternate, for the Doctrinal Sermon.

40. Gene Raymer, Belhaven, read I Corinthians 13:1-13 from the Moffit translation and led in prayer. He announced his topic, "The Concept Of Christian Love", and quoted the lyrics of the currently popular song, "Love Is Surrender", and spoke on surrender to God's will as the real nature of Christian love.

41. Mr. Raymer led the closing prayer and asked the blessing on the noon meal prepared for the Messengers in the fellowship hall.

Wednesday Afternoon

42. Moderator H. C. Moss, Jr., called the Association to order at 1:00 P. M. and called for the Messengers to join in singing a congregational hymn led by Clyde Patterson.

43. E. Gordon Onklin, Oakmont, led the opening devotion.

44. The Moderator announced that Kenneth Dews, Winterville, could not be present to give the report on Baptist Children's Homes, and introduced Rodney Beals and John Thompson from Kennedy Home, Kinston.

45. Rodney Beals, pastor of the Kennedy Home Church, addressed the Messengers on the child care program of North Carolina Baptists.

46. The report on the Children's Homes as prepared by Kenneth Dews was adopted.

47. Percy B. Upchurch, Williamston Memorial, gave the report on the Homes For Aging and made brief remarks about the work of the Homes. Mr. Upchurch asked that the Executive Committee get someone else to make this report next year, "because it is getting too close home, so I want someone else to do it". The Report was adopted.

48. Ernest Bass was not present to make the Hospital Report.

49. Ellis Lanier, Plymouth First, and Associational Clerk, reported that as of noon we had 256 registered for both sessions. Then he gave an interesting Digest Of Letters, comparing the statistics reported for 1971-1972 with those reported for 1970-1971, and making special mention of gains in baptisms, Sunday School enrolment, Brotherhood, and in total offerings and gifts to missions. The report was adopted. (The Digest of Letters showing the comparative figures is not reproduced in the Minutes, but the Statistical Tables report all of the figures for 1971-1972.)

50. Mrs. Marvin Everett was not present to give the report on Christian Literature. The Moderator gave the Messengers a few minutes to read it from the Book of Reports, and called for questions or discussion. Then the report was adopted.

51. The Moderator again called for the Report on the Baptist Hospital. The report was not in the Book of Reports, but the Moderator had a copy of a report prepared by Calvin Knight of the Baptist Hospital Staff on the work of the Hospital for the past year. There was a motion that this report be printed in the Minutes for the consideration of the people. The motion carried.

52. John Moore read the report of the Associational Auditor, W. L. Howell, Williamston Memorial, and moved its adoption. The motion carried.

53. Cecil Baughman, Webb's Chapel, read the report of the Place And Preacher Committee: "We recommend that the first day of the Annual Fall Session next year be at Webb's Chapel Baptist Church at Macclesfield, and that the second day be at First Baptist Church, Plymouth. We recommend that the first session on Tuesday night begin with supper at 6:30 and the meeting begin at 7:30. We will try this to reach some people who have been unable to come because they work, and don't have time to go home and fix supper and then get to the meeting.

"The Preacher for the Annual Sermon will be Paul Weaver, Cedar Branch, with Harold Mitchell, Five Points, as Alternate. The Preacher of the Doctrinal Sermon will be Russell Myers, Arlington Street, with Larry Thompson, Eagles, as Alternate." Mr. Baughman moved the adoption of the report. The motion carried.

54. James O. Hagwood, Robersonville, gave the report of the Resolutions Committee. Two Resolutions were offered. The first was an expression of appreciation to the host churches, Officers, and Program per-

sonalities. The second had to do with the drug problem in our area. The report was adopted.

55. Fred Taylor, Williamston Memorial, read the report of the Nominating Committee and moved its adoption. The Moderator called for other nominations or discussion. The report was adopted.

56. The Moderator opened the floor for Miscellaneous Business.

57. Paul Weaver, Cedar Branch, and Chairman of the Finance Committee, called attention to an omission in the "Three Months Budget" adopted by the Executive Committee on May 29, 1972 and reported to the Association last night at Winterville. It was the intention of the Finance Committee to include \$25.00 for the South Roanoke Ministers' Conference for this period. Mr. Weaver said, "Whatever form we must go through to get that into the Budget, I move that we do that". The Moderator suggested that this be considered as an amendment to the Three Months Budget. The motion to amend the Three Months Budget carried.

58. J. Monte Bishop called attention to a problem in many of our communities that has developed from a change in the Alcoholic Beverage Control laws that gives the County or City Commissioners the power to pass local ordinances permitting the sale of alcoholic beverages on Sunday, and moved that the Executive Committee of our Association give careful study and consideration to the matter and appoint a committee or take whatever action as seems in order to deal with the problem. The motion carried.

59. John Thompson, Kennedy Home, led the Messengers in singing "Send The Light".

60. The Moderator introduced Irvin H. Acree, Southern Baptist Missionary to Uruguay, and formerly pastor at Sawyer's Creek Baptist Church, Elizabeth City, to bring the Missionary Message. He read Jonah 2:1-10 and Matthew 28:16-20, reading from the New English Bible. He outlined the story of Jonah and drew from it the analogy of Christians who "take the boat to Tarshish", running away from the missionary task, instead of accepting the commission of God to go into all the world and preach the gospel. He used frequent illustrations from the work of missionaries in Uruguay and other Southern Baptist mission fields.

61. Moderator H. C. Moss, Jr., called on Marion D. Lark, Farmville, to lead the closing prayer, and declared the Eighteenth Annual Fall Session of the South Roanoke Baptist Association to stand adjourned.

The Minutes of the Proceedings of the Eighteenth Annual Fall Session have been examined and approved.

Reports

REPORT OF THE EXECUTIVE COMMITTEE

The Association Executive Committee met during the Associational year on November 2, January 31, May 29, August 29, and October 2.

The report of the Executive Committee is the combined reports of the officers and committee chairmen appearing in this Book of Reports; however, I call attention to the following specific items of business:

1. Appointment of the standing committees for the year.
2. Elected Monte Bishop as the Church Training Director as this position was unfilled at the Associational Annual Fall meeting.
3. Established Mission Vacation Bible Schools under the director of the Sunday School Director, Leonard Gerrald.
4. Conducted an Evangelism Clinic at Bethel on February 24 under the direction of Chairman Of Evangelism, Bill Brown.
5. At The instruction of the Association, the Executive Committee adopted a three month budget for October, November, December, 1972. This budget was prepared by the Finance Committee under the leadership of Paul Weaver, Chairman. This three month budget enables the Association to move to a calendar year budget beginning January, 1973.
6. Horace Thompson, as Missions Committee Chairman, encouraged the establishment of a new mission in Wilson under the supervision of the churches there.
7. As Chairman of the Executive Committee, I appointed a committee to study the representation on the Executive Committee with consideration to the possibility of broadening the representation from the churches on the Executive Committee. This study committee consisted of W. S. Brown, Chairman, Paul Weaver, and Kenneth Mercer. The committee's report included information of representation patterns in other Associations. The Executive Committee decided to explore the idea of wider representation by making a closer check with the grass roots. It is the recommendation of the executive Committee Chairman that the new Executive Committee continue exploration of this matter.
8. The Executive Committee appointed Clyde Patterson of First Church, Wilson, as the Associational Music Director to fill the vacancy created by the leaving of John Thompson.
9. Ben Hopkins was appointed to serve as Chairman of the Builders' Club Committee in place of Leslie P. Yelverton.
10. Assisted H. C. Moss in the planning of the program of the Annual Fall Session.
11. Under the leadership of Leonard Gerrald, Sunday School Director, the Executive Committee planned and held an effective Sunday School Director - Pastor Banquet at Robersonville on September 12.
12. Encouraged the Camp Ground Committee to carry out its plan for extensive work at Camp Contentnea.
13. Set the dates of October 23-24 for the Annual Fall Session in 1973 subject to the approval of the Association as it meets this session.
14. We recommend that we have another World Missions Conference in the spring of 1974 or as early thereafter as it can be arranged with the Mission Boards.

The Executive Committee recommends the adoption of the Associational

Budget for 1973 as prepared and presented by the Finance Committee and revised by the Executive Committee.

Respectfully submitted,
D. RUSSELL MYERS, JR., Chairman

ASSOCIATIONAL MISSIONARY'S REPORT

This has been a year when we have tried to change the trend in enrolment and average attendance in the Sunday School and other church organizations, and the number of new converts that our churches report that they have baptized. For several years these statistics have been on a downward trend. The Digest of Letters prepared by the Clerk reveals some successes and many failures to accomplish these objectives.

MEETINGS: It has been my joy to work with the elected leaders of the Association in planning, promoting, or participating in 45 Associational Meetings during the year. The reports of the organizations emphasize some of their outstanding accomplishments.

MISSION VACATION BIBLE SCHOOLS were conducted by Arlington Street and Washington Second. There are many places, housing developments, and trailer parks where mission Vacation Bible Schools would reach many children, but it takes a faculty that is willing to spend another week working in Vacation Bible School after the school at the church is completed. This is a real mission action.

RELIGIOUS SURVEYS were made in selected areas in east Greenville by Immanuel, and in Southwest Wilson by the churches of Wilson working together. Materials were provided to the New Hope Church for a survey of that community. The Missionary assisted the pastor at Elm City in preparing survey assignments to rework the survey of their community but the date for it was postponed. Your Missionary is now preparing the materials for a city-wide survey in Greenville in February with the

churches of all denominations working together. The Mildred Church has had an unusual growth this year, and on a recent Sunday the Pastor said, "It was the census that you helped us take that got us started".

PROMOTION by communication is still one of the necessary tasks of the Associational office. During this year we have mailed 25,251 copies of the Baptist Review, 4,912 pieces of Third Class mail, and we have used 1,243 stamps and post cards in communicating the programs and causes of the Association and the Conventions. Your Missionary has filled 93 appointments in our churches during the year, and 24 other speaking engagements, including morning meditations on television, mission Bible Schools, the Army Reserve and National Guard, and the Hamilton Baptist Home.

Out of the Association I attended the Baptist State Convention, the State Vacation Bible School Clinic, the Evangelism Conference, the Southern Baptist Convention, and Home Missions Week at Ridgecrest, and State Planning or Briefing Meetings of Sunday School, Brotherhood, Royal Ambassadors, and Church Training. I have conducted one Royal Ambassador Leadership Course for the Brotherhood Department, and represented Ecuador in the World Missions Conference in the West Chowan Association.

THANK YOU for giving us so many opportunities to work with you in serving the Lord.

Respectfully submitted,
JOHN A. MOORE
Associational Missionary

SUNDAY SCHOOL REPORT

Many of our Associational Sunday School Officers attended the State Vacation Bible School Clinic at Wingate College. They came back to have three Clinics in the Association: at Five Points in Wilson, Second Baptist in Washington, and Everetts Baptist in Everetts.

An Area Real Life Conference was held in Raleigh with several of the Sunday School Staff attending. A Real Life Conference was discussed among the pastors within the Association. Due to lack of interest, no action was taken on this.

The Associational Sunday School Staff met for a planning session and agreed to have Training Schools upon request from a church provided a mutual time could be reached. Two such schools were held in September at Arlington Street in Greenville and Memorial in Williamston. It was also decided to have a Sunday School Directors - Pastors Banquet at Robersonville. The plan was to take an honest look at our churches to see the trend over the past fifteen years, to take a look at individual problems, and to set goals to meet the particular needs of the churches.

The Sunday School Staff has agreed to help any church(es) if possible, upon the request of the church or churches. If you need us as group or as individual team members, please ask for our help.

Respectfully submitted,
J. Leonard Gerrald
Associational Sunday School Director

BROTHERHOOD REPORT

There are many good things a Brotherhood can do. A unit of Baptist Men or a Chapter of Royal Ambassadors can furnish a base for leading men and boys to a deeper commitment to Christ, to missions, to prayer,

and to personal involvement. They will be challenged to take part in study and action which will inform and interest them to become mission minded Baptists.

We have, through the year, seen and heard reports of good things happening where men and boys are at the task.

Baptist Men will help perform specific tasks which only men can do in the local church.

Our Workshop was held at First Baptist Church, Farmville, led by our State Leadership, and our Baptist Men's Rally was held at First Baptist Church in Robersonville. An Associate in the Division of Evangelism, Jimmy Hinson, was the speaker. This was one of the highlights of the year. We did not hold the Man-Boy meeting this year.

In special tasks, this was what we did:

- (1) Held several work days at Camp Contentnea;
 - (2) Initiated an annual drive for funds for Camp Contentnea which is now going on;
 - (3) Gave extra promotion to the State Missions Offering.
- Our new Associational Brotherhood Director, Brother Willard Finch, Winterville, has the following planned for the coming year:
- (1) Complete the Associational Brotherhood Staff to broaden the work in the Association;
 - (2) Baptist Men's Workshop, with State Leadership, on Saturday, December 2, at 5:30 P. M., with a break for supper;
 - (3) Baptist Men's Rally, Saturday, January 13;
 - (4) Continued effort in behalf of planned improvement at Camp Contentnea;

- (5) Cooperation with National and State Brotherhood projects.

As I rotate out as Brotherhood Director, I want to take this means to thank you all who have been interested in Brotherhood work. I ask for your continued effort for our new Director. There is so much men can do as we try to advance the cause of Christ.

Respectfully submitted,
J. R. JONES, Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

Of the 51 churches in the South Roanoke Association, 45 have at least one age-level WMU organization. For the second year, the Associational WMU will qualify as DISTINGUISHED.

On September 14, 1972, the Leadership Training Conference was held in Stantonburg. 51 were present at the afternoon session and 75 at the evening one, making a total of 126, with 21 churches represented. The age-level directors led the conferences.

June 19-23 were the dates when the Associational Junior Camp was held at Chowan College, Murfreesboro. Children ages 9, 10, and 11 enjoyed the activities planned by Mrs. Stanley Rowland, Director, Mrs. David Pope, Assistant Director and Registrar, and Mr. John A. Moore, Associational Missionary. Ronnie Eason served as Camp Pastor. A different Missionary was present each day and talked formally and informally with the 97 children attending.

Dr. Calhoun Johnson, returned missionary from Chile, led the Bible Study at the Associational WMU Prayer Retreat on May 19, in the Stantonburg church. Mrs. C. U. Rogers, Assistant Director, presided and W. S. Caudle directed the group singing.

Miss Sara Ann Hobbs, the North Carolina WMU Executive Secretary, was guest speaker at the WMU Annual Session which was held on March 21.

In Elm City. Twenty-two churches were represented with 147 people registering.

Manual Study Classes, taught by the age-level directors, were held at Williamston on October 24, 1971, with 39 receiving credit, and in Fountain on November 8 and 15, with 36 finishing the study course.

The Association was represented at the following State and National activities: The Associational Officers Leadership Conferences at Fruitland and Mundo Vista in August; WMU Week at Ridgecrest, August 10-16; Southern Baptist Convention and the Annual Session of WMU in Winston Salem on March 14-16; The Day Camp Workshop at Mundo Vista on March 3 and 4; and Girls In Action and Acteens were present for Camp at Mundo Vista several weeks during the summer.

The following age-level activities were also provided:

ACTEENS, Mrs. Douglas Moore, Director: "I Gotta Be Me" was the theme of the Acteens Get-to-gether on April 14 in the Fellowship Hall, First Baptist Church, Tarboro. 94 Young ladies joined in the time of inspiration, fun, food and fellowship. They then divided into small vocational rap sessions led by Violet Carlton, a teacher; Joyce Beaman, an author, Nancy Morris, a nurse, Vickie McKibben, a musician; and Barbara Venters, a beautician.

GIRLS IN ACTION, Mrs. John E. Marr, Jr., Director: Day Camp was held at Camp Contentnea on July 8 for girls 6, 7, and 8 years old. Miss Agnes Whichard served as Camp Director but Mrs. Marr was present and assisted. The theme "Exploring Mexico" was used. 68 girls, leaders, and assistant leaders were present. A Mission Action Fair was held on February 19 at the Immanuel Baptist Church, Greenville, when Miss Ernelle Brooks, missionary to Nigeria, was the speaker. Fourteen churches were represented with 144 people registering. Mission Adventure work from five churches was on display. Three churches gave short skits. Mrs. Marr recently moved from the Association and Mrs. Tommy Singleton became Director on October 1.

Dawson, Belhaven, and Mrs. Henry Johnson, Farmville. Other officers include Mrs. Jennings Teal, Baptist Young Women Director; Miss Pearl Best, Secretary-Treasurer; Mrs. C. U. Rogers, Assistant WMU Director; and Mrs. Ruth B. Garner, WMU Director.

Signed,

Ruth B. Gardner, WMU Director

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two Associations have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing.

Over 2,400 pastors and laymen attended the 26th Statewide Evangel-

ism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through their churches.

The Division of Evangelism of the Baptist State Convention, in cooperation with the Department of Communications and the Division of Church Programs, sponsored a statewide Communications, Evangelism, and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week, with inspiration and training in evangelism, vocational guidance, and recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present. On Friday evening 113 youth made different kinds of public decisions. Another such week is planned for June, 1973.

Several thousand youth, pastors, and adult leaders attended the second Statewide Youth Evangelism Night on August 18 at the Greensboro Coliseum. It is evident that God is working through Christian youth today to share his gospel in a thrilling and significant manner.

In our Association we see a wonderful change in trends. Several churches are reporting a great increase in baptisms. There is a moving of the Holy Spirit in the hearts of the unsaved and upon the Christian witnesses.

During the year I assisted the Brotherhood Director in securing a speaker for the Baptist Men's Rally. Jimmy Hinson, Associate in the Division of Evangelism, spoke to a large group. The Youth of Five Points, Wilson; and from Oak City were a great help with the program of the Associational Evangelism Clinic at Bethel.

On November 20, at Immanuel Church, Greenville; Bill Lamb will direct a Pastor's Retreat in our Association. As a result of this retreat, Pastors can conduct Lay Evangelism Schools in their churches. On February 5-7, 1973, the 27th Statewide Evangelism Conference will be held at the Owens Auditorium, Charlotte.

Let us rejoice in the excellent reports of revival meetings, city-wide evangelistic crusades, and associational evangelism clinics during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many persons may experience Christ by genuine faith and commitment.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation, and our world.

Respectfully submitted,
WILLIAM S. BROWN
Chairman of Evangelism

REPORT OF THE MISSIONS COMMITTEE

These are tremendous days in which we live. Billions are being spent for getting men to the moon, while comparatively little is spent getting men to God. If you were to put two cars side by side on a highway and let one go at 10 miles per hour and the other go at 100 miles per hour, the one traveling 100 miles per hour could represent the population growth in the world; the one traveling at 10 miles per hour could represent the growth of Christianity.

If we do not turn from our bashfulness, and our timidity, and stop being so modest and sheepish about the Lord Jesus Christ, we are going to find ourselves in a pagan world. In the year 1800, 25 percent of the known world was evangelical Christian. In 1900, 15 percent of the world was Christian. By 1980, the estimate is that only 4 percent of the world's millions will know anything about Jesus as Savior-Lord. And by the year 2000, there will be less than 2 percent of all the world that knows Jesus Christ as Lord, and in the decade that follows, only God knows what will be the outcome. At our present rate it would take us 5000 years to win those who are alive on earth if there were no more births. Unless our God intervenes and sends forth a fresh outbreak of New Testament evangelism, our children's children may grow up in a world where the name of Jesus Christ is seldom heard.

There has never been a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of our complacency, then every Christian should be alerted today to the urgency of the Gospel in this Space Age.

As we look at the Digest of Letters we see that we have done well in giving to State, Home, and Foreign Missions, and also to the Cooperative Program. We thank God for this, but let us not be overcome with the task of reaching the lost around the world and neglect to witness to those we are meeting daily in our churches and Association. There may be many who are lost in the territory of our Association, and they live near our churches. We must strengthen the home base if we are to bear a strong witness to the world.

Did your church support our Associational Missions Program last year? We thank God for Rev. John Moore and the fine work he is doing, and let's be sure that he continues to get our support.

We are happy to report that the Riverside Church in Plymouth continues to show growth, and that they now have a full time pastor, Rev. James Lochridge.

The Second Baptist Church, Washington, conducted a Mission Vacation Bible School in the Public Housing Project in Washington where they maintain a branch Sunday School.

The Arlington Street Baptist Church, Greenville, held a Vacation Bible School at Shady Knoll Mobile Home Park. This is an annual project of the Arlington Street Brotherhood as they make use of the Association's tent. The Bible School this year was one of the best.

For some time we have seen the need for another Baptist Church in Wilson. In the Spring of this year the Associational Missionary and the Chairman of the Missions Committee met with the Pastors and leaders of the Baptist churches in Wilson to explore the need for a church in the Southwestern section of Wilson. At this meeting Committees were appointed, and shortly afterward a census was taken of this area. The census revealed that there were 148 unchurched people of Baptist preference, 85 of no preference, 225 not in Sunday School, representing 104 families that were considered prospects. We see a great need for a Church in this section, and we must work so that our prayers and dreams will become a reality.

It is the recommendation of the Executive Committee that we have another World Missions Conference in the Spring of 1974, or as early as the Missions Boards can supply the Missionary speakers.

If you know of areas where Mission Points are needed, areas where a Baptist Church ought to be organized, your Associational Missionary

and Your Missions Committee will be glad to work with you in accomplishing this effort.

BAPTIST CHILDREN'S HOMES REPORT

The wealth of the nation is not to be counted in terms of billions of dollars, but rather in the boys and girls of America. Our future, and that of the free world, will depend on what type of future adults we are now training to be the leaders of tomorrow. In this respect, we hope to instill in our young people the everlasting desire to seek a spiritual understanding with their neighbors here and abroad.

As North Carolina Baptists, we have the opportunity to help teach and train many young people in our state. The Baptist Children's Homes Of North Carolina, Inc., seeks to provide care, support, and training for dependent and neglected children. No task is more important to the Homes than helping a child, hurt by life, to grow into healthy, well adjusted, responsible citizenship. As North Carolina Baptists, we are given an opportunity to serve as caretakers of these young people at this time in their lives. Perhaps in the years to come these same people will seek to help others, and in so doing, will maintain the constant need to minister to this special group in our state and nation.

Today, we are asked to give more than ever before. The cost of maintaining the physical property of the various Children's Homes is enormous. To construct or renovate buildings that we need at the present time, we must compete for men and materials in an area of our economy that is highly competitive and costly. To carry out these programs of new construction and daily maintenance, the Baptist Children's Homes of North Carolina, Inc., is entirely dependent upon the contributions of Baptist Church members throughout the state of North Carolina. Through the Cooperative Program and the special Thanksgiving Offering we are able to share in the building of future Christian adults as well as new physical plants to house young boys and girls yet unborn. Could anything be more important to us today?

KENNETH K. DEWS, Representative

REPORT ON THE BAPTIST HOMES FOR AGING

Our ministry began twenty one years ago. During this period our work has grown in size and quality. We now have five resident Homes and a Nursing Care Unit. This year a new addition has been added to our Nursing Care Unit which means that nursing care can be provided for 81 patients. The total capacity of our resident homes and Nursing Care Unit is 243.

It has been a good year for our Homes For The Aging. The special offering in February provided about 20% of the annual budget, while 10% came from the Cooperative Program. These sources of income should be increased annually as the majority of the residents in the Homes are persons with real financial needs.

We are fortunate that the Hamilton Home is located in the Association. Our people are invited to visit the home and become better acquainted with the people and with the work being done here.

We are proud of our ministry to the aging. We need to strengthen

and enlarge this work of compassion and love.

PERCY B. UPCHURCH, Representative

CHRISTIAN HIGHER EDUCATION REPORT

The Baptist Colleges in North Carolina continue to be grateful for the financial support which comes from the Cooperative Program. This support is vital if our colleges are to continue providing the needed educational opportunities and at the same time remain operationally sound. During the past year, the amount received by our colleges from the Cooperative Program were:

Campbell College	\$311,688	Meredith College	270,322
Chowan College	192,400	Wake Forest University	467,532
Gardner Webb College.	213,564	Wingate College	<u>198,172</u>
Mars Hill College	270,322	TOTAL	\$1,924,000

FUTURE OF OUR BAPTIST COLLEGES

With an estimated 300,000 vacancies in colleges throughout the United States and the cost of operations and capital improvements ever increasing, many colleges are faced with serious financial and enrollment problems. Space does not permit a discussion of the causes but many are certain to continue and even worsen in the years ahead. Unfortunately, our Baptist Colleges are not immune to these problems. It is predicted that a significant number of colleges in existence today will be closed by 1980, unless they adopt aggressive academic and capital programs and find the means to implement these programs. This need not, and must not, happen to any of our colleges.

Perhaps our most pressing need is a greater awareness by our Baptist ministers and laymen of the serious situation facing our colleges and a willingness to devote some of our time and resources to fund raising efforts which in many cases is the only way to make needed capital improvements. We should at every opportunity recommend our colleges to young people, and by so doing, assure the future of our colleges and the continuance of Christian education which is badly needed and sorely lacking in much of our nation today.

HIGHLIGHTS OF THE PAST YEAR

Dr. John E. Weems became the sixth president of Meredith College. He was formerly Vice-President for finance and administration of Middle Tennessee State University.

Gardner-Webb College received accreditation as a four-year college by the Southern Association of Colleges and Schools.

Seventy young men and women from the seven Baptist colleges worked in churches across North Carolina through the Baptist Youth Corps program. Their salaries are paid jointly by the colleges and the churches.

The inclusive enrollment of the seven North Carolina Baptist Colleges during the past academic year was 16,609.

CHRISTIAN LITERATURE REPORT

This report will be in two sections. The first is J. Marse Grant's 1972 report of the Biblical Recorder. Think of what it has meant to our state and denomination as you read or listen to his words.

"THE BIBLICAL RECORDER is nearing the 100,000 mark in circulation, thanks to churches and individuals all over the state who have helped to

bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every home in North Carolina.

"Not only in circulation progress, but in other ways, this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well known pastor and writer, came with the RECORDER as field representative. He will be speaking in Association, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

"This is also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

"As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word."

The second section of this report is a reminder that your brain is a computer, God's gift to you. Think about this, then pass the idea on to others. Even a small child can understand.

Sit down for a moment and make a list of all the printed material available to Southern Baptists. Do you subscribe to any of these? Do you read them? Are there more? Are they for someone else?

"Reading is still the fastest way to program the human brain."

We have the people, we have the literature, so get all these computers busy, working for God.

Respectfully submitted,
MRS. MARVIN M. EVERETT, Representative

BUILDERS' CLUB REPORT

Your Builders' Club stands ready to help new missions or churches with funds to be used for the purchase of lots or for needed construction. Over the past twenty years the Builders' Club has given help to many churches that enabled them to launch badly needed building programs.

During 1971-72 the Committee has not had any request for help from any needy church or mission. We close the year with a balance of \$1,545.72. We will need to build this balance so we will have funds to answer the requests that we may receive. We appreciate the willingness of the Builders' Club members to help in this way, over and above their regular church offerings, and we need to enlist others who will join the Builders' Club and join with us in this work.

Respectfully submitted,
BEN HOPKINS, Chairman

CHURCH TRAINING REPORT

The opportunities to use the Church Training Program creatively in 1972-73 are unlimited. Most churches have some type of training, either

recognized or unrecognized. Any training you do in the area of church responsibility is the work of this department. This is true whether the program is held on Sunday night or at some other time.

New concepts in tournament participation have been developed and offer a challenging and worth-while program to all churches large and small. We encourage every church to enlist particularly its children ages 9-12 and its Junior High Youth in the Scripture drills that teach us the Bible in a way that it is not taught by any other church organization.

Church Training is the arm of the church to train its members in ministering to the needs of the community, as well as the congregation. It is also the arm of the church for training new members, Sunday School teachers, Missionary leaders, deacons, and committees.

For example, one church in the Association this year has conducted an extensive program of training that included such courses as follows: Old Testament Survey, Bus Ministry, Witnessing, Weekday Bible Survey, Sunday School Leadership, Human Relationships, and New Member Orientation.

Basically then, in today's church the Training Program meets three important needs: First, new member orientation, membership training, and Leadership training. Many churches seem to think that such a program must begin on a large scale or not at all. The truth is that if you have a pastor who is concerned about teaching new Christians the meaning of their new found faith you have a training program. Further every church needs a systematic plan for discovering and training leaders.

In the South Roanoke Association this year I would like to urge you to invite your Associational Training Officers to your church for a demonstration program of what a vital training program can mean to the life of your church family.

Respectfully submitted,
J. MONTE BISHOP
Church Training Director

REPORT OF THE STEWARDSHIP COMMITTEE

The one big emphasis of your Associational Stewardship Committee came on the last Sunday of this church year. At the urging of the Committee 29 of our churches agreed to participate in a joint Missions - Cooperative Program day. With Meredith College and our State Convention staff providing speakers for the emphasis, those churches that participated were privileged to get an overview of our Baptist work which, it is believed, will stimulate our thinking and our support for some time to come. For whatever success was ours in this effort we would especially thank Mr. Tom Greene who tirelessly and gladly assisted the Association in the planning and promotion of this day.

Now, I would like to speak to you about the word "Stewardship". In the narrow interpretation of the word, Stewardship has come to be associated almost exclusively with money and its use. Since money is in reality the congealed product of the time, energy and ability we have invested in its procurement, it represents in a very real way an important part of ourselves. Moreover, if one were to study how it is spent, he will discover what it is that commands a person's attention, that is, what occupies the primary place in that person's life. So, for each of us who has openly acknowledged Christ as Lord, it is important that we show

to the world that the claim of Christ applies as much to that which tangibly represents our time and energy and ability as it does to anything else.

In its broader context stewardship represents much more. To him who, upon placing his offering in the collection plate, thinks he can dismiss his Christian responsibility, the fuller meaning of the word Stewardship offers no real comfort. Today's world is demanding that its people get involved in some constructive program of easing the ills and suffering of a torn, twisted, tortured humanity. From its inception, the Christian faith has used this idea of involvement as one of its watchwords. But if we, like others before us, are to be proper stewards of this heritage, to be involved means the dedication of one's heart and mind as well as one's time and energy and talents toward some area of human need. To be sure, this embraces the thought of service in and through the church; but we cannot confine it there if we are to be effective witnesses for Christ in today's world. Somehow, the stewardship of our selves must be directed toward the marketplaces, the sweatshops, the slums, the prisons and the young, or else we may very well wake up to see that we have been "weighed in the balances and found wanting".

Respectfully submitted,
JACK HOLT, Stewardship Chairman

REPORT ON BAPTIST HOSPITAL

The Baptist Hospital's distinctive ministry lies not only in its care for charity patients, but in the service it renders to all its patients, and to many others throughout our state, nation, and around the world.

As an academic medical center it is engaged in research and education, as well as patient care. The ministry of research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry extends around the world. Graduates of Bowman Gray School Of Medicine serve in 88 N.C. Counties, 47 states, and in 25 other countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of patient care is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. With elaborate equipment and highly skilled specialists available for diagnosis and treatment, we are able to provide care which is available only in a large medical center. Ours is one of only 108 such medical centers in the U.S.

A second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Last year, charitable allowances totaling \$1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of \$370,000 helped make this charity work possible.

The operating deficit has been eliminated and the hospital is now operating "in the black". The new patient tower is being completed and some departments have moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and out-patient clinic, is scheduled to be completed in 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan. It is a goal which Baptist Hospital seriously strives to attain.

Report prepared by,
CALVIN S. KNIGHT, Baptist Hospital Staff,

Reports

REPORT OF THE EXECUTIVE COMMITTEE

The Associational Executive Committee met during the Associational year on Nov. 7th, Jan. 23rd, May 29th, Aug. 28th, and Oct. 2nd.

The Report of the Executive Committee consists of the combined reports of the Officers and Committee Chairmen appearing in the Book Of Reports to the Nineteenth Annual Fall Session, however let me review some of the items of business conducted during the year.

1. Appointment of the Standing Committees for the year.

2. Associational Officers, Moderator, Vice-Moderator, and Clerk were named as officers of the Executive Committee.

3. Approved the applications for funds from the Baptist State Convention Division of Missions for aid on the Pastor's salary of the Pamlico Baptist Church, and for a grant for the purchase of a building site for the Riverside Baptist Church.

4. Held workshops on Pastor-Church Relations (Pastors and Church Staff Members compensation) one in Wilson and one in Williamston.

5. Decided to recommend that one session of the 1975 Annual Fall Session be a joint session with the North Roanoke Association in celebration of our 20th anniversary if the arrangements can be worked out with the North Roanoke Association.

6. Sponsored three Sunday School Revivals, which were held in Wilson, Greenville, and Williamston, with leadership from the State Sunday School Department.

7. Requested Paul R. Waters to prepare a suitable Resolution against Liquor-By-The-Drink to be submitted to the Messengers to the Annual Fall Session for their consideration.

8. Replaced needed Associational Officers as vacancies occurred.

The Executive Committee offers two recommendations:

(1) That the Associational Budget for 1974 as prepared by the Finance Committee and approved by the Executive Committee be adopted.

(2) That one session of the 1975 Annual Fall Session be a joint meeting with the North Roanoke Baptist Association, and that the Association instruct the Executive Committee to work out the necessary details.

Respectfully submitted,

H. C. MOSS, Jr., Chairman

REPORT OF THE ASSOCIATIONAL MISSIONARY

Thank you for the many invitations that you have given me to serve in the churches during the year, and for the response of the church leaders to the many meetings that have been planned and promoted by the Association and its organizations for the instruction and inspiration of the workers in the churches. The statistical tables show more successes than failures in achieving the goals that we have been trying to reach this year.

The Associational Missionary has given assistance in planning and promoting many Associational Meetings during the year. Some meetings that are especially worthy of mentioning here are the quarterly Youth Rallies, the Sunday School Revivals, the Deacons School, the Pastors' Salary Study Meetings, and the Royal Ambassador Missions Fair. We will not catalog here the regular meetings held by the Associational Organizations, though many of these were outstanding in program content.

Out of the Association the Missionary has attended the State Con-

vention, Evangelism Conference, the Men and Boys Convention, and conferences at Ridgecrest, Caraway, and Fruitland. I served as Guest Missionary of the North Roanoke Association G. A. Camp, and was guest speaker for the Associational Baptist Men's Meeting in the West Chowan Association. I assisted in the Brotherhood Planning Meeting in the Chowan Association. I spent two days in the Robeson Association on a Committee to study their Associational Missions program and to prepare recommendations to their Associational Board. I was guest preacher in a revival in Franklin, Ohio, in a church that was begun by the Pioneer Missions program of the Home Mission Board.

City-wide Religious Surveys were conducted in Greenville, Washington, and Williamston, with people of all denominations participating. These were launched as part of the KEY-73 program.

The TENT was used by the Union Baptist Church of the North Roanoke Association for a revival meeting west of Rocky Mount in which 31 made professions of faith.

Eagles maintains an Extension Bible Class which meets at irregular intervals. Washington Second maintains a Branch Sunday School in the community center building of the public housing project in Washington with 25 enrolled. They held a Vacation Bible School there in June. Tarboro First maintains four church-sponsored institutional missions in Tarboro: A weekly Sunday School and preaching service at Edgecombe Hospital; A weekly Extension Bible Class at Edgecombe Acres Rest Home; And Monthly Fellowship Groups are held at Guardian Care Rest Home and Edgecombe Rest Home. Several other churches conduct irregular ministries in institutions where regular weekly services or Bible Classes should be conducted.

Communication is still the main job of the Associational Missionary. In addition to 90 speaking engagements in the churches, the Missionary has met with 38 Committees, and 80 other small group meetings, and could count 1,582 individual conferences. We mailed 28,577 copies of the South Roanoke Baptist Review, 7,293 pieces of Third Class mail, and used 2,200 8¢ stamps and postcards. Our "Postage Due" on second and third class mail that was returned with corrected addresses totaled \$22.12. Please send us a change of address when you move, and please read your mail from the Association.

The World Missions Conference that you voted on last year has been scheduled for September 6-12, 1975. We will be paired with the North Roanoke Association for this program. If each of our Associations can enlist the same number of churches so the Missionary speakers can spend a week in each Association, it will reduce the total expense, and perhaps enable us to enlist some special people to come from the mission fields to speak in our churches. Please write this date in your long range calendar now, and do not let any revival meeting or other program interfere with your church's participation in the wonderful experience of a World Missions Conference.

The TOGETHER WE ADVANCE PROGRAM, adopted by our Convention last year, suggested that churches adopt goals of 10% gains in Baptisms, Sunday School enrolment, Cooperative Program gifts, and Associational Missions gifts, each year for three years. These are reasonable goals and several churches have reached them this year. We are especially pleased with the increase in Cooperative Program giving. But remember, these suggested goals are FOR EACH YEAR FOR THREE YEARS.

Let me commend the leadership of the Associational Organizations. These are training specialists who are available to help the leadership of your church in training programs designed to give them better skills in doing the church jobs that your church has given them to do. Call on them to help you.

It is time that our Association gave consideration to the need for an Associational Office Building, that would provide office space, a work room, a conference room, and adequate storage space for the equipment and supplies.

Respectfully submitted,

JOHN A. MOORE, Associational Missionary

EVANGELISM REPORT TO THE ASSOCIATION

"Sharing Christ Now" was the theme of the 27th Statewide Evangelistic Conference in Charlotte, February 5-7, 1973. Over 2,400 pastors, and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, had an emphasis on prayer and personal renewal.

The Division of Evangelism of the North Carolina Baptist State Convention has encouraged churches to participate in Key-73. One hundred fifty denominations are sharing in this evangelistic emphasis. The purpose of Key-73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit did through the ministry of the first summer youth evangelistic team serving under the direction of the Division of Evangelism. Three college students, Steve Stout, Cooleance, Terry Crouse, Lenoir, and Christy Farrior, Williamston, worked in churches from Marshall to Washington. They led in music, preached in youth revivals, and directed youth witness training sessions.

During June 11-15, 1973, over 750 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly. The emphasis was on Evangelism, Vocational Guidance, and Recreation. Eighty one youth made various decisions, including sixteen professions of faith.

The third Statewide Youth Evangelism Night was held on August 17 at Greensboro Coliseum. Over 12,000 youth, pastors, and adult leaders attended. It is exciting to see the response of the Youth and how God is using the witness of thousands of them across our state in a tremendous manner.

The response of the youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training. They represent 720 churches and 34 Associations. Also, 107 pastors from nine Associations shared in Pastors Retreats to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism, in cooperation with the Department of City and Metropolitan Missions, sponsored a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Seminary. The theme was "Reaching The Cities For Christ".

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

The Rev. William C. Lamb, Director of the Division of Evangelism of the Baptist State Convention, was in our Association last November for a Pastor's Retreat. The Retreat was held at the Immanuel Baptist Church, Greenville, on November 20. 21 pastors attended representing 21 churches.

Let us thank God for the excellent reports of revival meetings, citywide crusades, and evangelism clinics. Remember to pray for the "Together We Advance" emphasis, that we may strive to attain a 10% increase in baptisms, Cooperative Program gifts, Bible Study enrollment,

and Associational Missions Gifts.

Respectfully submitted,
WILLIAM S. BROWN, Chairman Of Evangelism

REPORT OF THE MISSIONS COMMITTEE

It has been my pleasure to serve as your Chairman of Missions for the past five years. During this time we have seen our churches become more mission minded as they have given of themselves and means to the spread of the Gospel in our Association and around the world.

The Nominating Committee has enlisted Harold Mitchell, Five Points, to serve as Chairman of Missions next year, and I am sure he will have the same cooperation that the Executive Committee and the Associational Missionary gave to me. Thank you for your support.

Jesus' command to us is, "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you, and lo, I am with you always, even unto the end of the world", Matthew 28:19-20. Here Jesus summed up God's purpose in the world, and the objective toward which God's people must ever move in full dedication if they are to be in His will.

With the rapid growth of Eastern North Carolina, and especially the cities like Greenville and Wilson, it appears that additional churches should be organized. Last year a study of this need began in Wilson to establish a work in the southwestern section of that city. As they continue their study and consideration, the Missions Committee will be happy to assist them in their efforts.

At our last Associational meeting it was recommended by the Executive Committee that we have another World Missions Conference in the spring of 1974, or as early as the mission boards could supply the missionary speakers. The earliest date that the mission boards can supply us with speakers will be the fall of 1975. The date that they have given us is September 6-12, 1975. We recommend that our Association accept this date and begin enlisting our churches to participate.

God has blessed our efforts together, and our cooperation with Him in His kingdom's work. But there is much yet to be done. May this be the time when we give Christ total dedication of ourselves, and His great cause in the world.

Respectfully submitted,
HORACE G. THOMPSON, Chairman Of Missions

REPORT OF THE BUILDERS' CLUB COMMITTEE

During this year the South Roanoke Builders' Club has not had a request for assistance from any church or mission. We close the year with a balance of \$1,610.30, which is invested in a savings account where it will draw interest until some new or needy church or mission asks the Committee for help.

The purpose of the Builders' Club is to give "aid in purchasing lots, and aid in erection of buildings of Baptist Churches and Sunday Schools, and the improving of needy existing ones in this Association". Funds come from interested members who are willing to give, up to \$10.00 per year, over and above their regular tithes and offerings, as a direct grant to new or needy churches or missions to help them purchase lots or erect church buildings. Thank you for your support when you are called upon.

Respectfully submitted,
BEN HOPKINS, Chairman

WOMAN'S MISSIONARY UNION REPORT

On October 1, 1972, there were 42 churches that reported, through the church letters, that they had at least one missionary organization. Since that time Baptist Women organizations have been started at Milledred, and Pender's Chapel. The Baptist Women of Belhaven have reorganized, and new work has begun with Acteens, Girls In Action, and Mission Friends. Washington Second did not report last year but, we understand that there are two active groups of Baptist Women and a Girls In Action group that meets regularly.

For the third consecutive year, the South Roanoke Associational W M U is Distinguished, the highest rating to be attained under the Achievement Guide.

The W M U Director attended each of the quarterly meetings of the South Roanoke Executive Committee, reported progress of the W M U, and helped to plan, coordinate and evaluate the total Associational Program.

Quarterly meetings of the Associational W M U Council were held as well as the Annual Session.

Six ladies attended the North American Baptist Women meeting in Toronto, Canada, in October, 1972. Representatives were also present at the other State and National meetings as listed below:

The Day Camp Workshop, Mundo Vista;

The North Carolina W M U Annual Session, Raleigh, March 13-14;

Baptist Women Retreats, Mundo Vista, 3 different times in May;

Camp Mundo Vista was attended by Acteens and Girls In Action several weeks during the summer;

Phyllis Mayo, Stantonsburg, served as Counselor at Mundo Vista;

W M U Week at Ridgecrest, August 9-15;

The Associational Leadership Conference, Mundo Vista, August 31 - September 1.

Williamston Memorial was the scene of the W M U Annual Session on March 20, when the Rev. Tony Brewington, Missionary of the Burnt Swamp Association, brought the message. Miss Nancy Curtis, the new N C Baptist Young Women Director, outlined the many facets of the Heck-Jones Offering. She also met informally at lunch time with the B Y Ws who were present. Twenty six churches responded to the roll call and 180 remained for the lunch prepared by the local ladies. A nursery was provided.

Mrs. D. Calhoun Johnson, a former missionary to Chile, led the Bible Study at the Annual Prayer Retreat at Camp Contentnea. Mrs. R. C. D. Beaman coordinated the plans for the day. There were 53 persons present from 14 churches.

At Chowan College, Murfreesboro, from June 25-29, the Associational GA-RA Camp was held with 102 Campers and 16 Counselors from 22 churches. 19 professions of faith were made, 7 volunteered for special service, and 44 rededicated their lives. Miss Marjorie Spence, retired missionary to Chile, was guest missionary. She spoke, held group and individual conferences each day. In the absence of a Camp Director, the Associational Missionary, John A. Moore, his wife, Julia, Mrs. David Pope, Assistant Camp Director and Registrar, Camp Pastor Harold Greene, his wife Sandra, Camp Nurse, Mr. and Mrs. Larry Thompson led the music, Mrs. Ruth Garner, W M U Director, Mrs. Tommy Singleton, Girls In Action Director, Ricky Holliday, Beth Taylor, Gail Taylor, Jana Holcomb, Lorrie Crigger, and Debbie Barnhill, worked together for an excellent Camp.

In preparation for the year 1973-74, an Area Leadership Conference was held at the First Baptist Church, Wilson, on September 14, when

State W M U Personnel taught the age-level manuals.

Plans are being made for meetings to be held in five areas of the Association, probably in November, when the newly-elected W M U Directors can discuss informally their plans and problems.

BAPTIST WOMEN DIRECTOR - Mrs. J. W. Miller

The Associational Baptist Women Council meets quarterly to plan and discuss the work in the Association.

Two women from Farmville and three from Robersonville met with the women of Mildred. We carried materials, led discussions, and offered suggestions. They decided to organize. Pender's Chapel has formed a Baptist Women organization. Belhaven has reorganized.

Last September we had a different type of Baptist Women Workshop. Mrs. J. W. Miller led the conference for inexperienced officers, leaders and members. Mrs. Johnny Barnes and Mrs. Ruth Barnes, both of Five Points, explained the ways that Baptist Women study materials could be made more interesting and meaningful. Mrs. Robert L. Crook led the Mission Action conference.

The Baptist Women President's Luncheon was hosted by the Robersonville church on Tuesday, February 13, 1973, with about 50 women involved. Our State Baptist Women Director, Miss Kathryn Bullard, brought the inspirational message. Mrs. Virginia Hooks, Baptist Women Director of the North Roanoke Association, visited us. Mrs. R. Albert Bell was elected Associate Director and Mrs. Johnny Barnes was reelected Secretary.

Winterville has invoted the Baptist Women Presidents to meet there in February, 1974.

BAPTIST YOUNG WOMEN DIRECTOR - Mrs. Jennings Teal

At midyear, in March, churches reported 14 Baptist Young Women organizations. Although there have been no new ones reported, most of the existing ones report enlargement in their activities. We have been fortunate to have our enthusiastic State Baptist Young Women Director, Nancy Curtis, in our Association in March and September.

Our Associational B Y W was represented at the BYW Convention in Raleigh in the fall, and at the W M U Convention in March, and at the BYW Retreat at Mundo Vista in June, and the Young Marrieds Retreat in September.

ACTEENS DIRECTOR - Mrs. Douglas Moore

Five girls from our Association make up our Acteens Planning Committee. They serve for one year. Several committee members attended a week-end conference last fall at Mundo Vista to help with this responsibility. They planned and carried out their annual meeting with a Koffee House For Acteens, their Directors and leaders, held on April 6 at Winterville. As the 90 young people arrived hamburgers were served. Fun, fellowship, and reflective thinking were provided by the girls themselves.

Five new organizations have been reported as follows: Belhaven, Chocowinity, Everetts, Hamilton, and Webb's Chapel. An Acteens Newsletter is sent quarterly.

GIRLS IN ACTION DIRECTOR - Mrs. Tommy Singleton

The Girls In Action Missions Adventures Fair was held April 28 at First Baptist Church, Washington, with 211 members, leaders and parents in attendance. "G.A.s Care! Really Care!" was the theme for the day. Members from Five Points, Greenville Memorial, Trinity, and Winterville presented skits, which were informative and interesting, as well as entertaining. Jerry Potter, one of our N. C. Missionaries to the deaf, was guest speaker for the day and was a real inspiration to those present. John Thompson from Kennedy Home directed a song fest, which added a special spark to the total program. A number of G.A.s brought com-

pleted Missions Adventures work to display. A lunch of pizza, carrot and celery sticks, pickles, cupcakes and drinks was enjoyed by all.

A Day Camp for 1st, 2nd, and 3rd Grade G.A.s was held at Camp Contentnea. There were 48 in attendance from 7 churches. The theme was "God Loves All People". The girls participated in Bible skits, a mission story, crafts work, songs, games, and a hike in the woods. It is hoped that both of these Associational activities were meaningful for all who participated.

Mrs. Singleton attended the Day Camp Workshop at Mundo Vista in the spring, and the Associational Leadership Conference there on August 31 to Sept. 1. Girls In Action Leaders attended the Area Leadership Conference in Wilson which was led by Miss Pat Richie, the new North Carolina Girls In Action Director.

MISSION FRIENDS DIRECTOR - Mrs. Richard Dendy

At the fall leadership conference three were present in the afternoon and eight in the evening. Since then personal letters have been written to each leader sending songs suitable for this age child as well as additional materials. Two new Mission Friends have been organized during the year, at Belhaven and Immanuel. Mrs. Dendy attended the Day Camp Workshop at Mundo Vista in the spring. She resigned as Mission Friends Director on September 9.

MRS. RUTH GARNER, Associational W M U Director

BROTHERHOOD REPORT

The Brotherhood involves the men and boys of the church in a united effort to expand and strengthen the church's outreach and educational programs. Many significant Brotherhood accomplishments are done in such a quiet way that they remain practically unnoticed by the human eye, and that is good. Other accomplishments are very noticeable and sometimes serve as an action stimulus for others.

I feel that this has been a year of progress in Brotherhood, not only on the Associational level, but on the local level as well.

Upon assuming the office of Brotherhood Director, the guidance of the Lord was asked for, as well as that of Rev. John Moore, Associational Missionary, and Mr. J. R. Jones, past Brotherhood Director.

In the Brotherhood Report to the 1972 Annual Fall Session, five objectives were presented. Three were accomplished, and progress has been made on two.

Accomplished:

1. Baptist Men's Workshop, with Bob Watson, State Brotherhood Department, as leader, was held on Saturday, December 2 at Winterville.

2. Baptist Men's Rally was held on Saturday, January 13, at Hub's Reck, Belhaven, with over 100 men present.

3. National and State Brotherhood projects were supported through State, Home, and Foreign Mission programs, and prayer.

Progress:

1. While the Associational Brotherhood Staff was not complete, the Royal Ambassadors under the leadership of Wally Powers of Tarboro made outstanding progress. Jim Hardison of Grifton served as Mission Study Leader. Jim attended the State Workshop at Camp Caraway and then taught the Home Mission Study book, "No Man Goes Alone", in five churches. He attended the Foreign Mission Study Workshop in September and is prepared to teach "Passport To People" this fall on invitation from the churches.

2. The Brotherhoods in the Association are supporting the purchase of two canoes for the Royal Ambassadors to use at Camp Contentnea.

In addition to the above, a new Brotherhood was organized at Eagles

and we rejoice in this movement.

Each church was encouraged to observe Baptist Men's Day.

Much remains to be accomplished in Brotherhood work. Therefore goals for the new year must be outlined. They are:

1. Continue the canoe project for Camp Contentnea.
2. Strive to further develop the Associational Brotherhood Staff.
3. Organize additional Brotherhoods.
4. Encourage more Mission Action programs.
5. Encourage more WMU-Brotherhood sponsored projects.
6. Continue to encourage more church-wide participation in mission study courses.
7. Conduct a Baptist Men's Workshop with State Leadership during December.

8. Conduct a Baptist Men's Rally during January.

Through prayer and diligent work, we can accomplish these goals for the cause of Christ.

Respectfully submitted,

WILLARD C. FINCH, Associational Brotherhood Director

REPORT ON THE CHRISTIAN ACTION LEAGUE

The Christian Action League is actively engaged in an all-out campaign to defeat the referendum in a vote against liquor-by-the-drink on November 6, 1973. The plan of action is to organize a local county chapter in each of the 100 counties of the state. A multimedia advertising campaign costing \$250,000 is being projected to cover the State with the truth about what liquor-by-the-drink will do in North Carolina. All this is aimed at getting people to the polls on November 6. Complacency on the part of dry supporters could be the biggest danger that is faced in this campaign. Dr. Charles Petty, who has recently moved to Raleigh from Texas and who is the Director of the Christian Life Council of the Baptist State Convention, had this to say about "The Texas Story":

In 1970 Texas approved liquor-by-the-drink sales. The vote was 52% for and 48% against.

The irony was that the "drys" won 203 counties while the "wets" won only 51 counties.

The "drys" lost for two basic reasons. The first was that they didn't work very hard. Those in urban areas said, "We can't win, so why work?" Thus, they didn't work and the urban areas were lost by wide margins.

Those in rural areas said, "We can't lose, so why work?" Thus, they didn't work and the rural areas were won by narrow margins. Unfortunately, the large urban losses offset the small rural victories which resulted in a statewide defeat of the "drys", 979,868 for LBD, and 914,481 against LBD.

The second reason for the defeat was an economic one. To tell your story takes money. The "wets" had it, and the "drys" did not. Thus, a one-sided story was told, and Texans believed what they were told.

"Drys" must remember that every vote counts, and every voter must be told the truth. "Go quickly and tell".

As concerned Christian citizens, we can do several things:

1. Pray for the success of this campaign and for all of those who are involved in its promotion.
2. Help the local unit of the Christian Action League in your County in its efforts to inform the people, alert the citizens, and get the "Dry" vote out on November 6.
3. Give of your financial resources, of your time and talents in this

most vital vote for the welfare of our State.

REPORT ON BAPTIST CHILDREN'S HOMES

Christian Child Care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

Hundreds of dependent children are served from three primary centers of operation, namely: Kennedy Home in the east, Mills Home in the piedmont, and Broyhill Home in the west. From these centers North Carolina Baptists provide group care, foster home care, family services, pre-school education, higher education, and maternity care.

In Eastern North Carolina the Ten Star Builders Program continues to offer exciting opportunities for a great host of friends to share in developing modern facilities and the most up-to-date services for needy children and families. Although a new cottage for children is being constructed on the Kennedy Home Campus, the major emphasis of the Ten Star Builders Program for 1973-74 will be in the direction of the expansion of Odom Home at Pembroke. A challenge gift has already been promised for the construction of a Recreation Building. A campaign is under way this fall to raise funds for two family style cottages for children, and a residence for the Director.

In Eastern North Carolina we have a strong and growing group of families who have opened their hearts and homes to foster children. However, from time to time we have need for additional foster homes for some children who have special needs which cannot be adequately met in group care. If you are interested, write or call Kennedy Home, Kinston.

The Baptist Children's Homes of North Carolina have always operated on a very conservative budget. For this reason we have very little margin by which to cope with today's rising cost of living. Therefore we make a strong appeal to our Baptist people and other friends for increased financial support through the Cooperative Program, the Thanksgiving Offering, and special gifts. A 10% increase is desperately needed for us to continue an effective ministry at the present level. It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for the boys and girls we serve. Thank you for the numerous ways you help to make this ministry possible.

Respectfully submitted,

MRS. VIRGINIA C. BROWN, Children's Home Representative

BAPTIST HOMES FOR AGING REPORT

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the 22 years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one home to five

resident homes, with two located in Winston Salem, Resthaven, and the Hayes Home, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity of 162 residents, and there is a Nursing Care Unit in Winston Salem with a capacity for 63 patients and serving all the Homes' residents when nursing care is needed. Four out of every five persons who come to us in our Homes For The Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts you contributed \$185 per month for the care of the majority of the residents in your five Baptist Homes. Through the special offering you contributed 20% of the total income of the Homes, and through the Cooperative Program you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of Baptist people and to our Baptist churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make quality care possible. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of heaven than the care given in our Homes For The Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best day-by-day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our supervisors, or "Mothers", as they are often called, was given the name of "Guardian Angel" when a resident, during an illness, later discovered that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

Respectfully submitted,

HARVEY RUMFELT, Homes For Aging Representative

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

I would like to have more time than is allotted to me to tell you about the work of the North Carolina Baptist Hospital, but since time is limited, I want to bring you a condensed report.

As you know, the Baptist Hospital is an agency of the Baptist State Convention, operated by a Board of Trustees, elected by the Baptist State Convention in its annual session. It has been my pleasure to have served on this board for the past eight years. It is one of the largest agencies of the Convention.

The Hospital had its beginning 50 years ago in 1923 with 80 beds. Today, it is a major patient referral center, helping to provide complete care for an area comprising more than five million people.

In partnership with the Bowman-Gray School Of Medicine, it forms one of only 111 academic medical centers in the United States. In addition to its excellence in patient care, the Hospital each year participates in the clinical training of nearly 1,000 health professionals.

During the past ten years, there has been an enlargement and expansion program that cost over forty million dollars. Recently completed and made available was the Reynolds Tower, with sixteen stories and 352 beds. This boosted the bed capacity to 655. By 1974, when other

renovations are complete, the capacity will be 717 beds, and it will rank in the top ten in the United States. In the new Reynolds Tower is a seventeen room operating suite, and a seventeen bed recovery unit. Stop and try to visualize seventeen operations going on at onetime in a hospital, and also a hospital staff capable of carrying on this many operations at the same time. One floor of the tower is devoted to a thirty eight bed intensive care unit.

Noteworthy, are services offered now that could not, and were not, offered ten years ago. Among these are an active kidney transplant program, a program in neonatology for critically ill infants, and a total hip replacement program for patients crippled by arthritis. One of the fastest growing services is that of nuclear medicine, which uses radioactive isotopes for the diagnosis and treatment of various medical problems. Besides these, they are improving and keeping up on many other various forms of medical treatment.

In 1924, the Mother's Day Offering program was started, and that first offering produced \$16,000. Since that time, the program has grown to \$369,906 last year. These funds go to help the people who need outside help. I do not mean that \$369,906 is all that is used for these needy patients. Last year the Hospital administered treatment in the amount of \$1,395,000 to the needy. So you see, we should put new emphasis on this program to help those who need help.

The Baptist Hospital received \$264,500 from the Cooperative Program of our Convention. This was used to support the School Of Pastoral Care and its ministry. This is a program on which I wish I had time to elaborate.

Last year we had admissions of 18,818. Patient days of service were 149,795. We had out-patient visits of 36,212 and emergency room visits of 22,429. To carry on this service, the Hospital has 2,000 employees, and a total budget of thirty million dollars. Of that amount they receive from the Mother's Day Offering and the Cooperative Program a total of \$634,430, a very small proportion of thirty million.

I could go on for several hours, but let me stop here by saying that the North Carolina Baptist Hospital is one of the most outstanding hospitals in America today, and it belongs to the Baptist people of North Carolina. We must support it, and use it when we need it. This great institution was created to meet the needs of the people of North Carolina, and by the faith of the Baptist State Convention in each of us, as Baptists. Let us not fail the need, and the trust that has been placed in us.

Respectfully submitted,

W. D. WELCH, Jr., Hospital Representative

CHRISTIAN HIGHER EDUCATION REPORT

The Report On Christian Education in the *Book Of Reports shows how Baptist Churches and Baptist Colleges are working together, and your support of the Colleges through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian Higher Education. Campbell College comes second on the list with \$340,721.00. For this we are indeed grateful.

Naturally, being a student at Campbell College, I am interested in what Campbell receives, and what it is doing for the Baptist students of North Carolina.

"To The Stars Through Difficulties", and old Latin motto, adopted during the dark days of reconstruction in the old South, and adopted as the school motto, are beliefs, aims and objectives that have guided this institution through ever-changing circumstances. From a total enrolment of 53 college students during the first College year (1925-1927)

plus 352 in High School and 333 in the elementary grades, the institution has grown to an enrolment of 2,500 college students during 1972-1973. Campbell's rise from a community school to its present standing among the State's largest Church-related Senior Colleges is illustrative of what perseverance can accomplish in scaling the heights. It was ten years ago this spring in 1963 that Campbell graduated its first class as a Senior College, and during this time it enjoyed its greatest growth in plant expansion and enrolment.

It is a matter of common knowledge that Campbell College has always unapologetically affirmed her faith in God revealed to the world through Jesus Christ. Having been brought up in a Christian home and the Baptist Church, I can say with thousands, "Campbell College is a Christian home away from home".

Thank you for what you are doing for Campbell College and our other Church-related institutions.

Respectfully submitted,

BENNIE THOMPSON, Christian Education Representative
and Campbell College Student

* Mr. Thompson also submitted the following report prepared by the Council on Christian Education.

CHRISTIAN HIGHER EDUCATION REPORT

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members, and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

COOPERATIVE PROGRAM

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education. Your colleges share this amount as follows:

Campbell College	\$340,721	Meredith College	\$340,721
Chowan College	\$212,951	Wake Forest University	\$517,471
Gardner-Webb College	\$249,153	Wingate College	\$217,210
Mars Hill College	\$296,002		<u>\$2,129,510</u>

THE IMPORTANCE OF BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrolment in one of the seven North Carolina Baptist Colleges.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

REPORT ON CHRISTIAN LITERATURE

The need for Christian literature is as great as even in the history of our country. In spite of the recent ruling by the Supreme Court against pornographic literature, one is amazed at the prevalence of so much of it yet available to the general public.

Southern Baptists have some excellent literature to be used and read, if we will only make use of it. To be informed Baptists, all of us should be receiving and reading the Biblical Recorder, the organ of the North Carolina Baptist State Convention. Editor Marse Grant does a great job with this publication.

The writers of Sunday School lessons and other publications are to be commended for the good job they do in producing materials for all age groups of our constituency. Home Life Magazine deals with many problems of family life today. The "Family Worship" section is commended for our use in our family devotions. Along with these aids, if we have a Church Library available, we could take advantage of the wonderful books and commentaries found there.

The most important Christian literature that we have is our Bible. May this continue as the foundation for our teaching.

MRS. HENRY A. WHITE, Christian Literature Representative

SOUTH ROANOKE BAPTIST ASSOCIATION

MINUTES OF THE EIGHTEENTH ANNUAL SESSION

Meeting At Memorial Baptist Church, Williamston, N. C.

Tuesday, March 20, 1973, at 10:00 A. M.

THEME: "Ask Of Me"

Mrs. Ruth B. Garner, Associational W M U Director

Promptly at ten o'clock, the meeting was called to order by the presiding officer, Mrs. Ruth Garner, Associational Director. Since there was no objection, Mrs. Garner declared that the program as printed would constitute the order of the service for the day. She called attention to the theme of the meeting, "ASK OF ME", and read the W M U Watchword of the year, "Ask of me, and I will make the nations your heritage, and the ends of the earth your possessions" (Psalm 2:8 RSV).

Mrs. Durwood Taylor of Memorial, Williamston, played the organ as the people assembled, and during the singing of the hymns, and the piano during the special music.

Mrs. Keith Hill led the singing of the hymn of the year, "Heralds Of Christ".

Miss Eva Teague, Minister of Education at Memorial, brought the devotional message using the experience of Jesus telling his disciples to cast out from the shore into the deeper water. She re-emphasized the full meaning of the W M U task, a better understanding of the needs of missions, a deepening of our prayer life, a reevaluation of our giving, and a full dedication of ourselves in Christian service.

Mrs. Larry Chesson, W M U Director of Williamston Memorial, gave the official welcome and directed the registration of those present.

While the organist played softly, Mrs. Ruth Garner directed the prayer period, and closed by remembering the missionary whose name was written on the program and who had a birthday today.

Mrs. Jennings Teal, BYW Director, presented Miss Nancy Curtis, the recently arrived BYW Director of North Carolina. Miss Curtis told of the many ministries which are included in the Heck-Jones Offering. She thanked our Association for its contributions in the past and challenged us to give in June when \$80,000 is our goal. In giving, we have a part W M U Promotion in North Carolina, we provide gifts for Margaret Fund students and Missionaries, we help with Interracial Cooperation, provide leadership training and special activities, and assist in the operation and reduction of the debt on Camp Mundo Vista.

In the absence of the Secretary, Miss Pearl Best, Mrs. Glenn Cox called the roll by churches. Twenty six were represented.

The Treasurer's Report was submitted. Since there were no questions about it, the W M U Director said that it will be filed for audit as printed.

The Age-Level Directors were invited to the platform and were introduced. Since written reports were in each one's hand, none spoke to the reports except Mrs. Douglas Moore who announced the Acteen Gathering at Winterville on Friday, April 6, and Mrs. Tommy Singleton who told of the plans to have Jerry Potter at the Girls In Action meeting on Saturday, April 28, at 10:00 o'clock, at First Baptist Church, Washington.

Mrs. I. Mayo Little submitted the report for the Budget Committee, composed of Mrs. Odis Joyner, Miss Pearl Best, and Mrs. Little. The budget was accepted as given.

The Camp Director, Mrs. Stanley Rowland, with the use of posters, told about the activities which are experienced by the young people who

attend Camp at Chowan. She announced that Camp will be held June 25-29, and passed out application forms for children and for counselors. She also told us that the Camp Scholarship had been awarded to Jana Holcomb.

Mrs. Garner paid tribute to Mrs. Rowland for the excellent Camp for 1972, and expressed regrets that she and her husband are being transferred to Durham, and she will be unable to direct the Camp this summer.

In the absence of Mrs. H. V. Vick, Chairman of the Place Committee, Mrs. L. M. Brock extended an invitation to the 1974 Annual Session to be held at the First Baptist Church, Tarboro, on Tuesday, March 19, 1974. She also announced that the Fall Leadership Conference will be held on Thursday, September 19, 1974, in Winterville.

Mrs. Garner mentioned that Winterville had agreed to wait a year to have us since an Area Leadership Conference will be held on Friday, September 14, 1973, beginning at 10:00 A. M. and continuing until 2:30 P.M. The State Personnel will lead these conferences in the First Baptist Church, Wilson, N. C.

Mrs. Henry Johnson, Chairman of the Nominating Committee, presented the slate of officers for next year which were elected.

Mrs. C. U. Rogers, Assistant W M U Director, led the prayer of dedication.

The presiding officer presented again the five Area Coordinators, and told how closely they work with the W M U Directors in their areas. Mrs. R. C. D. Beaman announced the Prayer Retreat to be held on Wednesday, May 23, 1973, beginning at 10:00 o'clock at Camp Contentnea. Mrs. Calhoun Johnson will be the leader, and Mrs. Beaman will serve as Chairman of arrangements.

As there was no further business, the hymn "We've A Story To Tell" was sung. Then Mr. John A. Moore, South Roanoke Associational Missionary presented the Rev. Tony Brewington, Missionary of the Burnt Swamp Association, Pembroke, N. C. Prior to his missionary message, Mrs. Keith Hill and Mrs. Berney Stevens sang. Mr. Brewington used as his text Isaiah 6:8, "Whom shall I send, and who will go for us? Then said I, Here am I; Send me". The speaker encouraged his listeners to be attuned to God's voice and to hear what He is saying in meeting the needs of those around us. He admonished us to accept the people we serve as they are and not to try to make them like we are, nor to ignore them because they are different. He stated further, "Jesus came to fill a need and we must follow his example". Then he quoted the passage which said because you did it not to the least of these my brethren, you did it not to me. Then they shall say unto him, when saw we you hungry, naked, thirsty, or in prison? Jesus will say, "Take your Bible and go to hell - in the hell round about us where there is a need and where we can feed the hungry, visit those in prison and give a cup of cold water in His name".

After a rising vote of thanks to the people of the Memorial Baptist Church, Pastor Jack Holt gave instructions on finding the fellowship hall where lunch will be served. He pronounced the benediction.

There were 180 plates served at the noon meal consisting of fried chicken, potato salad, string beans, rolls, tea or coffee, and homemade cake.

REPORT OF THE EXECUTIVE COMMITTEE

The Executive Committee of the South Roanoke Baptist Association has held five meetings during 1973-74. We set about immediately after the annual session to organize for effective work.

Following a good deal of discussion, the Committee passed a unanimous motion that the Chairman appoint a committee to study the feasibility of establishing adequate office facilities from which to conduct the work of the Association.

The Chairman appointed the following committee to act as a Planning and Survey Committee: Chairman - James O. Hagwood, Robersonville; Norman Bennett, Greenville; C. B. Martin, Tarboro; Mrs. Henry Johnson, Farmville; Gary B. Thompson, Washington; Urbin Rogers, Williamston; William S. Brown, Grifton; H. C. Moss, Jr., Wilson; and Mrs. Ruth Garner, Greenville.

One of the outstanding missionary efforts of the year came in response to an appeal for help from Fred Lunsford in the Truett Association following several tornadoes in that area that did extensive damage. The people of South Roanoke responded with gifts of time, money and labor to aid those in distress.

James Lochridge, a member of the Executive Committee, resigned to return to the Philippines under the Foreign Mission Board. We pray God's blessings upon them as they serve there.

Working with the Finance Committee, the Executive Committee has approved the proposed Budget for 1975. We strongly urge that every church give serious consideration to the idea of contributing to the Associational Budget in the amount of 2% of the local church offering plate dollar. If the local church feels they cannot give the full 2% this year, we suggest a minimum of 1% this year, and advancing each year thereafter until the desired goal has been achieved.

Your Executive Committee is now working with the North Roanoke Association to hold a joint session in 1975 when we will complete our twentieth year of service.

Respectfully submitted,

J. MONTE BISHOP, Chairman.

THE EXECUTIVE COMMITTEE makes the following recommendations to the Annual Meeting of the Association:

1. The fund designated "Associational Missionary's Residence" in the Distribution of Funds in the Treasurer's Report be redesignated as "Associational Office Building Fund".

2. That the Association authorize the appointment of a special Program Committee to work out the details of the joint session with the North Roanoke Association.

3. We recommend that the Association build an Association Office Building with sufficient space for an office for the Associational Missionary, an office for a secretary, work space (rooms) as required, and a room which can be used for group meetings. We recommend that a committee be named to select a site for the building itself. Due to the present state of the realty market, and the high interest rates which are current, we recommend that we concentrate efforts on raising funds for the site and building during this year. We recommend that the churches be advised of the opportunity to make memorial gifts to this fund. The Association may wish to select a fund raising committee to supplement the work of the Building Committee. When funds become available, we recommend that firm plans for the office be completed. In the interim, we recommend that office

space for the Associational Missionary be rented or leased.

4. We recommend the proposed Budget for 1975 as prepared by the Finance Committee and reviewed by the Executive Committee.

5. We heartily commend the Finance Committee for their work in preparing the 1975 Budget. However, We have recognized the need for an offset press for some time, and since the Associational Missionary has found one that can be purchased at a figure of \$1,375.00, we recommend that the Association buy this machine (A. B. Dick Model 321) out of this year's budget.

6. We recommend that Article 15 of the By-Laws be amended to read as follows: "ARTICLE 15 - CHURCH LIBRARY: The Association Church Library Organization (TACLO) shall provide for the mutual sharing of inspiration and information for furthering the library ministry of our churches, and shall be under the direction of the TACLO President, under the supervision of the Executive Committee.

The Associational Constitution provides that the Association shall seek the support of the churches on a basis of "a percentage of the offer-

ing plate dollar". We suggest that the churches adopt a minimum goal of 2% of the offering plate dollar for their support of the mission program of the Association.

Our Association has planned a World Missions Conference for September 6-12, 1975. We are recommending \$250.00 in this Budget to provide the promotional expense. We recommend that the World Missions Conference Committee be authorized to ask the participating churches for an additional gift to provide the travel expense and honorariums for the guest missionaries.

Your Finance Committee recognizes that this recommended Budget is 26% above the 1974 Budget, but considering the non-recurring items provided in this Budget, the balance of the Budget is up 15% from 1974, which is in line with increases in cost of living and materials.

REPORT OF THE ASSOCIATIONAL MISSIONARY

In a real sense, much of this Book Of Reports is the report of the Associational Missionary, as the staff of Associational Officers outline the work of missions in our area for the past year. Much of our work is spent in trying to equip and motivate the leaders in the churches to do the work that Jesus gave us in the Great Commission more effectively. Our work is done by communication, organization, training, visitation, enlistment, and plain manual labor. The Associational Missionary has to be ready to fill the need, anything from supplying your pulpit, or holding your revival, or teaching your Church Leader Training Course or Mission Study, to hauling away the Camp Ground garbage, except when the Associational Organization can enlist and train volunteers to do the job that is needed. Let us look at some results of our work together.

BAPTISMS: The number that you report indicates the effectiveness of your evangelism and witnessing. Few churches are able to use the annual revival as an effective evangelistic medium any more. Lay Witness Training through Witness Involvement Now (WIN) Schools equips your people to be better witnesses, and will get results in the revival meeting, and between revivals. We should give special emphasis to witnessing to Adults. Of the 412 baptisms reported, 74 were young adults, 18-29 years, and 55 were Adults, 30 years and over. The rest were youth and children, including 27, ages 6-8, and one preschooler under 6 years of age.

Our Association has a Chairman of Evangelism and several pastors who are trained in the WIN materials who are ready to help you in a WIN school in your church.

NON-RESIDENT MEMBERS: 4,233 members (24% of the total) were reported as non-resident. Many of these could be encouraged to move their membership to a church where they live, and many ought to be "turned out of the church" because their lives demonstrate no fruits of the Spirit, or signs that they have been born again.

INACTIVE MEMBERS: Of the Resident Members reported by the churches at least 4,039 (30%) are not enrolled in Sunday School. It is true that being enrolled in Sunday School is not synonymous with being an active church member, but this one statistic indicates the size of the problem. 47% of our total members are either non-resident or inactive.

This indicates a weakness in the orientation of new church members, and in the ongoing program of Church Member Training. The Statistical tables indicate that weakness.

MISSIONARY EDUCATION: We are Missionary Baptists, and it is tragic for generations of young people to grow up so ignorant of missions that they cannot understand God's call to them to be Missionaries. Adults who are not informed, do not consistently give to missions or pray for the missionaries. We are thankful for the work of WMU in this area. They are getting twice the results of the Brotherhood. But their combined effort is only scratching the surface of the need. Based on the number enrolled in Sunday School (which is less than half the total church membership) 41% of the Children, 24% of the Youth, and 50% of the Adults are enrolled in WMU and Brotherhood. The combined enrolment of WMU and Brotherhood, including all Youth and Children, is 21% of our total church membership, and we need to do better.

Our Association has superior leadership in WMU and Brotherhood and they stand ready to help any church to organize the Mission Organizations, and to help train church leadership for them.

THE WORLD MISSIONS CONFERENCE in our Association, September 6-12, 1975, offers every church an opportunity to study missions for a week, and to hear seven different missionaries, representing State Missions, Home Missions, and Foreign Missions, in a series of services from Sunday morning through Friday night. We propose a World Missions Rally on Sep-

tember 5 that will include a World Missions Fair, with booths prepared by Royal Ambassadors, Acteens, and Girls In Action.

SUNDAY SCHOOL is the outreach arm of the church, and gains in enrolment are the statistics that indicate success. During 1966-1971 we were in a cycle of declining enrolment. In 1972-1973 we began to inch ahead again. This year we have slipped backward, in spite of the good record of a few churches. It takes continuous, planned work by a staff of trained Officers and Teachers to maintain continuous Sunday School growth. We have not provided adequate training for the workers, and many churches do not have a specific plan and goals for Sunday School growth.

Our Association has a staff of qualified age-group workers who will come and help train your Sunday School Officers and Teachers. The Associational Sunday School is now carrying through a program of Sunday School enlargement called REACHOUT for 1974-1975 with those churches that have agreed to participate. It is not too late for your church to begin. November 17 is HIGH ATTENDANCE DAY.

TITHERS: Our churches reported 1,288 tithers, which is 9.5% of the resident members (7.3% of total members). 3 churches report NO tithers, and 11 churches report a question mark, indicating that they don't know any to report. I contend that the Lord expects the church to enlist the members to be good stewards and good witnesses of the Gospel.

Our Association has a capable Stewardship Committee which can help you plan a Stewardship Enlistment Program for your church. They plan a Stewardship Clinic for May 12, 1975, to be held at Immanuel Baptist Church, Greenville.

We have not tried to itemize activities in this report, but to call attention to areas of special need, and to make available the resources of the Association for meeting those needs.

Respectfully submitted,

JOHN A. MOORE, Associational Missionary.

EVANGELISM REPORT

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 30 months, 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 Associations. Also, 107 pastors from nine other Associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference in War Memorial Auditorium, Greensboro, Feb. 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelistic teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with emphasis on evangelism, vocational guidance, and recreation.

About 15,000 youth, pastors, and adult leaders attended the statewide Youth Evangelism Night, August 16, at Greensboro Coliseum. Richard Hogue, evangelist, Houston, Texas, was guest preacher, and Darcey and Sharon Hodges were the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelistic clinics during the past year.

The 29th State-wide Evangelism Conference will be at War Memorial

Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our Association, our state, our nation, and our world.

Your Chairman of Evangelism gave assistance to Harry Fowler in planning the Associational Youth Rallies, and directed a letter to the Associational Churches urging support of the State-wide Youth Evangelism night. Several churches did bus their Youth to Greensboro.

Respectfully submitted,

WILLIAM S. BROWN, Chairman of Evangelism.

REPORT OF THE MISSIONS COMMITTEE

The Missions Committee is happy to report that in the summer, 1974, there was one Mission Vacation Bible School and three Backyard Bible Clubs held by the Five Points Missionary Baptist Church, one Backyard Bible Club was held by Grace Baptist Church, one Backyard Bible Club was held by Trinity Baptist Church, Tarboro, one Backyard Bible Club was held by Arlington Street Baptist Church, Greenville, for a total of 221 enrolled in mission Vacation Bible Schools, and an average attendance of 153. We know others were planned but they were not reported.

Plans for a mission church to begin in the Wilson area are still under consideration.

Respectfully submitted,

HAROLD M. MITCHELL, Chairman, Missions Committee.

STEWARDSHIP COMMITTEE REPORT

I. COOPERATIVE PROGRAM

1975 marks the 50th anniversary of the Cooperative Program. This represents 50 years of cooperatively sharing Christ with the world. Southern Baptists have frequently been called a people on mission for God. This mission is best carried out through doing those ministries which it would be impossible to perform individually. Cooperation of this magnitude is an unique feature of Southern Baptists. The Cooperative Program might be called out trademark.

Sunday, April 20, 1975, will be observed across the Southern Baptist Convention as Cooperative Program 50th Anniversary Sunday. Every church is challenged to observe this as a day of study, prayer, and commitment to the Cooperative Program. Church members will be asked to sign a "Declaration of Cooperation", saying in effect, "After prayerful study, I commit myself to the Cooperative Program as a primary channel of World Mission support".

In North Carolina, we have a Cooperative Program goal of \$9,200,000. Of this amount, \$3,067,280 (33.34%) will go to Southern Baptist Convention causes, and \$6,132,720 (66.66%) will remain in our state for the support of ministries here. The churches of our Association report that during the past year they gave \$157,543.00 through the Cooperative Program. If every church in our Association will increase its Cooperative Program giving by 1% of the total budget, our total Cooperative Program gifts would be increased to \$175,326.00.

In addition, the churches gave \$16,093 for Associational Missions. If the churches would increase their gifts to 2% of the total budget as requested by the Finance Committee, our budget for missions in our Association could be \$35,556.

OUR GOALS FOR THE COMING YEAR:

1. Every church in the Association having a specific celebration for the 50th Anniversary of the Cooperative Program.
2. Every church in the Association increasing Cooperative Program giving

by at least 1% of the total budget income.

3. Every church in the Association increasing Associational Mission giving toward the goal of 2% of the total budget income.

CHALLENGE YOUR CHURCH TO A BOLD STEP IN THE SUPPORT OF WORLD MISSIONS:

II. CHURCH BUDGET SUBSCRIPTION AND STEWARDSHIP DEVELOPMENT.

The Stewardship Commission of the Southern Baptist Convention now offers to the churches five church budget subscription options. In addition, a church may still select and build its own budget subscription program using stewardship activity guides.

WE RECOMMEND:

1. That a Stewardship Chairman be elected in every church in our Association.
2. That an Association Stewardship Conference be held on May 12, 1975 to make available to interested churches the various church budget subscription options, and that the state stewardship office be contacted to provide materials and leadership assistance for this conference.
3. That every church conduct a stewardship emphasis this year.

III. ENDOWMENT AND CAPITAL GIVING PROMOTION

A. WILLS, TRUSTS, AND ESTATE PLANNING

Each year, millions and millions of dollars are lost to the cause of Christ because the Christian in whose hands God entrusted these material things, did not practice Christian estate planning. Increasing emphasis needs to be placed on making our people aware of their stewardship of possessions beyond their normal tithes and ordinary lifetime gifts.

To assist in this awareness, we recommend:

1. That each church in our Association conduct a MAKE YOUR WILL emphasis in January.
2. That the pastors focus special attention on the work of the State Baptist Foundation during the month of September.
3. That each church invite qualified community leaders to discuss the setting up of wills and trusts by the membership.
4. That a year-round emphasis be made upon the stewardship of accumulated possessions and resources.

B. CHURCH FUND RAISING

The securing of funds for church buildings is becoming a tremendous problem to many Southern Baptist Churches. This, plus the rising interest costs, has aggravated building financing problems. Often the congregation is torn as to whether their major emphasis lies in world mission causes or their local expansion needs.

The Stewardship Commission now offers two ways for a church to overcome this dilemma. Two basic fund-raising programs designed to assist the church in raising capital funds and thus avoid long term debts are now available.

The Building For Today's Challenge program is a "do-it-yourself" program designed for the smaller church.

The Together We Build fund raising service is a consultant-led program designed to tailor-make a program for the purpose of raising capital funds.

To assist in this area of raising capital funds, we recommend:

1. That every church anticipating a building program within the next three years study the methods available for raising funds.
2. That every church entering a building program conduct some type of program to raise funds before borrowing the total amount.
3. That the churches needing assistance in fund raising contact the Church and Institutional Fund Raising Section of the Stewardship Commission, 460 James Robertson Pkwy., Nashville, Tenn. 37219, for their advice and counsel.

GARY B. THOMPSON, Chairman of the Stewardship Committee.

SUNDAY SCHOOL REPORT

The past year has been a year of excitement in the area of Sunday School. Part of this excitement was constituted when several of our Associational Vacation Bible School Workers went to Wingate College in January to attend the State Vacation Bible School Clinic. These workers came back and conducted two Associational Vacation Bible School Clinics which were well attended by workers from our churches. There were three Mission Vacation Bible Schools held in our Association, and several Back-yard Bible Clubs as well. Over all, last year was a good year in Vacation Bible School.

Most of our churches participated in the January Bible Study of the book of Colossians. Acts will be the book studied next January. Dr. Richard Spencer, of Southeastern Seminary faculty, is giving an introduction to Acts at the opening of each session of this Annual Meeting.

Last Spring, our Associational Sunday School Age-Group Consultants attended a Regional Sunday School Teaching Improvement Workshop at Williamston Memorial. These Consultants are ready to assist any church upon request.

We are presently in the midst of a "REACHOUT TO PEOPLE" thrust in many of our churches. This is a convention-wide program being conducted simultaneously by participating churches across the Southern Baptist Convention. Our Association officially kicked off this program with an Associational REACHOUT Rally for all Sunday School Directors, Outreach Leaders, Pastors and Ministers of Education, held at Bethel Baptist Church on May 14. This Rally was well attended, and many of our churches are involved in REACHOUT. This program is designed to Reach, Teach, and Win persons to Christ. Sunday, November 17, has been designated as High Attendance Day as a climax to this Convention-wide effort to reach, teach, and win more people to our Lord through the Sunday School. On Nov. 17, the Sunday School attendance in each church is to be reported to the REACHOUT Representatives in our Association, who will report to the Associational Missionary, who will report to the State Sunday School Department, who will report to the Sunday School Board in Nashville. The total attendance for the whole Southern Baptist Convention on Nov. 17 will be reported on a network television special. We want every church to report on Nov. 17.

Respectfully submitted,

BILLY WEBB, Associational Sunday School Director.

REPORT OF THE ASSOCIATIONAL MUSIC MINISTRY

Music is one of the most emphasized ministries in our churches other than the pastoral ministry. There is hardly any service or activity that takes place without music being an integral part. It should also be this way in our Associational activities. During the past year, we tried to have two choir festivals involving the churches of the Association. One of the festivals was to have been for Adults and the other for Young People. Much to our regret, the Adult Festival had to be canceled. The Youth Choir Festival took place at the Memorial Baptist Church, Greenville, and was enjoyable to all who attended. However, the participation could have been a lot better, and there could have been a lot more enthusiasm and support on the part of the church people.

Our churches report over 2,500 children, youth, and adults enrolled in church choirs. We can have a big part of these involved in our Associational music programs if a little encouragement is given by our local churches and their choir directors.

As we plan toward another year, let's not let one of the integral parts of our Associational activities be something we are unconcerned about. Let's participate in Associational music activities with whole-

hearted vitality.

If you need help in selecting music, our Church Music Department puts out some excellent materials that can be ordered through the Materials Services Department, and available if you will just ask. Let us make the new year a participating year in our Church and Associational Music programs.

Respectfully submitted,

W. LARRY THOMPSON, Associational Music Director.

REPORT ON CHURCH LIBRARY

In February, a Church Library Survey sheet was mailed to the 51 churches in the Association. 23 churches returned the surveys. Of these, 18 already had established libraries. One goal this year will be to promote the establishment of new libraries in the remaining 33 churches.

In April, four persons represented the South Roanoke Association at the Regional Church Library Clinic held at Ridgecrest.

In August, I attended the Church Library Leadership Conference at Ridgecrest. This was a mountain top experience for me, so a second goal this year will be to promote attendance at the Regional Library Clinic, March 14-15, 1975, at Southeastern Seminary, Wake Forest, N. C., and at the N. C. State Library Meeting, April 25-26, 1975, in Charlotte, N. C., and most important, attendance at the Church Library Leadership Conference at Ridgecrest, August 2-8, 1975.

As churches seek to worship God, to educate their members, to minister to the needs of the people, and to proclaim the Gospel, the Church Library ministry plays a vital role in meeting these needs.

To encourage, extend, and improve this ministry is the job of TACLO (The Associational Church Library Organization).

A third goal for this year will be to have an active Associational Church Library Organization, meeting at least once a quarter, and to sponsor a Library Clinic or Workshop for the Association.

My prayer for the coming year is that we work together in sharing enthusiasm, ideas, and encouragement in the Library ministry of the churches in our Association.

Respectfully submitted,

MRS. GARY THOMPSON, TACLO President.

BROTHERHOOD REPORT

It has been a pleasure to serve our Lord this past year by working with the fine people of the South Roanoke Association. Another good year is now history, but seed were planted which, if kept cultivated, will grow and be productive. Brotherhood work involves the Baptist Men and Royal Ambassador organizations.

Under the leadership of Wally Powers, Associational R A Leader, the RAs had an excellent year of progress in areas such as:

1. A Missions Fair was held at Farmville First Baptist Church in September.
2. The Royal Ambassador Conclave was held in October, 1973, with a missionary speaker and passes to the ECU football game.
3. The Royal Ambassador Track Meet was held at ECU Track and the winners went on to the State Meet at Gardner-Webb College.
4. Many organizations went camping at the Associational Camp Ground, and many boys spent weeks at Camp Caraway.
5. Additional RAs made professions of faith in Jesus Christ, and others strengthened their commitments.
6. Several churches had RAs to participate in the Associational Youth Rally, the State Youth Convention, the State Youth Evangelism Night, and

the Crusader and Pioneer Congresses.

Baptist Men's work also grew during the year as additional men became involved in service. The following items represent a few areas:

1. There was an increase in the number of churches having Foreign Mission and Home Mission Study Courses. Along with this, there was an increase in the number of men attending, especially as more churches are making mission study courses churchwide events.

2. A Baptist Men's Workshop was held in December at Winterville Baptist Church.

3. Jim Hardison, Grifton, and Willard Finch, Winterville, attended the Home Mission Study Workshop in the Spring and the Foreign Mission Study Workshop this fall at Camp Caraway in preparation for teaching the Adult Mission Study Courses. They taught the Home Mission Study in 22 churches in the spring, and are accepting invitations for the Foreign Mission Study this fall. Our goal is for every church to have the Foreign Mission Study.

4. Two new Brotherhood organizations were begun. One other church has expressed an interest in beginning a Brotherhood.

5. Mission Action programs were expanded by implementing tape recorder ministries, communion service to shut-ins, and providing convalescent aids to those having needs.

Through prayer and diligent work, we can make additional gains in the work of Baptist Men and Royal Ambassadors during the coming church year. Only as we minister to the needs of others do we serve Christ more.

Respectfully submitted,

WILLARD FINCH, Associational Brotherhood Director.

WOMAN'S MISSIONARY UNION REPORT

On November 15, 1973, the South Roanoke Associational WMU reported to the State Office that there were mission organizations in 46 of our 51 churches as follows:

Baptist Women	46 organizations	1776 members
Baptist Young Women	14 organizations	177 members
Acteens	33 organizations	353 members
Girls In Action	54 organizations	548 members
Mission Friends	29 organizations	321 members

For the fourth consecutive year, the South Roanoke is distinguished, the highest rating to be attained under the achievement guide. Recognition will be made at the North Carolina Annual Session in Charlotte in March, 1975. A certificate will be presented during the business session as was the case in 1974 when the WMU Director appeared on the platform in the Winston-Salem meeting. Recognized also were Greenville Memorial, Tarboro First, and Williamston Memorial as Distinguished WMUs. Advanced credit went to Five Points, Hamilton, Plymouth First, and Winterville. Merit was achieved by Pinetops. These same churches received gavels at the Annual Session held in Tarboro last March.

The Associational Age-level Directors, as shown in their reports below, are working to make missions a meaningful and vital part of life, and to extend its influence to others.

WMU DIRECTOR - Mrs. Ruth Garner

The Director is a member of the Associational Executive Committee, which meets quarterly, and has attended all meetings. She was appointed to a special Associational Office Building Committee. A recommendation will be presented by Chairman James O. Hagwood at the Annual Session.

Quarterly meetings of the Associational WMU Council were held, when plans were made, coordinated, and evaluated.

Since the Area Workshop was held at the First Baptist Church, Wilson, on Sept. 14, 1973, and the State WMU Personnel taught the age-level man-

uals, the annual Associational Leadership Conference was not provided in 1973. In order to reach more WMU Directors, the Area Coordinators held special sessions as follows: Mrs. R. C. D. Beaman called a meeting of the Wilson County Directors at the First Baptist Church, Wilson. Mrs. Paul Dawson met with the Beaufort County people at the First Baptist Church, Washington. Mrs. Henry Johnson was in charge of the Pitt County Group which met at The Memorial Baptist Church, Greenville. Mrs. L. M. Brock presided at the Edgecombe County meeting at the First Baptist Church Tarboro.

The Annual Session was held on March 19, 1974, with Mrs. James T. Lochridge as the missionary speaker. Her son, James, Jr., gave his testimony in song. Mrs. Lochridge and her husband, the pastor of the Riverside Church in Plymouth, had been reappointed to the Philippines and left in August. The Pastor, Monte Bishop, the WMU Director, Mrs. Bill Manning, Baptist Women and Baptist Young Women of First Baptist Church, Tarboro, welcomed and entertained the 220 people who registered, also providing a nursery for the children. During the noon meal, age-level officers and members sat together and discussed the accomplishments and difficulties with the Associational Age-level Director in charge.

On May 22, 1974, Miss Marjorie Spence, retired Missionary to Chile, led the Bible study at the WMU Prayer Retreat at Camp Contentnea. Fifty one joined in the day of prayer, study, and fellowship. Mrs. Claude Walston, Pinetops, served as Coordinator.

GA-RA Camp was held on the Chowan College Campus, Murfreesboro, from June 24-28. Harold Greene, pastor at Belhaven, served as Camp Director. His wife Sandra was Camp Nurse. Mrs. David Pope was Assistant Director and Camp Registrar. Billy Webb, Pinetops, was Camp Pastor and his wife Agnes directed the Music. John Moore and his wife Julia, Ruth Garner, Ricky Holliday, Beth Taylor, Debbie Barnhill, Beverly Taylor, Anna Daniels, Beth Webb, Curley Everett, Norma Jean Williams, Jennifer Owens and Eddie Drake also served. Henry Stough was guest missionary. Campers came from 24 churches with a total of 139 and 19 staffers, making a total of 154. There were 50 decisions for rededication, 27 making profession of faith, and one volunteered for full-time Christian service.

Even though there were not enough to fill a chartered bus, as was planned when gas was short last winter, 14 people went to Ridgecrest for WMU Week, August 3-9 as follows: Farmville - 5; Greenville Memorial - 1; Williamston Memorial - 2; Winterville - 6.

Four age-level Directors attended the Leadership Training Session conducted by state personnel at Mundo Vista, August 30-31: Ruth Garner, Kay Lynch, Sylvia Moore, and Sue Singleton.

Winterville Baptist Church with Pastor Horace Thompson, WMU Director Mrs. Lyles Russell, Baptist Women President Mrs. Julius Whichard, Baptist Women and Baptist Young Women members provided true Southern hospitality when the annual WMU Leadership Training Session men on Sept. 19 with about 100 present in the afternoon, and 107 in the evening. The conferences were as follows:

W M U Directors	Mrs. Ruth Garner
Baptist Women Presidents	Kathryn Bullard
Mission Action	Mrs. John Moore
Mission Study	Mrs. Johnny Barnes
	Mrs. Ruth Barnes
	Mrs. Bruce Poole
Mission Support	Mrs. C. U. Rogers
Baptist Young Women	Mrs. Jennings Teal
Acteens	Mrs. Douglas Moore
Girls In Action	Mrs. Tommy Singleton
Mission Friends	Mrs. Daniel M. Lynch

Recognized during the assembly period were Belhaven, Five Points,

Tarboro First, and Williamston Memorial who met Giant Step requirements and who had reported to the state WMU Office.

ASSISTANT WMU DIRECTOR Mrs. Henry Dunbar resigned effective October 1, and Mrs. Bruce Poole was elected to succeed her. Assistance was given in the planning and execution of plans which affect the total work of WMU.

BAPTIST WOMEN DIRECTOR - Mrs. J. W. Miller.

The Baptist Women Officers Council met regularly to plan the Baptist Women activities. Letters were sent to all Presidents urging them to attend the Area Leadership Class taught in 1973 by Kathryn Bullard of the State WMU Staff. The BW Director attended WMU Week at Ridgecrest in August, 1973 and 1974.

On February 12, fifty women from 20 churches attended the fourth Annual BW President's Luncheon held at Winterville. Women were divided into five discussion groups dealing with the question of creating an environment in the home and in the church in which persons will be more concerned about missions and mission support, and in which youth can hear and heed God's call to missions.

Officers elected were Mrs. Albert Bell of Fountain as Assistant BW Director, Mrs. Johnny Barnes of Wilson as Secretary and Mrs. Robert L. Crook, also of Wilson, as Assistant Secretary.

An invitation was extended by the Memorial Church of Williamston for the next Annual Session to be held on Tuesday, Feb. 11, 1975, beginning at 11:30 A. M.

Officers and leaders of BW organizations took advantage of the four Training Sessions provided at Winterville. 47 were present in the afternoon, and 46 in the evening.

Because of serious illness in Mrs. Miller's immediate family, she resigned as BW Director effective on October 1, 1974. The Nominating Committee, with Mrs. W. C. Hall, Plymouth, as Chairman, is looking for a new BW Director.

BAPTIST YOUNG WOMEN DIRECTOR - Mrs. Jennings Teal.

Ten representatives from six of the fourteen Baptist Young Women organizations in our Association took part in the Annual Leadership Conference in Winterville on Sept. 19. We are thankful for the many areas of missions in which our young women are serving. We ask that each church in our Association where there is no BYW take stock and provide for the young women, ages 18-29. Your Associational leaders are ready to help.

ACTEENS DIRECTOR - Mrs. Douglas Moore.

There are 33 organizations in our Association with 353 girls involved in missions. The Acteens Council plans the activities. Accompanied by the Director, they attended a planning session at Mundo Vista last fall. They planned the Acteen "Yearly Do" held on April 5, 1974, in the First Baptist Church, Wilson, with Missionary Calhoun Johnson using the theme, "Hush, Somebody's Calling My Name". Attending were 93 from 13 churches. Members of the Baptist Student Union of Atlantic Christian College sang and gave personal testimonies.

Present at the Leadership Session in Winterville recently were 5 in and 11 in the evening.

About half of our churches are without Acteen organizations. Is God calling your name to lead young girls in missions in your church?

GIRLS IN ACTION DIRECTOR - Mrs. Tommy Singleton.

The Girls In Action Missions Fair was held May 4 at Trinity Baptist Church in Tarboro with 155 members, leaders, and parents in attendance. "Share The Name Of Jesus Through Girls In Action" was the theme for the day. Mrs. James Lochridge, missionary to the Philippines, was a very interesting feature on the program, as she told of ways that Jesus is being shared in the Philippines. Her enthusiasm about returning to the mission

field was a blessing to those in attendance. Her colorful Philippine dress was a curiosity to the GAs. Members from several churches gave presentations of varying types, which were informative and added variety to the day's activities. Missions Adventures work was displayed by a number of girls who were recognized during the program. WMU members of the church served a tasty lunch of fried chicken, potato chips, cup cakes and drinks.

A Day Camp for first, second, and third grade GAs was held at Camp Contentnea on August 24. There were 55 in attendance, from 5 churches. The theme was "Botswana". The girls participated in crafts and study related to this African country. It was an exciting day.

The Director attended the Associational Leadership Conference at Mundo Vista, August 30-31. She then led the Workshop for GA Leaders in the Association at the Winterville Church on Sept. 19 where 7 attended in the afternoon and 18 in the evening.

MISSION FRIENDS DIRECTOR - Mrs. Daniel M. Lynch.

According to our last report, there were 29 organizations with 321 members. Mrs. Lynch was elected Director at the Annual Session of WMU. She attended the State Leadership Conference held at Mundo Vista recently and conducted the Associational Conference at Winterville. Nine were represented in the afternoon and 14 in the evening.

Respectfully submitted,

RUTH B. GARNER, W M U Director.

REPORT ON CHRISTIAN LITERATURE

I have been asked to give a report on Christian Literature which is a subject very dear to my heart. We are living in troublesome times, and we know not what lies ahead for our nation, not to mention our entire world. If there ever was a time in history when we need to have a positive disciplined thinking, it is now. Philippians 4:8 tells us, "Finally brethren, whatever is true, whatever is honorable, whatever is right, whatever is pure, whatever is lovely, whatever is of good report, if there is any excellence and if there is anything worthy of praise, let your mind dwell on these things."

Philippians 2:5 says, "Let this mind be in you which was in Christ Jesus". And Paul wrote to the Romans in chapter 12:2, "And do not be conformed to this world but be transformed by the renewing of your mind, that you may prove what the will of God is, that which is good and acceptable and perfect".

The Bible has much to say about right thinking and how it affects what we are. For example, the verse which says, "As a man thinketh in his heart, so is he". Psychologists tell us that everything we see and hear goes into our mind, either conscious or sub-conscious, and will always be there. This is why it is extremely important for us to read and encourage our families to read good Christian literature. How can we have the mind of Christ Jesus if we feed our minds trash, and so much of what is published for us to read today is just that, trash. The same is true of television and movies. If there are any young mothers here today, or grandmothers, I beg you, please don't let the TV set or movie be your baby-sitter. There is so much immorality, occultism, and violence coming into our homes through television that it really frightens me. Billy Graham had an excellent article in Decision Magazine last year on the dangers of television and what it is doing to our society. Rarely do you find a movie that does not poison the mind. How can we blame our kids for doing the things we have allowed them to see on television, in the movies, or to have read in books, some of which are required reading in school.

The best way, it seems to me, to counteract what is being done by our own pornographic literature, our TV programs, and our movies is to fill

our homes, churches, business offices and hospitals with good Christian literature. My husband has a book case in his waiting room with nothing but Christian books on it, hoping that his patients will be spiritually uplifted as they wait. Why not keep a copy of our Southern Baptist devotional book, Open Windows, on your dining room table and read it daily as your family gathers for breakfast. There is nothing better for renewing the mind than beginning the day with family devotions.

The young people in your home would enjoy reading the magazine. Accent, which is published monthly by the WMU. Here they will find articles and stories which will speak to them and their minds from a Christian point of view. Home Life is an excellent magazine to have lying around upon which both old and young alike can feed their minds. The Biblical Recorder will keep you up to date on current happenings, and how much better to read it from a Christian standpoint. The Royal Service magazine is not only important for keeping up with our group and WMU meetings, but from it we can read articles such as the one in the October issue entitled, "Resting On The Lord", which will bring us into a closer, deeper walk with Jesus. In order to find out and acquaint ourselves, our family and our friends with what Southern Baptists are doing on the home and foreign mission fields, we have three magazines: Home Missions, The Commission, and our World Mission Journal. Who knows how many missionaries have had the first seen planted in his or her mind by reading an article from one of these magazines?

There are many fine Christian books, most of which are being published in paper back now, in our Baptist Book Stores. Try placing these books in strategic spots in your home and see if you can't win your family away from the "boob Tube" as my kids call it. They may not go out looking for Christian material to read, but if we mothers and fathers "get on the ball" and place it before them, who knows what a change we might see, in ourselves first, and also in our loved ones.

I have brought some examples of our Baptist Literature for anyone who might not be familiar with it, and also some excellent books that I have been reading lately. Thank you for your time, and feel free to look at the display.

Respectfully submitted,

MRS. CECIL R. RHODES, Jr., Christian Literature Representative.

CHRISTIAN HIGHER EDUCATION REPORT

CHURCHES AND COLLEGES ARE PARTNERS

While churches and colleges are not identical in their purposes, Baptist churches and Baptist Colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led worship and revival services, visits to campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

COOPERATIVE PROGRAM

Your seven Baptist Colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974 approximately \$2,350,000 will undergird the work of North Carolina Baptist colleges. At a very crucial and difficult time, these funds make a tremendous difference in the quality of programs offered by our schools.

BAPTIST STUDENTS

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist Colleges are anxious to enroll the young people from our churches.

CHANGE IN WINGATE COLLEGE LEADERSHIP

After 20 years of effective leadership, Dr. Budd E. Smith resigned the presidency of Wingate College. On June 1, Dr. Thomas E. Corts of Georgetown, Kentucky, assumed the presidency of the seventy eight year old institution. Dr. Corts, the eleventh president of Wingate College, came to this position with excellent preparation and experience.

COUNCIL ON CHRISTIAN HIGHER EDUCATION

Our colleges, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate, work together with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of the Lord.

Respectfully submitted,

JANA HOLCOMB, Christian Higher Education Representative.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices, and chaplains in between, I was cheerfully given every personal consideration".

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the south and west wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring or early summer of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed, and is expected to be in use before the end of this year. This device, which combines the use of X-Rays and computers, will make it possible to detect brain tumors, blood clots and strokes more accurately and quickly. Scans can be completed in about 30 minutes and the results can be available in another 5 minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are being made in the hospital's ministry to the emotional and spiritual needs of people. The Division Of Human Enrichment And Development, in the Department of Pastoral Care, is conducting Retreats, seminars, and workshops, designed to help appropriate the resources of the Christian Faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to \$375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston Salem area assists personnel from the hospital business office and the Department Of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers, and your financial support.

W. D. WELCH, Jr., Hospital Representative.

BAPTIST HOMES FOR AGING REPORT

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes For Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes received on the third Sunday in February each year; (2) The Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed \$350,000, providing more than 30% of the budget needed to operate 5 resident homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two homes in Winston Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other homes at Albemarle, Hamilton, and Yanceyville. In these homes, 4 out of 5 residents depend on your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful 21 acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the western Carolina area have organized the initial phase of what will become a major state-wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and ever-increasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support of the Homes through the regular channels of the Third Sunday in February Offering, the Cooperative Program, and an over-and-above gift for the Western North Carolina Home.

Ministry to the older person is a direct ministry as unto Christ Himself, and is most pleasing to Him, we are sure!

Respectfully submitted,

HARVEY RUMFELT, Homes For Aging Representative.

REPORT ON BAPTIST CHILDREN'S HOMES

Child care in Eastern North Carolina can well be characterized as "A Shared Christian Adventure". We are sincerely trying to practice the theme of our 1974 Alumni Homecoming at Kennedy Home, which is "Doing The Will Of God".

A part of our Christian strength comes through the close relationship to maintain with the Baptist Churches and individuals who pray for us and support us in a variety of ways. You, in the Associations, have helped us retain this warm fellowship by visiting our campuses at both Kennedy Home and Odom Home; by allowing us to visit with your pastors and their wives in special meetings to explain our program; by opening your homes and churches to our tour choirs on special occasions; and by keeping up with our many activities through the pages of Charity and Children.

You will be glad to know that our campuses are operating at capacity; that our foster homes are full; and that our children are making good use of their opportunities. A new cottage for 12 children and 2 staff residences will be completed by the end of the year.

Because more and more troubled teenagers are being referred to us for care, we have started a new program on the Kennedy Home campus. Limited

to only 8 boys, it is designed to help them work through some of their deepest troubles by using the principles of group therapy.

Our farm food program continues to be of vital importance. Although food and fertilizer costs have risen tremendously, the Lord has blessed us with a good season and all of our cottage and staff people are preserving as much food as possible to fight the rising cost of inflation.

A special campaign is in progress to increase the services available at Odom Home. Support for a recreation building and two family style cottages is being sought in a nine county area surrounding Pembroke. A year ago our first campus integration occurred, with the placement of a black child at Odom Home. Our success in involving and ministering to black children has continued at Kennedy Home in 1974. The program of therapy at McNeill Cottage, located at Indian Beach, continues to be one of the meaningful benefits which all of our children in group care homes enjoy.

We desperately need your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose problems are most intense.

Respectfully submitted,

MRS. RAYMOND STALLS, Jr., Children's Home Representative

REPORT OF THE COUNCIL ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

Dr. Charles V. Petty, Director

The basic work of the Christian Life Council continues to be that of a resource, research, and referral agency for North Carolina Baptists. The Council responds to daily inquiries from churches and individuals seeking to discover Christian insights for everyday living.

The Council conducted a workshop last March entitled "Helping Churches Help Families". Over 1200 attended part or all of the workshop.

A series of political action seminars held September 30 - October 2 were designed to help Baptists know how to apply their Christian faith to various levels of government.

The Council distributes free upon request a series of 21 tracts on the family to North Carolina Baptist churches.

The Council On Christian Life and Public Affairs consists of 16 persons who give guidance to the full-time Director, Dr. Charles V. Petty.

CHRISTIAN LIFE COMMISSION OF THE SOUTHERN BAPTIST CONVENTION

The Christian Life Commission worked during the past year to enlarge its services to Southern Baptist Churches in the development of Christian morality.

Functioning specifically in family life, race relations, daily work and economics, Christian citizenship, and special moral concerns such as alcohol and other drugs, gambling, and pornography, the Commission engaged in continuing study, research, and action, to help Southern Baptists in applying Christian principles in daily life.

Education and action in Christian social concerns continued through an extensive ministry of speaking and preaching, through an extended emphasis on Christian citizenship development, through distribution of some 90 pamphlets and cassettes on applied Christianity, and through the preparation of curriculum materials for coordinating Baptist organizations. Thousands of churches across the Convention observed Race Relations Sunday in February, and Christian Citizenship Sunday prior to July 4. Churches are urged to use Christian Life Commission materials in observing these special occasions listed on the denominational calendar: Race Relations Sunday, Feb. 9, 1975; and Christian Citizenship Sunday, June 29, 1975.

The Christian Life Commission conducts an extensive conference program to foster Christian morality development among Southern Baptists. In the spring of 1973, a national seminar on "A Future For The Family"

was conducted in Charlotte, North Carolina. In 1974, a national seminar on "Christians Confronting The Economic Crisis" was held in Houston, Texas. Materials from these seminars have been widely distributed by radio, tapes, and through printed proceedings. The annual seminar will meet in Louisville, Kentucky, March 10-12, 1975, to deal with integrity. Each summer the Commission sponsors conferences at each of the Convention Conference Centers. The 1973 conference program at Glorietta was "Southern Baptists Working For Criminal Justice", and at Ridgecrest, "Race: New Directions For A New Day". In 1974 the conference titles were "Christian Liberation For Contemporary Women" at Glorietta, and "The Bible And The Christian Life" at Ridgecrest.

The Commission's new literature, "Christian Life Style For Families" and "Christian Life Style For Youth", has been widely used throughout the Convention. Churches are urged to write the Christian Life Commission asking for a free illustrated order blank which describes all the material on applied Christianity produced by the Commission for use in the churches. The Commission is also happy to send to churches and associations a free pamphlet entitled "Christian Life Committee Guidelines" when requested.

Especially encouraging is the growing interest on the part of Baptists at the associational level in more faithfully applying the gospel. The Christian Life Commission is committed to helping changed people change the world". The staff of the Christian Life Commission stands ready to be of assistance to associations, local churches, and concerned individuals, in developing Christian Life Committees and in maintaining a continuing emphasis on applied Christianity.

26. William Brown, Grifton, gave his report on Evangelism and moved that it be adopted. Second. Motion carried.

27. Harold Mitchell, Chairman of the Missions Committee, gave the report from that committee. He read Acts 1:8-11 because he saw it as being at the core of the work of the Missions Committee. Bill Bussey pointed out that a mission should be established only if there is a definite need and not just for the sake of being able to say that a new mission has been begun. Mr. Mitchell moved the adoption of the report. Second. Motion carried.

28. John A. Moore, Associational Missionary, gave his report. He commended Willard Finch, Jim Hardison, and Wally Powers who are listed as the Associational Brotherhood Staff, along with David Pope who serves as Training Leader for the Royal Ambassador Programs. He moved the adoption of his report. Second. Motion carried.

29. Moderator Bishop recognized J. R. Jones, Vice Moderator, who came to preside over the remaining of the morning session.

30. Stephen McKibben led the messengers and visitors in singing the hymn, "Stand Up, Stand Up For Jesus". A. Max Patterson accompanied at the organ.

31. Monte Bishop, Chairman of the Executive Committee, presented the Executive Committee Report. He recognized James Hagwood, Chairman of a sub-committee to recommend plans for providing an Associational Office, to give a progress report of his committee. Brother Hagwood related that his committee had looked at property on Hooker Road in Greenville, but at that time had no recommendation. Mr. Bishop moved that the report of the Executive Committee be adopted. Second. Motion carried.

32. Paul Waters gave the report of the Constitution Committee which contained several proposed changes in the Constitution and By-Laws, and moved its adoption. Second. In compliance with the Constitution the messengers would vote on this matter during the afternoon session.

35. Paul Weaver presented the proposed Budget for 1976 and moved its adoption. Second.

36. Gary Thompson commended the Budget Committee members for their fine work and stated that he would like to see other people in the Association along with Sunday School and Church Training workers encouraged to go to Ridgecrest to take advantage of training, and that the Association encourage these workers by providing funds. He said that he would like to see the budget increased by \$200.00 to provide these funds. Paul Weaver stated that this expense could come from the Contingency Fund if it was agreeable with the body.

37. James Hagwood called for the question. Motion to adopt the Budget carried.

38. Miss Julia Jones, Washington, gave the report on Christian Education and moved that it be adopted. Second. Motion carried.

39. The messengers stood and sang "O For A Thousand Tongues To Sing", led by Stephen McKibben.

40. Stephen McKibben sang "Because He Lives" by Bill Gaither. Max Patterson accompanied at the organ.

41. Gordon Conklin, Oakmont, preached the Associational Sermon. Kenneth Mercer, Vice-Chairman of the Deacons, Oakmont, read scripture from Leviticus 25:1-10. Mr. Conklin's sermon topic was "Let Christ's freedom Ring". He said that if we are going to follow this admonition, there are going to be, of necessity, four elements involved in it: (1) Personal commitment to Jesus Christ as Savior and Lord; (2) Sense of social action on behalf of Jesus Christ; (3) Sense of Responsibility to one's church; (4) Undergirding program of evangelism.

42. Harold Mitchell, host pastor, gave instructions for the noon meal.

43. Paul Bailey led in prayer asking God's blessings on the noon meal.

44. The morning session adjourned for lunch.

Wednesday Afternoon

45. J. Monte Bishop, Moderator, called the afternoon session of the South Roanoke Baptist Association to order at one o'clock.

46. George Stillman, Five Points, led in the singing of the hymn, "He Lives".

47. James O. Hagwood, Robersonville, brought the last of two January Bible Study messages on Hosea.

48. The Moderator announced that there will be time allotted for miscellaneous business.

49. Harold Mitchell, Five Points, was recognized and made the following motion: "I move that the South Roanoke Association authorize the formation of a joint Committee Of Nine with the North Roanoke Association to study the need, the advisability, and the feasibility of making three Associations from the two now existing. I further move that this committee be made up in the following manner: (1) The Moderators of the two Associations elected in our separate sessions 1975; (2) three additional persons from each Association be appointed by the newly elected Moderators of the respective Associations; (3) one additional person selected by the eight previously named. This person would serve as Chairman and would not necessarily come from either Association. The two Moderators would co-chair the eight while seeking the ninth. All of these would be permanent members of the committee unless in the case of the first eight one should move from the area covered by the two Associations. In that event they would be replaced by appointment by the current Moderator of the Association from which they were selected. All future Moderators of the Associations selected during the work of this committee shall be ex-officio members of the committee for the duration of their term(s) in that office. The committee would report to the two Associations each year in their Annual Sessions and present recommendations they have arrived at as a result of their study. This committee would work closely with the Superintendents of Missions of the two Associations now in existence. And it would also be understood that the action taken today would be sent to the North Roanoke Association Executive Committee to have their response and would be dependent upon the response that is made by the North Roanoke Association." The motion was seconded by E. W. Holmes, Wilson.

50. James Hagwood, Robersonville, stated that the South Roanoke Association has been struggling for years, and has just arrived at the point where things could be accomplished. He also stated that he was

afraid that some would interpret the action of appointing such a committee to be a mandate to create another association. Therefore, he felt that the motion is premature.

51. Frank Ellis, Arlington Street, said that it seemed to him that to appoint a committee to study the feasibility of a third Association would cause the committee to locate an associational office to be very limited in its function. He said that he believed this motion to be a little premature, because it would almost stop other committees from action until this matter is settled.

52. E. C. Reeves, Washington Second, asked if the North Roanoke Association had been consulted about this matter, and are they agreeable. Mr. Mitchell replied that no formal contact had been made at that time.

53. John Allen, Fountain, asked the reason behind the action.

54. Mr. Mitchell stated that the fact that his church is at one end of the association, and the distance to most points is so great, and that churches near each end of the association are limited in their participation in associational activities because of the distance they must travel to meetings, is the main reason for this motion. He also said that he thought it would be wise to study the association before a large debt for an office building is assumed. He said that his source of information revealed that the committee to locate an office building had done nothing to date.

55. E. W. Holmes, Wilson First, said that the same questions were being raised that had been raised twenty years ago when the Roanoke Association was finally divided. He said it required more than five years of planning for the Roanoke Association division to take place. This motion was only laying the foundation, and would take several years to complete. He quoted the old principle once used in Sunday School work, "Unite and die; divide and grow".

56. Bill Leary, New Hope, said that he supported the motion because of the distance involved and the time element in attending associational functions.

57. Harold Greene, Belhaven, spoke in support of this motion because of the distance from one end of the association to the other end.

58. William S. Brown, Grifton, stood and said that he had mixed emotions about the matter. The association has seen large growth in the past five years. He made a motion that this matter be referred to the South Roanoke Association Executive Committee for further study. Second.

59. Gordon Conklin, Oakmont, stated that as he understood it the motion to refer put the South Roanoke Association in the same position as the North Roanoke Association because the matter would be referred to their Committee.

60. Harold Mitchell brought up one point of clarification: The North Roanoke Executive Committee is the Association between the annual meetings. Mr. Mitchell asked if our Executive Committee had the same authority and could act as the Association even before the annual meeting in 1976.

61. Moderator Bishop stated that the South Roanoke Association Constitution gave the power to the Executive Committee to act on the behalf of the Association between Annual Meetings. James Hagwood read, in part, Article VI of the South Roanoke Association Constitution: "The Executive Committee shall act for the Association between sessions in conformity with the expressed decisions of the body."

62. Harold Mitchell asked for a clarification of the words:

"in conformity with the expressed decisions of the body."

63. The body agreed that this empowered the Executive Committee to act on behalf of the Association, therefore, placing the South Roanoke Association in the same position in this matter as the North Roanoke Association.

64. Moderator Bishop opined that a smaller geographical area will not create better attendance at Associational activities, and that people in the Association might find it refreshing to visit in other places and towns.

65. Mrs. Marvin Lynch, Five Points, stated that she could not attend many meetings because of danger in driving long distances alone at night.

66. E. C. Reeves, Washington Second, expressed concern with the possibility of division of the Association after the purchase of an Associational Office Building and the churches on the east end might be left with nothing.

67. Gordon Conklin, Oakmont, moved the previous question. Second. Motion carried to shut off debate.

68. The Motion to refer the Mitchell Motion to the Executive Committee was carried.

69. A. Max Patterson, Clerk, gave the Digest Of Letters as a matter of information.

70. Harvey Rumfelt, Chairman of Resolutions Committee, gave the report from that committee and moved its adoption. Second. Motion carried.

71. Horace Thompson, Winterville, gave the report of the Place and Preacher Committee and moved that it be adopted. Second. Motion carried.

72. Paul Waters, Washington First, read for the second time the proposed changes in the Constitution and By-Laws. A motion and second to adopt these changes were made during the previous session of the Association. Motion carried.

73. James Hagwood, Robersonville, brought a report from the Committee to locate an Associational Office Building. The Committee brought the following recommendation:

"The Committee recommends that the Association take an option to buy property on Hooker Road (in Greenville) for an Associational Office, contingent on proper zoning and extensive examination of the property. Upon completion of the Committee's Report, it is recommended that the Executive Committee be empowered to purchase and arrange for financing."

Mr. Hagwood moved that the Recommendation be adopted. Gary Thompson seconded the motion.

74. Harold Mitchell asked what would be involved in taking the option on the property.

75. The Associational Missionary said that the option would probably be ten percent of the price of \$46,500.

76. Mr. Mitchell asked if the Committee had investigated the possibility of renting office space.

77. Mr. Hagwood stated that the Committee had investigated the possibility of renting, but since additional monies would be required for renting as well as purchasing, it was felt that the investment in our own building would be best.

78. The motion to adopt the recommendation carried.

79. Harold Mitchell asked for time to make a statement. He apologized to the Committee to find an Associational Office for hav-

ing said earlier that they had made no progress. He then stated that the action to empower the Executive Committee to purchase the property on Hooker Road in effect negates the action taken earlier to study the feasibility of a third association.

80. Report on Baptist Children's Homes was given by Mrs. Claudia Edwards who moved its adoption. Second. Motion carried.

81. Harvey Rumpfelt gave the report on Homes For Aging and moved its adoption. Second. Mr. Rumpfelt introduced several residents of the Home in Hamilton. Motion carried.

82. Fred Taylor, Williamston Memorial, gave the Nominating Committee Report and moved its adoption. Second. Motion carried.

83. Gary Thompson was recognized and made the motion that the Association give John A. Moore an honorarium of \$55.00 plus \$45.00 expenses for his work related to the World Missions Conference. Second. Motion carried.

84. George Stillman, Five Points, led the messengers in singing the hymn, "From Ocean To Ocean".

85. Dr. Robert Culpepper, Japan, brought the Missionary Message, using 2 Corinthians 14:21. He spoke on "Motives for Missions".

86. Monte Bishop, as retiring Moderator, presented the gavel to J. R. Jones, the newly elected Moderator, and wished him well, and pledged his support.

87. The Messengers stood as a pledge to support the new Associational Officers.

88. The Twenty-first Annual Fall Session of the South Roanoke Baptist Association was declared adjourned by the Moderator as the Messengers, in unison, said, "Amen".

EXECUTIVE COMMITTEE REPORT

During the course of the year 1974-75 the South Roanoke Executive Committee has held five significant meetings. Our attention this year has focused on both the past and the future. As you requested, we prepared for and celebrated yesterday 20 years of service in joint session with the North Roanoke Association. A sub-committee composed of James Hagwood, chairman, Bill Brown, Bill Bussey, Mrs. Ruth Garner, Mrs. Jennings Teal and Mrs. Frances Rogers was appointed and is to bring to this body a report concerning temporary offices for the Associational Missionary. These two functions have occupied a large part of our attention.

However, there are some other significant highlights of this year that should be mentioned.

1. First, this has been the finest fiscal year of our twenty year history. We commend our people for this and urge that we do even more this year that the associational mission office might become a reality

2. An excellent World Missions Conference was held this year and many of our churches reported it to be the finest ever.

3. Glendon McCullough, Executive Secretary of the Brotherhood Commission of the Southern Baptist Convention, spoke to our Baptist Men of the Association.

4. The W.M.U. Council and the Executive Committee jointly agreed that the W.M.U. be included in the Association budget.

5. Under new equipment, the Association acquired an offset press and a new IBM Selectric typewriter.

While there have been significant advancements, there are many areas where improvement must be achieved in the coming year.

1. Sunday School attendance must take an upward surge once again. To achieve this, we must return to the basic principles of a graded Sunday School program.

2. Evangelistic outreach must improve. As we enter the bicentennial, let Christ's freedom ring as we win men to follow Him.

3. Less than 25 of our churches are contributing 2% of the undesignated offering plate dollar to Associational work.

4. Less than half of our churches have an on-going training program.

These advancements will only happen as we each one make up our mind to do something about them.

Respectfully submitted,

J. MONTE BISHOP, Chairman

REPORT OF THE ASSOCIATIONAL MISSIONARY

The text that describes the Associational Missionary is I Cor. 9:19, "For though I be free from all men, yet have I made myself servant unto all, that I might gain the more.

I do not need to itemize the statistics of my work during the past year, nor list my shortcomings. You are already aware of the work that has been done, and you tell me my shortcomings as you observe them, but perhaps it is good for you to know what they are.

The Association represents more potential for the denomination than Baptists have ever dreamed. Convention leaders are now putting re-emphasis on the Association. The Association is the denominational unit that is closest to the needs, and closest to the resources to meet the needs. The resources are not in Raleigh, or Nashville, or Atlanta. The Resources are in the churches.

There is more potential for action at the Associational level than any other denominational unit. The Association is the only Baptist organization where an idea can be thought of in the summer, voted on in the fall, implemented in the winter, and be functioning in the spring. On Convention level an idea can bog down in committees for years. Cooperation between churches is the key. Cooperation is more than money and budgets. Cooperation is people.

We need an awareness of the larger context of the Association. Most of us have a narrow focus, and can only see the little things, our present failures and problems, and the apparent success of the church across the street or across town. Too often church leaders shut out a larger awareness of the denomination and the church's obligation to join with other churches in meeting needs.

We need to call on the resources of the larger churches, not just for money, but for the skill and knowledge of the leaders of those churches. But for their own sakes, the people of the larger churches need to be involved in the Associational program. We are discovering that size does not have much to do with quality. The large church is tempted to be self-sufficient, which leads to be self-centered. Isolationism can never accomplish the Great Commission. We can not afford the luxury of keeping our eyes inward upon ourselves.

A see the Associational Missionary as a catalyst for learning in the churches of the Association. The Assemblies and Conferences are doing a good job, but we can never get all the people who need training to go to Ridgecrest, or Caraway, or Ft. Caswell. But your church can get your people to come to the Associational Training programs here.

I see the role of the Associational Missionary, not so much as the one who does the work, as the one who enables the workers in the churches to do their work. Once, the Associational Missionary conducted Vacation Bible Schools. But it is better to help churches enlist and train their faculties so they can have their own Vacation Bible Schools. The Associational Missionary is not everybody's errand boy, but he is the one who gives leadership to an Associational program in the same way that a committed pastor gives leadership to a church program.

We need to discover the real strength in cooperation, and I don't mean the Cooperative Program. That keeps the institutions and agencies of the Conventions alive fiscally, but we could increase the budgets in Richmond and Atlanta and Raleigh and still lose the battle to others on the local church level. Cooperation is people working together to accomplish what they cannot do alone.

Sometimes we interpret autonomy as being indifference to others. One church will brag about its success without a moment's concern for a neighbor church that is dying, or in the middle of a church split. Your autonomy and self-sufficiency are not an excuse for you to ignore the needs of others. Our churches need to learn to exercise the strength that comes

from joining hands.

We need to rediscover the meaning of the word "ministry". I loved pastoring a Baptist church, and I love the opportunity that the Association offers me to join hands with others from many churches to do the work of God together. It is the Devil that puts Baptists in competition with each other.

Respectfully submitted,

JOHN A. MOORE, Associational Missionary

EVANGELISM REPORT

"BE YE RECONCILED TO GOD AND MAN" was the theme of the 29th State-wide Evangelism Conference at War Memorial Auditorium, Greensboro, Feb. 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 11,000 youth, pastors, and adult leaders attended the fifth Statewide Youth Evangelism Night, August 15, at the Greensboro Coliseum. Dr. Bill Self from Atlanta, Georgia, was the guest speaker. Special music was provided by Bill and Linda Cates. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism of the Baptist State Convention is cooperating with the Brotherhood Department in Lay Renewal Weekends, and Renewal Evangelism.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past three and one half years, 12,774 youth and adults have shared in this lay witness training from 1007 churches, and 55 Associations. Also, 107 pastors from 9 Associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other Associations have planned Lay Evangelism Schools during the fall of this year.

Each church in our Association should have received already the Proclamation '76 Planning Calendar booklets and other revival materials. The June issue of Home Missions included an insert entitled, "Revivals That Shaped America". The insert and the revival materials are designed to help each of our churches plan and conduct a Proclamation '76 Revival during the spring of 1976. Our Associational Executive Committee has approved the dates, March 15 through May 1, 1976, as the period for Proclamation '76 Revivals in our area. The theme for such revivals will be: "Let Freedom Ring". We urge all of our churches to plan for a revival in that period. In the cities where there are two or more churches, a simultaneous effort might be most effective. I hope all of our churches will plan a dynamic revival effort during the dates indicated.

The thirtieth Statewide Evangelistic Conference will be at the Civic Center Auditorium, Asheville, Feb. 2-4, 1976. We urge the pastors and lay persons to attend.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics held during the past year. Let us remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Respectfully submitted,

WILLIAM S. BROWN, Associational Chairman Of Evangelism

REPORT OF THE MISSIONS COMMITTEE

Your Missions Committee reports to you that during the month of September, 1975, a World Missions Conference and Rally were held among the churches of the Association. There were 32 churches participating. Twenty nine missionaries from State, Home, and Foreign fields visited in these

churches for one week and shared their experiences with us.

We regret to report that no new missions have been begun in 1975. Having the positive side is that there have been no church splits either.

Respectfully submitted,

HAROLD M. MITCHELL, Chairman, Missions Committee

ASSOCIATIONAL SUNDAY SCHOOL REPORT

South Roanoke Baptist Association has had an active year in Sunday School. Last fall, most of our churches participated in Reach-out 74-15. As a result, our Association experienced one of the highest attendance records ever on High Attendance Day, Nov. 17, 1974. In January, Bob Crook our Associational Vacation Bible School Director, took his team of workers to Wingate College to attend the State VBS Clinic. They came back and led our Association in three very profitable VBS Clinics which prepared us for one of the best years in VBS this past summer. Last fall, during our Annual Associational Meeting, Mr. Richard Spencer, Assistant Professor of New Testament at Southeastern Seminary, gave us an overview of Acts, which was our source book for the January Bible Study. This proved to be a real stimulant for our studies in each church. In September, the Pastors and Sunday School Directors met at Parker's Barbecue for a one-night session preparing for the 1975-76 Sunday School year. In the same month our Associational Sunday School Leaders conducted a Sunday School preparation workshop at Five Points Baptist Church, Wilson. Also, during the month of September, Grace Baptist Church hosted a well-attended Church Bus Clinic which was led by Johnny McBride, pastor of Temple Baptist Church, New Bern. Several of our churches are now involved in a bus ministry and others are making preparation to begin.

Respectfully submitted,

BILLY WEBB, Associational Sunday School Director.

REPORT OF THE CHURCH TRAINING PROGRAM

1974-1975 was a year of transition for the Church Training Program in the South Roanoke Association. We had an interim Director for part of the year as our previous Director, Larry Bennett, accepted a position in another Association. It was a year of transition as the new Director and the Youth Director went to Ridgecrest for Church Training Week to discover new ways of building a better and more exciting Church Training Program.

We see 1975-1976 as a year of transition also. Sunday, April 4, 1976, is "New Day For Church Training" in the Southern Baptist Convention. It is hoped that on this day (or before) that 1,196 new Church Training Programs will begin. This goal was set because there are 1,196 Associations across the Convention. Thus, it is the hope for the new church year to have an average of one new Church Training Program for every Association. However, some Associations already have 100% participation in Church Training. Thus those Associations that do not have 100% participation will be expected to begin two or more new programs. The South Roanoke Association has 52 churches, and at the beginning of this year had only 20 Church Training Program. We can help tremendously in this year of transition by beginning several new programs. In fact, two new programs have already begun, effective with the 1975-1976 church year (Arlington Street and Riverview). We would like to see ten new programs begun in the South Roanoke Association this year. If you need help, do not hesitate to call on your Associational Director.

"M"-Night is a place for each church to begin. This year, "M"-Night will be held at Immanuel Baptist Church on November 17, 1975 at 7:30 P. M. Dr. Charles Petty of the Christian Life Commission will bring the main message on the topic, "How The Church Training Program Can Help In Areas Of Social And Political Concern". In order for "M"-Night to be a success,

we need participation from all the churches in the Association.

Your Associational Workers believe in the Church Training Program, and stand ready to assist you in any way we can.

Respectfully submitted,

L. LEE WHITLOCK, Church Training Director

WOMAN'S MISSIONARY UNION REPORT

The South Roanoke Associational WMU is a Distinguished WMU for the fifth consecutive year and will be recognized at the North Carolina WMU Annual Session to be held on March 16 and 17, 1976, in Greensboro.

All six age-level directors attended the State Leadership Conferences held at Mundo Vista on August 29-30. Then each led a Conference on September 18 at Hamilton with 60 present in the afternoon and 102 present at night. Conferences and leaders are listed below:

WMU Directors - Ruth Garner

Baptist Women Presidents - Lou Whichard

Mission Study Chairmen - Melba Barnes

Mission Action Chairmen - Agnes Webb

Mission Support Chairmen - Frances Rogers

All Group Leaders - Doris Cox

Baptist Young Women - Vicki Teal

Acteens - Anne Briley

Girls In Action, Experienced - Sue Singleton

Girls In Action, Inexperienced - Sara Gregory

Mission Friends - Kay Lynch

Nursery was provided at each session.

Quarterly WMU Council meetings were held the first Wednesday of November, February, May and August, at which time plans were made, coordinated, and evaluated. Annual planning for 1974-75 took place on September 14, 1974, in Pinetops when broad plans were made and tentative dates were set to fit into the Associational Calendar.

Each month the WMU had at least one article in the Baptist Review trying to keep the Association informed of its work.

The WMU Annual Session was held at Grace Baptist Church, Wilson, on March 18, 1975, beginning at ten o'clock and concluding with lunch provided by the church to the 226 people who registered and to 16 children. Mrs. James (Dorothy) Faulkner, Baptist Women President, gave the official welcome and Pastor Pat Kelly brought the devotional. Mrs. Archie (Julie) Jones was the missionary speaker. With the help of her husband, she showed slides and told of their work in Ecuador.

During the business session the WMU voted to ask the South Roanoke Association to assume its entire budget. This recommendation will be presented to the annual business session to be held on Wednesday, October 29, at the Five Points Baptist Church, Wilson.

Attention was called to Tarboro First and Williamston Memorial for being Advanced in 1973-1974, and to Five Points and Memorial, Greenville for being Merit.

Mrs. Robert Barbe of the First Baptist Church, Tarboro, was speaker for the WMU Prayer Retreat held on May 21, 1975, at Camp Contentnea. Mrs. Barbe told of the work which she, her doctor husband, and son were able to do to assist medical missionaries in Rhodesia during their summer vacation. Mrs. B. P. (Joan) Manning, also of Tarboro, First, coordinated the activities of the day. Seventy one people from 15 churches registered and remained for lunch.

Chowan College was again the site of the GA-RA Camp held June 23-27 with 148 campers and 21 staffers. Twenty three churches were represented. The theme for the week was "Let's Just Praise The Lord". Missionaries and speakers taking part were George Cowser of Brazil, Bela Udvarnoki, recently returned from Hungary, Archie Jones, Jr., Missionary Kid from Ecuador,

Charles Mgya, International Student at Chowan from Tanzania, Africa. There were 23 professions of faith and 56 rededications at the consecration service on Friday morning.

The highlight of the year was the World Missions Conferences September 7-12. Each participating church was able to hear seven missionaries, two foreign, two home, two state, and one stewardship speaker. Many interesting reports of the impact are still being received.

The Age-Level Directors' reports are as follows:

WMU DIRECTOR - RUTH GARNER

The Director presided at each of the quarterly WMU Council Meetings as well as the Annual Planning Session.

By virtue of her office, the WMU Director is a member of the South Roanoke Associational Executive Committee. She attended three of the quarterly meetings, and was represented at the August meeting by Mrs. C. U. Rogers. Serving as Secretary, the Director has also worked on the Program Committee for the joint session of the North and South Roanoke Associations, which commemorated the 20th Anniversary. The WMU Director attended the North Carolina WMU Annual Session in Charlotte and accepted the Distinguished award for the South Roanoke WMU. Six were present from Tarboro First, Arlington Street, and Greenville Memorial.

The Associational WMU gave Mrs. Garner a "love gift" to assist her with her trip to the Baptist World Congress in Stockholm, Sweden, July 8-13. She toured with Marse and Marian Grant observing some of our Baptist work in Europe.

The WMU Director and the newly elected Acteens Director, Mrs. James (Anne) Briley, attended WMU Week at Ridgecrest.

At the WMU Leadership Conference in Hamilton on September 18 there were ten WMU Directors present in the afternoon and fifteen in the evening.

ASSISTANT WMU DIRECTOR: Mrs. Bruce (Allegra) Poole gave support in planning and carrying out the plans in the total WMU program. She assisted in the Annual Session in Wilson and in the Leadership Conference in Winterville. She resigned effective October 1 because of her added responsibilities in her local church.

BAPTIST WOMEN DIRECTOR - MRS. JULIUS (LOU) WHICHARD

On February 11, fifty two women attended the BW President's Luncheon held at Memorial Church, Williamston. We received inspiration and information from the "sharing" time. Most of the women told of the exciting things happening in their churches.

An invitation was extended by Five Points Church for the next BW President's Luncheon, to be held February 10, 1976, at 11:30.

Your BW Director attended the Workshop for Associational WMU Officers held August 29-30 at Camp Mundo Vista. Enthusiasm is high that missions will be "caught" as well as "taught". A very special emphasis was put on person to person evangelism.

BW Leaders and Officers attended the Associational WMU Leadership Conferences, 15 presidents from 13 churches showed great interest in their conference led by the BW Director.

The most valuable gift you can give another is a good example. Will you win souls for Christ this year?

Call on your Director to visit with you and help in any way.

BAPTIST YOUNG WOMEN DIRECTOR - MRS JENNINGS (VICKI) TEAL

Baptist Young Women in our Association have had a very active year. A highlight was an Associational "Get-Together" held at Tarboro First with Nancy Curtis, our State BYW Director, as our guest, and attended by Five Points, Winterville, and Tarboro BYW. Winterville's BYW trio sang for that occasion and has performed at a number of other functions representing our Association as well. Our young women have been engaging in mission action and personal service in many areas such as Bloodmobile work, rest homes and nursing homes and aiding families with special needs. There has been in-

creased interest this year in organized Bible Study over and above the regular opportunities planned for them. Four of our churches, Robersonville, Hamilton, Tarboro First, and Williamston Memorial had representatives in the BYW sessions of the WMU Leadership Conference in Hamilton in September. Hamilton has our most recently organized BYW.

ACTEENS DIRECTOR - MRS. DOUGLAS (SYLVIA) MOORE

At the Leadership Conference held last year in Winterville there were five present in the afternoon and 11 at night. I was so impressed with their response to the questions "Why do you feel God chose you to be a worker with Acteens?" and "What is your greatest need in Acteens work right now?"

I led a Teacher Clinic for the Foreign Mission Book Study for the Youth age Leaders at Winterville.

The Associational Acteens Night Of Renewal was held on August 8, 1975, at the Fountain Baptist Church. Even though only two churches were represented, the participation was great during the sharing time.

GIRLS IN ACTION DIRECTOR - MRS. TOMMY (SUE) SINGLETON

The Associational Girls In Action Missions Fair was held on May 24 at Five Points Baptist Church, Wilson, with approximately 175 members, leaders and parents present. "Love Thy Neighbor" was the theme for the day. Archie Jones, missionary to Ecuador, and his son John David, provided a very special highlight for the Fair as they shared curios, slides, songs in Spanish, and English, and information about their work and life in one of our Southern neighboring countries. Added attractions at the Fair this year were booths on mission areas prepared by GA groups. Members from several churches gave presentations of varying types which were informative and added variety to the day's activities. WMU members of the Five Points Church provided a tasty hot dog lunch for the Fairgoers. A marvelous day sharing our work for the Lord.

Day Camp was held July 27 at Camp Contentnea for all GAs. 69 campers and 11 leaders and helpers attended. Theme for the Camp was the Northwest USA, including the special needs of the Spanish speaking people, Indians, and international seamen in that area. The GAs participated in crafts and study related to this part of the USA. The Acteens of Washington First and Mrs. Becky Turnage led groups during the day.

The Director attended the Associational Leadership Conference at Mundo Vista, August 29-30. She then led the Workshop for experienced GA Leaders at the Associational Workshop while Sarah Gregory from Tarboro First led the Workshop for new GA Leaders. 23 Leaders attended the Workshops.

MISSION FRIENDS DIRECTOR - MRS. MARVIN (KAY) LYNCH

In September 1974 there were 27 Mission Friends organizations in our Association. Three new ones were organized last year but this year I would like to see others formed as soon as possible. If you need any help, please let me hear from you.

In the Leadership Conference held in Hamilton, 8 people were present. This Workshop was planned to be interesting and informative. For beginning Leaders, we explained the proper use of materials and records, and for all Leaders we stressed making plans geared to the ability and interest of the children. Our ultimate goal and responsibility is to teach the children the love of God for all people and to plant love for missions in the heart of each child. In other words, the child is the most important part of our teaching.

Respectfully submitted,

RUTH GARNER, Associational WMU Director.

BROTHERHOOD REPORT

Brotherhood activities continue to increase in the Association. The men and boys are responding to the call to the greater service for the Lord.

Through the enthusiastic leadership of Wally Powers, Associational RA Leader, the RAs have been involved in many activities. Participation has been in State and Associational Youth Rallies, in the State Youth Evangelism Night, in Camp Ground activities, in Associational and State Track Meets, in the Associational Conclaves and State Congresses, in Weekend Youth Revivals, in a Missions Fair, in Camp Carawar activities, and in other Crusader and Pioneer events.

The great results of these activities lies in the professions of faith and the commitments to service that the youth make.

The activities of the Baptist Men drew additional men and churches into involvement.

More than forty Foreign and Home Mission study courses were taught by Jim Hardison, Grifton, Jim Tripp, Arlington Street, and Willard Finch, Winterville. The men joined the women to co-sponsor these courses.

In September, Jim Hardison and Willard Finch led the Mission Study Institute at Camp Caraway. The Brotherhood Department of the Baptist State Convention sponsored the Institute which was designed to train mission study course instructors.

Two Baptist Men's Retreats were held. Cedar Branch and Oakmont were hosts for these retreats which were led by Doug Cole. The topic was the Deacon Family Ministry Plan.

Jointly with the Stewardship Committee, the Brotherhood sponsored a Stewardship Clinic which was held at Immanuel Baptist Church.

In January, the churches participated in Baptist Men's Day. Then many of the men came to Winterville a week later to participate in an inspiring Baptist Men's Rally. An interesting program presented by Archie Jones, Foreign Missionary, followed mission action reports, and gospel singing was enjoyed by all. The Association's Mission Action 1/2 program has grown in many areas.

The past year has been a year of growth. Leadership can encourage greater participation. But growth comes from commitment. Our men are committed.

Respectfully submitted,

WILLARD FINCH, Associational Brotherhood Director.

CHURCH LIBRARY REPORT

One year ago I presented to you three goals that your Church Library Organization hoped to achieve. The first goal was to establish new libraries in the churches of our South Roanoke Association. One new library was established and another library was reactivated.

The second goal was to promote attendance at the State, Regional, and Convention Library Conferences. First Baptist, Tarboro, First Baptist, Washington, and First Baptist, Farmville, had representatives at the Regional Library Clinic, March 14-15, at Southeastern Seminary. I represented the Association at the State Library Conference, April 25-26, in Charlotte. First Baptist Church, Washington, and First Baptist Church, Farmville, each had a representative at the Church Library Conference at Ridgecrest, August 2-8. There were excellent conferences, and reports of each were given in TACLO (The Associational Church Library Organization) meetings.

The third goal was to have an active Associational Church Library Organization. On February 18, the first meeting of TACLO was held at First Baptist Church, Washington, with 11 persons present. The program was on "The Church Library Ministry". The second quarterly meeting was held on

May 8 at First Baptist Church, Tarboro, with 20 persons present. Two additional officers were elected: Program Chairman - Mrs. Carol Waters, Second Baptist Church, Washington, and Secretary - Miss Judy Rollins, First Baptist Church, Farmville. The program was on "Promotion Of Church Library/Media Center Services". The next quarterly meeting was held at First Baptist Church, Farmville, on September 23 with 18 in attendance. Another officer was elected: Mrs. Beverly Batchelor, First Baptist, Farmville, as the Technical Processes Consultant. The program was on "The Selection Of Materials For A Church Library". Ten different churches have been represented in these three meetings.

The ministry of the Church Library should be a vital part of every church in our Association. It is my prayer that each church will elect a Library/Media Center Director and have this person attend TACLO meetings, State, Regional, and Convention Library Conferences, so that your church will not miss the opportunity to minister and witness for the Lord through this service.

Future TACLO Meetings have been planned for Nov. 20, 1975, at 7:30 P. M. at Oakmont Baptist Church, Greenville; February 19, 1976; May 20, 1976; and August 19, 1976.

The Regional Church Library Clinic will be at Columbia, S.C., March 19-20, 1976. The North Carolina Library Conference will be at Asheville, April 9-10, 1976.

The Church Library Conference will be at the Ridgecrest Conference Center, July 31 - August 6, 1976.

Respectfully submitted,

MRS. PEGGY THOMPSON, TACLO President.

1975 BIBLICAL RECORDER REPORT

Baptist State Papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the fiftieth anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's Christian Index, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems of religious publications because of inflation and sky-rocketing postage costs, the circulation of the Recorder remains above 112,000. Congregations including it in their church budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already, more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations of the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for

they are aware that "an informed people is the bulward of Baptist democracy".

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have as pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our family) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later".

His advice is well taken.

Respectfully submitted,

J. MARSE GRANT, Editor, Biblical Recorder.

REPORT ON CHRISTIAN HIGHER EDUCATION

The intended work of Christian churches everywhere is an important mission - sharing the Gospel of Jesus Christ with all the world. Since our concern today is in Associational and state matters, I would like to talk to you about the Baptist Colleges in North Carolina and their efforts to actively participate in this mission as co-workers with Baptist churches. You as parents and church members plant the seeds of Christian education; but Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate offer invaluable aid in the spiritual maturity of your children. More importantly, they prepare lay leaders as well as ministers and church-related vocational workers for necessary service.

In April, 1975, 715 students were reported by the 7 Baptist colleges as planning to obtain careers in church leadership. Concurrently, Southern Baptist seminaries listed an enrolment of 303 graduates of North Carolina Baptist Colleges. Presently, 152 graduates are under appointment by the Foreign Mission Board. Other areas of interest to Baptist college-graduates are positions with the Home Mission Board, Baptist State Conventions, and Associational Missions. Undergraduates can enjoy valuable training through participation in the summer programs, the Baptist Youth Corps. Approximately 100 students were employed this past summer by churches across the state in rewarding learning experiences for the students and for the churches. These are only a few of the opportunities afforded Baptist college students through the course of their educational career. In any event, our colleges do their part in making their graduates "fit for service". An interesting occurrence has taken place on the campus of Campbell College. A graduate school has been approved and Campbell will become the second Baptist College in North Carolina to offer this supplement to an undergraduate program.

Just as you as members, through the power of Christ, are the backbone of your churches, so the Cooperative Program is an important supportive element in the life of Baptist colleges. Apart from what students pay, the Cooperative Program remains the largest single source of annual income for our colleges. The anticipated budget during 1975 for the colleges from the Cooperative Program is \$2,632,350. Campbell College will be provided with \$416,066; Chowan College, \$263,333; Gardner-Webb College, \$360,776; Mars Hill College, \$360,776; Meredith College, \$360,776; Wake Forest University, \$639,900; and Wingate College, \$263,333.

What are you as Baptists doing to help? Baptists have an opportunity to give to their colleges through the special Scholarship Offering on Father's Day. This offering is one way of helping needy students in a time when economic crises and pressures make it difficult to get an education. Our colleges have a generous policy of financial aid. Just as our Lord will not turn his back on those who seek spiritual help, those who display a serious desire for an education will not be turned away.

I have been talking about monetary assistance; however, this is by no means the only way you can support your Baptist colleges. We solicit your prayers in the hope that you will talk with God every day about the betterment of Christian higher education. Pastors and church members can do their part in encouraging young people to seriously consider all seven Baptist colleges for their educational value.

Since I am a student at one of the Baptist colleges, I can speak from my own experience as one who is happy with her college environment and grateful for the educational opportunities it offers to me. I would like to say thank you to all concerned Baptists for their efforts in providing a Christian education for students like me.

Allow me in closing to quote from the Meredith College catalogue. "The purpose of Meredith College is to develop in its students the Christian attitude toward the whole of life and to prepare them for intelligent citizenship, professions, and vocations, professional education, graduate study, and homemaking. Its intention is to provide not only thorough instruction, but also culture made perfect through the religion of Jesus Christ. These ideals of academic integrity and religious influence have always been cherished at Meredith".

I feel that these precepts should be the pledge of each of our Baptist colleges. I sincerely believe in the value of a Christian education in helping us to carry on the work of the Lord. Let us work together to continue the ever-important programs of these institutions of Christian higher education throughout our state.

Respectfully submitted,

JULIE JONES, Christian Higher Education Representative

REPORT ON BAPTIST HOMES FOR AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today, there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in North Carolina Baptist Homes to only 230 persons at a given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston Salem, and in our Homes in Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the Third Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are especially grateful since four out of every five persons who live in our Homes depend on these love gifts for their care. Your love gift is a lifeline to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes For The Aging from our Baptist people that ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the

proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, -n Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise \$1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel, and activities room, and other necessary rooms. With the completion of this home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes For The Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ himself.

Respectfully submitted,

HARVEY RUMFELT, Homes For Aging Representative.

BAPTIST CHILDREN'S HOMES REPORT

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living, vital and growing ministry to people.

At Kennedy Home during the past year, an exciting development has occurred in a special group-therapy program for a small number of boys. The boys who have completed this program have shown encouraging progress in learning to cope with their problem, so much so that there is a strong request from members of our staff to begin a similar program for girls in the fall of this year.

The award winning film, "The Mountain Within", meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

Respectfully submitted,

MRS. CLAUDIA M. EDWARDS, Children's Homes Representative.

REPORT ON BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation of the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room, and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975, to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter family practice.

During the year, the hospital had its biennial review by the Joint Commission On Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service, and administration all received especially high commendations.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist Churches have been very gratifying. During the calendar year of 1974 the hospital received \$258,898 through the Co-operative Program, and \$392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite center in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who dies December 31. Full re-accreditation was given the School Of Pastoral Care in December by the Association Of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the Hospital, after serving in the hospital administration for 29 years.

HISTORICAL PAGEANT: "THE UNFOLDING STORY OF BAPTISTS IN EASTERN NORTH CAROLINA"

Written and Directed by Mrs. Norman Wilkerson
Immanuel Baptist Church, Greenville

MUSIC I: Handbells, "My Country 'Tis Of Thee". Play through twice, with words of fourth stanza read: "Our Fathers' God to Thee Author of liberty, to Thee we sing; Long may our land be bright, With freedom's holy light; Protect us by Thy might, Great God, our King!"

NARRATOR: Two hundred years ago bells in church steeples, bells on town commons, farm bells, plantation bells, home bells, and yard bells rang from north to south to proclaim the freedom of our country, a country started during the search of people for political, intellectual, and religious freedoms. Today, Baptists across our land are figuratively and literally ringing the bells for Christ's freedom in a world still torn by strife, conflicts and persecutions.

SLIDES I: During the following narration, show slides of Puritans landing, churches, and pictures depicting Puritan life-style.

NARRATOR: Baptists can trace their beginnings to the 1600's from England and Europe. Some made their way to the shores of the "New World" as the Puritans came in the early 17th century in their search for freedom from religious persecution and harassment.

After crossing the unknown ocean to find their freedom, the Puritans themselves proved to be persecutors and tolerated no one who dissented from their ideas on infant baptism, formation of a state church, and general puritannical rules for living.

SLIDES II: Show pictures of Roger Williams and other Rhode Island leaders, the first Baptist Church in Providence, during the following narration.

NARRATOR: Such men as Roger Williams and John Clarke, early Baptist leaders, were driven from the Massachusetts colony when they differed with the Puritan beliefs. Roger Williams went to what is now Rhode Island to form the first civil government in the world which, while having the power to refuse, yet granted full liberty in religious matters to all. Here, under the leadership of Williams, was organized in March, 1639, the first Baptist Church in America. The second Baptist Church was formed in 1644 in Newport, Rhode Island.

Outside of New England, the Baptists had their greatest development in Pennsylvania and New Jersey, with the first Baptist Church in Pennsylvania being established in 1684. In 1707 the Philadelphia Baptist Association, the first of its kind of organization in America, had its first recorded meeting. It was an association which embraced nine churches in Pennsylvania and New Jersey.

SLIDES III: Show pictures of Quakers during following narration.

MUSIC II: During Quaker slides, use Quaker hymn, "Amazing Grace".

NARRATOR: While Baptist groups were growing in the northern colonies, the religious growth of the southern areas was developing

slowly. A Quaker preached the first known sermon within the limits of North Carolina in 1672. After three days, the preacher, William Edmondson, left the colony, and later that year George Fox, the founder of Quakers, came to North Carolina lands to evangelize for 19 days. Quakers were holding "first day" meetings as early as 1702.

Quakers and Baptists alike were considered dissenters and often found support and comfort from each other as they were opposed by other religious groups. While opposing the ideas of Quakers and Baptists, the Church of England did little in this part of the new world to further its own beliefs. Its efforts in providing religious advantages were meager and slow, and no work was evident until the 1700's.

SCENE I: Church Meeting: Men, women, and children dressed in early colonial costumes; Simple church scenery.

NARRATOR: Some Baptists were among the settlers from the first colonization of North Carolina with the very first church being organized in 1727 near Edenton. There were enough Baptists to have formed at least three churches in the present Randolph County area by 1758, for the third Baptist Association in America was organized in June of that year with these three churches, and was named the Sandy Creek Association. The second Association had preceded the Sandy Creek by seven years in South Carolina.

SCENE I, Continued, and MUSIC III: People in church scene pantomime while choir sings "Praise God From Whom All Blessings Flow". Have it "lined out" by leader.

SLIDES IV: During following narration use slides of Kehukee Creek, Kehukee Church, and other old churches.

MUSIC IV: "There's A Church In The Valley By The Wildwood" - During reading about Kehukee church and 17 small churches, have choir hum softly under reading. Then pause in reading for choir to sing one stanza and chorus.

NARRATOR: There were Baptists of the General Baptist belief in the Kehukee Creek area, near what is now Scotland Neck, as early as 1690, and the Kehukee Church was formed in 1742. By 1755, seventeen small churches had been started in that large area of the colony.

(Pause for finish of song.)

NARRATOR: But early Baptist work was difficult in North Carolina. There were few churches, even fewer Bibles, and almost no religious literature. The General Baptist ministers were called "Itinerants", and probably none of them could have been considered "full-time" ministers. They were really early home missionaries going where churches did not exist. They were excellent and dedicated evangelists, reaching into almost every early settlement.

SCENE II: During the preceding narration and during the following narration: Preacher in early costume holding Bible.

NARRATOR: These preachers went everywhere in the settlements preaching the gospel as they saw it. The need for such preachers in North Carolina must have been great for one of them wrote that "no province in America had more need of missionaries and none can deserve

them less". It is said that the Baptist preachers had their greatest success in the Edgecombe County area, an area which included the counties we now know as Edgecombe, Nash, Warren, and Franklin Counties, as well as some of Wilson County. The Kehukee Association, the grandmother of the Roanoke, was formed in 1769 with five churches.

SCENE III: Baptist meeting being interrupted by colonists and British soldiers during following narration.

NARRATOR: Before the Revolutionary War, Baptists were subjected to much mistreatment. Although some colonies had granted them legal standing, in some communities they had to function under severe difficulties. Mobs sometimes broke up Baptist Meetings. Baptist preachers were imprisoned and religious persecution was so great that an appeal for religious freedom was made before the first Continental Congress.

MUSIC V: Yankee Doodle hummed or whistled behind following narration.

SLIDES V: Baptists in prison followed by patriots signing Declaration of Independence and Bill Of Rights.

NARRATOR: But political freedom begot religious freedom, and after the war, the Baptist position was different. No longer considered radical, nor with a stigma attached to it, the word Baptist was now an accepted title. Although remaining a real force for evangelism and not losing its strong appeal to the common people, the Baptist movement began to attract socially prominent, wealthy people. In some areas, Baptists were more numerous than members of any other denomination.

SCENE IV: Church scene with people in more elaborate costumes.

NARRATOR: Although a few Associations had been formed earlier, now the country was seeing the organization of many Associations making a unified Baptist witness across the new states. With the national population largely rural, the strongest religious roots were in the rural areas. The South, being mainly rural itself, had the majority of the Baptists, with two thirds of them living there.

It was natural for churches to form Associations for fellowship, and exchanging ideas and experiences. Even today a study of churches and Associations show that those churches which regularly send messengers to the Associational Meetings are the churches upon which the denomination must depend.

With the forming of more and more Associations, differences began to appear. Progressive thinkers were preaching the availability of "free grace", a general atonement for all, thus they were called "General Baptists". The "free grace" concept was in contrast to the predestinarian doctrines preached by "Particular Baptists", who thought there must be a particular work of grace before baptism. These differences had begun to appear in the decades from 1750 to 1770. Dissension developed over other ideas such as the training of ministers, ordination procedures, what constitutes a true "call to the ministry" and whether churches should undertake mission endeavors.

The Kehukee Association started as a fellowship of churches adhering to the doctrines of the General Baptist beliefs. However,

dissension was beginning to be apparent during these years of differences. Nevertheless, the Association continued to grow, and in 1790 the need for a division because of size was evident; so the churches in Virginia withdrew, forming a new Association, the Portsmouth.

SLIDES VI: Skewarkey, Tar River, followed by other Primitive Baptist Churches

NARRATOR: So rapidly did the Kehukee Association continue to increase that in three years another division was necessary. The Annual Meeting was held at Skewarkey Church near Williamston. The Tar River became the dividing line with the churches on the north of it remaining in the Kehukee Association, and those on the south composing the Neuse Association. This division left the Kehukee with 26 churches within its association.

In 1803 the question was raised in the Kehukee Association concerning the support of missionary enterprises and thereby laid the ground work for the split which came later. In 1805, a group of interested ministers and laymen met with the Cashie Church at Windsor, which had joined the Kehukee Association in 1778, and organized the Baptist Philanthropic Society for the purpose of promoting missions. In spite of differences, the Association had grown to include 42 churches by 1831.

During these years of growth, some of the churches we know today were organized. Tarboro First, the oldest church in the South Roanoke Association, was established in 1819; Washington First in 1822; Greenville Memorial in 1827. The oldest church in the North Roanoke Association is Hickory Church in Nash County, established in 1829, and Bear Swamp Church in Halifax County was organized in 1834. In 1831 nine churches withdrew to form the Tar River Association, mother of the Roanoke. (Pause)

SLIDES VII: During pause in reading, show slides of Tarboro First, Greenville Memorial, Washington First, Hickory, and Bear Swamp.

MUSIC VI: During slides, Choir sings "O, Zion Haste".

SLIDES VIII and MUSIC VII: During next narration, show slides of Luther Rice and Adoniram and Anne Judson. Choir hums "In Christ There Is No East Or West" during reading on Luther Rice.

NARRATOR: The years 1815 to 1835 were years in Baptist history marked with a great missionary movement inspired mainly by Luther Rice in his efforts to gain Baptist support for Adoniram and Anne Judson in their missionary labors in Burma. In many places, Baptist ranks were broken into differing groups. Now the churches were taking definite stands on missionary endeavors and splits were taking place in Associations. Thus began the Primitive Movement of which the Kehukee Association became a part. While the Tar River, along with three other Associations which grew out of the Kehukee, later joined the missionary movement. This was an important step toward the formation of a State Baptist Convention. In 1829 the Neuse Association went so far as to suspend all correspondence with the Kehukee Association, the body which had fostered it.

The year 1852 saw another outgrowth of the division. The area between the Neuse and Roanoke Rivers had been a sort of "no-man's"

land since the Kehukee had become anti-missionary. It was during the year 1852 that the Pamlico Association was organized in this area. Several churches in Greene, Pitt, and Wayne counties changed their allegiance and asked for their letters to join with the Pamlico Association.

SLIDES IX: During the next narration show slides of Thomas Meredith, and Samuel Waite as their names are mentioned.

NARRATOR: Before this, the Tar River Association was honored to have its territory used as the site for the formation of the Baptist State Convention of North Carolina. The Board of the Baptist Benevolent Society was organized in 1826. In 1827 it met in Tarboro and Greenville to formulate plans for a convention. On March 26, 1830, this group met again at Memorial Church in Greenville. At this meeting their first act was to pass by unanimous vote the following motion: "That this Society be transformed into a State Convention". Thus was the Convention created with the names of such outstanding Baptists as Charles W. Skinner, Thomas Meredith, and Samuel Waite being among the fourteen men who took this giant step.

Growth within the Tar River Association was gradual and slow during the first sixty years of its existence. During this period, conditions were hard all through the southland.

SCENE V: Confederate soldier in gray uniform in a "defeated" manner, standing or walking as though going home from the war.

MUSIC VIII: Hum "Dixie" slowly, in a minor key, during the above scene.

NARRATOR: The Civil War had taken place, and reconstruction days had taken their toll on the money, property, and spirits of all Southerners. History of churches and recorded minutes of Associational Meetings are scarce, as some were lost, or some meetings were not held due to the existing conditions.

MUSIC: After the following narration has begun, the choir will begin to hum "Give Of Your Best To The Master". Finish with the words of the chorus during the next scene.

NARRATOR: Gifts to churches were small and consequently gifts to Associations and the North Carolina Baptist State Convention were even smaller. Even though giving was small, it was sacrificial for those times. In Minutes recorded of Associational Meetings, it was not unusual to find mentioned gifts of fifty cents, one dollar, or five dollars. A ten-dollar gift from a church to an Association was considered generous. It is recorded that the Williamston Church pledged \$10.00 to the "aid of beneficiaries at Wake Forest College", beneficiaries being young licensed preachers. This was the only cash pledge from the Pamlico Association, of which Williamston was a part at that time. Other pledges consisted of one hundred pounds of pork, one barrel of sweet potatoes, and several pledges of "one box of provisions". It is amazing that any mission work could be carried on at all.

(PAUSE)

SCENE VI: Associational Meeting with gifts in baskets, boxes,

NARRATOR: Gifts and giving were a large part of some of the Associational Meetings during these years. In 1877, at the Tar River Associational Meeting, a resolution was presented concerning those church members considered able to contribute to the support of their churches but who failed to do so.

It was resolved that these members "...first, be admonished of their duty by the church", or second, if the first failed, the members should be "dealt with for their breach of the Church Covenant and fellowship withdrawn". Some thought this was too harsh, and the resolution was tabled until the next day. Mr. N. B. Broughton, publisher of the Biblical Recorder, suggested a plan by which finance committees should be appointed in each church to meet with "delinquent" members and discuss and explain the situations to them.

Later in that same meeting Mr. Broughton announced that he was present to take subscriptions to the Recorder, the price at that time being fifty cents a year.

Since church giving was not great enough to support a very large budget, often times several churches shared the same minister. Sunday services were held in many churches once a month, in some, once every two months, and even as seldom as once a quarter in a few churches.

It was not unusual for Associational Meetings to reflect the concern of one church for another. Many churches were burdened with indebtedness. Consequently, the Minutes often show that an offering was taken to help a sister church. Sometimes forty, fifty, or one hundred dollars were raised toward such an offering with cash gifts or pledges ranging from one to ten dollars.

In 1884, the Wilson Church made a generous and outstanding gift for the time. The church became concerned about Associational Mission work, and pledged one hundred dollars to the work.

Some of the churches we have in our Associations today did not remain in the Tar River Association. Some united with the Pamlico Association. But this Association seems to have suffered from the conditions of the times and in 1871, with only six churches represented, it apparently held its last meeting. So the churches from Green, Pitt, and Wayne Counties likely rejoined the Tar River Association.

SCENE VII: During the next narration have character dressed as Governor Aycock, with several supporters carrying posters and signs.

NARRATOR: From the apathetic period of the 1880's and '90's, we entered into a time of hope and faith with the dawning of the new century. With the election of Charles B. Aycock as Governor, North Carolinians began to turn their thoughts to the future. Mission work was once again emphasized, and by 1905 the State Convention had 138 missionaries, many of them part-time on the field. Of this 138, fifteen were working in the Tar River Association. This area was referred to as "an area of great destitution".

In 1907 the Tar River Association had 100 churches affiliated with it and the need for a division was apparent. It was decided that the Atlantic Coast Line Railway would be the dividing line. Thus the Roanoke Association came into being with 49 churches, holding its first Annual Meeting in October, 1908, in Rocky Mount.

In the Roanoke Association the next ten years showed a real growth and a big emphasis on Associational Mission Work. After the

division of the old Tar River Association, the work in Associational Missions was almost doubled. But this growth and energy did not continue, for a period of de-emphasis on mission work resulted in a definite time of lesser growth. In fact, in 1919 it was decided that all disbursements and direction of mission funds be by the State Board of Missions. From 1920 to 1942 only seven churches were organized in the Association.

Just as in the earliest days of Baptist witness in the colonies, growth in the number of baptisms and newly organized churches flourished when there was an emphasis on mission work. When missions were de-emphasized or allowed to lapse, Baptist growth moved at a very slow pace. As Baptists, our rich heritage is the product of missions at home and abroad.

SLIDES X: During the following narration show pictures of World War I, the Depression, and World War II.

NARRATOR: We must remember that the years following this de-emphasis on Associational Missions were hard for our nation, our State, and our Association. First, the country was getting over the tragedies of World War I; then, before it had really found its new direction in the world, our country was in the throes of the worst depression in recent history. Then, just as depression days were easing, we found ourselves in the midst of the most wide-spread and devastating war the world has ever known. With almost no young men left at home, and all financial resources aimed at winning the military conflict, growth in most churches was at a standstill. In fact, for a church to be able to carry on most of its own program and not lost ground was really an accomplishment for those times.

In 1950 a new and different type of Associational Mission program was adopted by the Roanoke Association at its annual meeting held at Rosemary Church, Roanoke Rapids. A recommendation from the Executive Committee to purchase a large tent was presented. The tent was to be used to extend the mission efforts of the Association. The recommendation was unanimously adopted. It was decided that an offering would be taken on both days of the Association to defray the expenses of the tent. The combined offering was \$836.37, and the balance was underwritten by the First Baptist Church of Rocky Mount.

On the second day of the 1950 meeting, held in Williamston, the Association voted to secure another Associational Missionary and to place emphasis on establishing new churches in needy areas of its territory. Seventy two years earlier, to the very day, the Tar River Association, mother of the Roanoke, had seen an evangelistic need within its borders and had taken a similar action.

SLIDES XI: Pictures of tent, Grady Burgiss, house trailer, etc., during next several paragraphs.

NARRATOR: In April of 1951, Rev. L. Grady Burgiss was employed by the Roanoke Association as Missionary and he began planning immediately. The first meeting for which the tent was used was held at Grifton, June 22. A series of nightly meetings continued in Grifton until July 6.

The tent then was taken to Rocky Mount for meetings in an area of the city not having a Baptist church. Later, the tent was returned to Grifton for a second series of meetings. Out of these three initial

50 HISTORICAL PAGEANT PRESENTED AT THE TWENTY FIRST ANNUAL SESSION
uses of the newly purchased tent grew two of the Roanoke's prospering churches, Grifton Church, and Lakeside Church in Rocky Mount.

Additional help in the form of summer student workers was secured for a few summers. A house trailer was bought for the missionary and his workers. Some of the time Mr. and Mrs. Burgiss and their son spent many of the summer weeks living in the trailer near where the tent was located. Many interesting tales could be told of the meetings in the tent. Sometimes summer storms were so severe that services had to be suspended until the storm passed. One storm, near enough for danger to those in the tent, knocked out all the lights and the missionary had to finish his sermon in darkness. On one occasion while the missionary was filling another speaking engagement elsewhere, the home next to the tent caught fire. By-standers quickly took down the tent to protect it and the tent and its equipment became scattered in the confusion. When Mr. Burgiss arrived a short time before the worship service hour, he found havoc. With the help of neighborhood well-wishers, the tent was up and ready for the eight o'clock service.

Under the leadership of the Associational Missionary and his helpers, and with the help and enthusiasm of Sunday Schools, Brotherhoods, and interested congregations, mission Sunday Schools, preaching missions, and seventeen new Baptist churches were established from 1951 to 1954. Now the Roanoke Association had grown to 94 churches.

Soon after the beginning of the new approach to missions, the carrying of the tent to places not having Baptist churches, positive thinking leaders in the Roanoke realized that the new churches, which they were sure would result from the work, would need financial assistance. Consequently, the Roanoke Baptist Builders' Club was organized. The plan was to secure 1,000 members who would pay \$2.00 upon joining and \$2.00 each time they were called upon, not to exceed \$10.00 per year. Under the supervision of the Executive Committee, the Builders' Club raised almost \$20,000 to assist 20 churches with erecting or remodeling buildings from its beginning until the fall of 1954.

Once again the leaders and members of the Association began to see a real need for division. Churches large enough to hold the Roanoke's Annual Meetings were becoming increasingly difficult to find; It was becoming almost impossible for one executive officer to look after the Associational business for 94 churches. Just as with its grandmother and mother organizations, the Kehukee and Tar River Associations, the Roanoke came to the point in its growth when a division was necessary. So at its annual session in Rocky Mount in October, 1954, it was recommended and accepted without opposition that a division be made, with 48 churches in the northern area, and 46 churches in the southern area. A Committee Of Ten, with five members from each area, was elected to make plans for the two new associations.

SCENE VII: Committee of ten men sitting in a meeting. One is Chairman.

NARRATOR: On May 2, 1955, an organizational meeting was held at Memorial Church in Greenville, and the "South Roanoke Baptist Association" was established. Officers were elected, a Constitution and By-Laws were adopted, an Associational Missions program was accepted with the necessary budget and financial program planned.

On May 3, 1955, at Enfield, a second organizational meeting was held and the "North Roanoke Baptist Association" was established. The same procedures were followed as the day before.

SLIDES XII: During the following narration of the history of the two associations, show slides of Miss Mayo, Mr. Privott, Mr. Moore, and slides of newly organized churches and new buildings continually during the reading. If pictures of the Association Camps at Chowan are available, show them at the proper time.

NARRATOR: Work began immediately in the two new Associations. The North Roanoke Baptist Association had all of the 48 churches represented at its organizational meeting on May 3, with one additional church, the Quankie Church of Roanoke Rapids, petitioning for membership that very day. Miss Hilda Mayo, who for three years had done an excellent job as Associational Director of Religious Education for the Roanoke Association, went to the North Roanoke as Associational Missionary.

Under the leadership of Miss Mayo, much work was carried on. Vacation Bible Schools were conducted in each church; teaching clinics for education organizations and church officers were held; simultaneous revival crusades were carried out; an associational school of church music was conducted; emphasis was put on Royal Ambassadors and Girls' Auxiliary organizations with their annual camps being held at Chowan College.

In 1959 it was with deep regret that Miss Mayo's resignation was accepted, but during 1960 Rev. John Privott was called as missionary and has served faithfully and well in that capacity since that time.

Since its beginning with 48 churches, the North Roanoke Association has added eleven churches to its rolls; five of them newly organized. The value of church property has more than doubled, and the total gifts have grown to about four and a half times as much as in 1955, and church membership has increased by almost 6,000 people. Four people from the Association have dedicated their lives to work as missionaries.

Work in the South Roanoke Association has gone forward too. Mr. Burgiss went to the South Roanoke in his capacity as missionary. He carried on much work with mission points and young churches. Vacation Bible Schools and Young Peoples' organizations were emphasized. Mr. Burgiss extended his resignation in December, 1956, to be effective January 31, 1957. Rev. John A. Moore was called as missionary and has been with the South Roanoke since that time.

Six new churches have been organized during this time. Almost 6,000 members have been added to church rolls. Total value of church property has increased to almost double its value, and gifts of all kinds have increased about three and a half times over gifts in 1955. Seven former pastors of the South Roanoke Association now serve on Southern Baptist Foreign Mission Fields.

In 1956 impetus was given to missionary zeal in both the North and South Roanoke Associations. Dr. Casper Warren, a North Carolinian serving as president of the Southern Baptist Convention, challenged the convention to organize 30,000 new churches in five years. Thus began the important "30,000 Movement". The movement began on Sunday, June 3, 1956.

Arlington Street Church, Greenville, formerly Hillsdale Sunday School Mission, was organized that Sunday afternoon at 3:00 o'clock, becoming the first church of the 30,000 movement for the North Carolina State Baptist Convention, and possibly for the entire Southern Baptist Convention. Three other churches in the South Roanoke grew out of this movement, and one, Englewood of Rocky Mount, in the North Roanoke Association.

During these years the Baptist Builders' Club, which began with the old Roanoke, has continued to be active in both associations and several churches were aided each year. The North Roanoke has recently decided that the need for its club no longer exists, so it has been dissolved. The South Roanoke still has an active Builders' Club and is still helping young churches with their needs.

SLIDES XIII: Baptist Building, Colleges, Children's Homes, Homes for Aging, Student Centers, Camps, Conference Centers.

NARRATOR: Throughout the history of the old Roanoke Association and the first twenty years of the North and South Roanoke Associations, cooperation with the Baptist State Convention of North Carolina has been important to the life of the Associations. About 75% of the churches give through the Cooperative Program, some quite generously. In return, the Convention has given the services of many of its programs to churches and members within the Associations. Several churches throughout the North and South Roanoke have received help buying lots and building new facilities through aid from the Convention. Services such as Children's Homes, Homes For Aging, Baptist Student Unions, Leadership Conferences and Clinics, Assemblies and Camps, and many others have been made available to our people. The campuses of seven Baptist colleges welcome our students annually.

In the past two hundred years, even in the last twenty years, much needed to be done, and much has taken place. Yet, much remains to be done. Baptists have made great strides in North Carolina with one-fifth of its population belonging to churches affiliated with the Baptist State Convention of North Carolina, and one half of all church members in North Carolina in Baptist Convention churches. Yet, there are still vast mission opportunities within our State, even within our own two Associations.

Within these two Associations, Sunday School enrolment is down by more than 5,000 members since 1955. All the missionary organizations of our churches, with the exception of the Brotherhood, show a real decline in membership in the last twenty years. Many unchurched people live short distances from the Baptist Churches of these two Associations. Just a few years ago a teacher in one of the schools of our area was helping her students prepare for the oncoming Christmas celebration. One of her small first-year students said, "Teacher, who is this Jesus who is having a birthday?"

MUSIC X: Choir begins here to hum "O God, Our Help In Ages Past". Continue to hum during following narration. Finish with one stanza at "Pause" in reading.

NARRATOR: Migrant workers are within our borders each year with golden opportunities for Associational Missions. Resort areas with many great needs are constant reminders of mission work still needing doing. Colleges with students who cry in various ways for guidance, love, and concern are among our mission opportunities. These and many others are waiting our concern, our prayers, our finding of solutions with our money and our individual time.

PAUSE: Choir complete "O God, Our Help In Ages Past".

NARRATOR: Today we say, "Let Christ's Freedom Ring". "Freedom"

is a most important word to all Baptists - freedom to worship, freedom from control from other organizations over our churches, freedom to carry on our mission work as we see the need. Only can Christ's freedom be available to everyone when we have done all within our power to carry out His Great Commission.

May the next twenty years, the next hundred years, yea, even the next two hundred years be years in which Christ's freedom can ring to all corners of the earth, and may it begin to sound within the borders of the North and South Roanoke Associations!

MUSIC XI: Choir and Handbells, "Ring, Freedom Bells".
Handbells, "O God Our Help In Ages Past".

WOMAN'S MISSIONARY UNION

SOUTH ROANOKE BAPTIST ASSOCIATION

MINUTES OF THE 20TH ANNUAL SESSION

The Twentieth Annual Session of Woman's Missionary Union of the South Roanoke Baptist Association was held in Grace Baptist Church, Wilson, North Carolina, on March 18, 1975, at ten o'clock with Mrs. Ruth B. Garner, Director, presiding.

Mrs. Ruth Ann Horton, Organist, rendered a musical prelude while the meeting assembled. Mrs. Pat Varnell led the singing of the hymn, "Christ For The World". Mr. Pat Kelly, Pastor of the host church, gave the devotional based on Acts 16:6 and led the prayer for missionaries having birthdays on this date.

A warm welcome was extended by Mrs. Dorothy Faulkner, President of Baptist Women of the Grace Baptist Church.

Mrs. Cecil Tyson moved that the printed program constitute the order of service for the day. The motion was carried. The theme for the session was "Love Thy Neighbor".

The Secretary called the roll of churches. There were 195 members present, representing 29 churches. Also attending were four pastors, eleven visitors, and sixteen children in the nursery.

The Treasurer presented the printed report of receipts and disbursements showing a balance on hand of \$579.90. Report was accepted.

The Associational Missionary, Mr. John A. Moore, was recognized and he brought to the attention of the women the World Missions Conference coming up in September. He also stated that material was available from his office for use in Mission Summer Camps and Vacation Bible Schools.

Mrs. Garner stated that the South Roanoke Association was recognized as a Distinguished WMU at the North Carolina WMU Annual Convention held in Charlotte in March.

Mrs. Allegra Poole, Assistant WMU Director, presented the WMU emphases for the next two years — TIME — Training In Missions Education.

All Age-level Directors and Area Co-ordinators were recognized and their reports of the year's activities were received.

The proposed Budget for the period October, 1975 to September, 1976, totaling \$1,210.00 was presented by Mrs. Clonnie Vick, member of the Budget Committee. The Budget was approved.

Mrs. Vick also presented the following recommendation from the WMU Council which was unanimously adopted:

"Knowing that Woman's Missionary Union is Auxiliary to South Roanoke Association whose objective is to promote Christian missions in the local churches, the WMU Council recommends that funds for the activities and expenses be included in the budget of the South Roanoke Association subject to the approval of the South Roanoke Association at its Annual Fall Session."

Mrs. W. J. Bateman presented the Camp Scholarship Award to Miss Anna Daniels of the Five Points Baptist Church, Wilson. Miss Daniels was a Counselor at GA-RA Camp last year.

Miss Ruth White extended an invitation for the 1976 Annual Meeting to be held in Greenville at The Memorial Baptist Church in two sessions, Monday night, March 22, at 7:30 P. M., and Tuesday Morning, March 23, 1976, at ten o'clock. No meals would be served at these meetings.
